The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Rancho Valencia Resort and Spa 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rancho Valencia Resort and Spa 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rancho Valencia Resort and Spa 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rancho Valencia Resort and Spa 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rancho Valencia Resort and Spa 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Form 5500, Schedule H, line 4(i), Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report**

To the Board of Trustees and  
Mark Blevins, Chief Financial Officer  
Rancho Valencia Resort and Spa 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Rancho Valencia Resort and Spa 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

**Management's Responsibility for the Financial Statement**

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

**Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Reliance Trust and T. Rowe Price Trust Company, the trustee and record keepers of the Plan, respectively, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

**RANCHO VALENCIA RESORT AND SPA 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

---

**NOTE A - DESCRIPTION OF PLAN**

The following description of Rancho Valencia Resort Partners, LLC's ("the Company") Rancho Valencia Resort and Spa 401(k) Plan ("the Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

*General*

The Plan is a defined contribution plan originally effective January 1, 2011, and amended and restated on October 16, 2017. The Plan covers all employees of the Company who have attained the age of twenty-one and have completed 90 days of service, with at least 250 hours of service in such period; provided however, that he or she shall become eligible no later than upon completion of 1,000 hours of service within a 12 consecutive month period. Employees are eligible to join the Plan quarterly. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees ("Trustee") oversee governance of the Plan. The Plan's Administrative Committee ("the Committee") determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Trustee.

*Presentation*

Certain amounts in the financial statements and associated notes may not add due to rounding.

*Plan Termination*

The Company has the right under the Plan to discontinue its contributions at any time or to terminate the Plan subject to the provisions of ERISA. For this purpose, termination includes a complete discontinuance of contributions under the Plan or a partial termination. A partial termination may occur if either a Plan amendment or severance from service excludes a group of employees who were previously covered by the Plan. Whether a partial termination has occurred will depend on the facts and circumstances of each case. If a partial termination occurs, only those participants who cease participation due to the partial termination will become 100% vested. In the event of Plan termination, participants' accounts become fully vested and nonforfeitable.

*Contributions*

For the year ended December 31, 2021, each eligible employee may contribute up to 100% of their pretax compensation, as defined in the Plan, to a maximum of \$19,500. Participants who reach age fifty by the end of the tax year may contribute up to \$6,500 of additional tax deferred compensation under catch-up provisions of the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

---

**NOTE A - DESCRIPTION OF PLAN (continued)**

The Plan provides for an employer matching contribution. The employer may contribute 50% of the salary reduction for employees who elect to defer 10% of his or her compensation to the Plan. The employer may designate, by resolution of its board, that portion of its contributions made to the trust for such plan year as a contribution to match each participant's elective contribution. The employer may also make a discretionary profit sharing contribution. The Company made matching contributions of \$160,753, net of forfeitures applied (see Forfeitures). There were no profit sharing contributions for the year ended December 31, 2021.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if applicable, and (b) Plan earnings, and is charged an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. A participant is entitled to benefits based on their vested account balance. Participant contributions at December 31, 2021 were \$964,580.

**Vesting**

Participants are immediately fully vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions plus actual earnings thereon is based on years of service. Participant vesting is graded over four years. A participant is 100% vested after four years of credited service. Non-vested benefits are forfeited when a participant's employment terminates. Regardless of the vesting schedule, a participant shall become fully vested upon reaching retirement age, death, or disability.

**Investment Options**

At December 31, 2021, the Plan was funded with investments with T. Rowe Price. Reliance Trust holds title to plan assets subject to the direction of the plan administrator. The Plan offers a broad range of diversified investment options with different risk and return characteristics. The variety enables participants to select the options that best fit their investment style-from conservative to aggressive.

**Participant Loans**

If authorized by the Plan's Trustee, participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested benefit. Loans are secured by up to 50% of the participant's vested account and bear interest at the rate equal to the prevailing interest rate charged by persons in the business of lending money for loans made under similar circumstances. Loan terms generally range from 1-5 years. Participant loans outstanding for the years ended December 31, 2021 and 2020 were \$96,461 and \$107,530, respectively.

NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

---

**NOTE A - DESCRIPTION OF PLAN (continued)**

*Payment of Benefits*

On termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Benefits paid to beneficiaries upon death of participants are made in accordance with elections available under the Plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

*Hardship Withdrawal*

Hardship withdrawals are not allowed.

*Forfeitures*

Forfeitures of employer matching contributions will first be used to reduce plan administrative expenses and any remaining forfeiture amounts will be used for future employer contributions. For the year ended December 31, 2021, the amount of forfeitures applied to employer contributions were \$9,598.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting*

The financial statements of the Plan are prepared using the accrual method of accounting.

*Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when received. Net appreciation/depreciation includes the Plan's gains and losses on investments realized throughout the year as well as unrealized at year end.

Participant loans receivable are valued at face value which approximates fair value.

**RANCHO VALENCIA RESORT AND SPA 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

---

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

*Excess Contributions Payable*

Amounts payable to participants totaled \$9,703 and \$16,082 for the years ended December 31, 2021 and 2020, respectively, for contributions in excess of amounts allowed by the IRS.

*Payment of Benefits*

Benefits are recorded when paid.

*Administrative Expenses*

The Company provides certain administrative services for the Plan and pays for certain outside administrative services. The cost of Company provided services is not reflected in the financial statements.

*Subsequent Events*

Subsequent events were evaluated through October 14, 2022, which is the date the financial statements were available to be issued.

**NOTE C – FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures the value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the period presented.

**NOTE C – FAIR VALUE MEASUREMENTS (continued)**

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Collective Investment Trust:** Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

**Mutual Funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are openend mutual funds that are registered with the Securities Exchange Commission (SEC). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

**NOTE D – INVESTMENTS**

*Unaudited Information Certified by Reliance Trust and T.Rowe Price Trust Company*

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust and T. Rowe Price, the trustee and record keeper, respectively.

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) increased in value by \$1,717,569 for the year ended December 31, 2021.

**NOTE E – RELATED PARTY TRANSACTIONS**

At December 31, 2021 and 2020, the Plan's primary assets are mutual funds under T. Rowe Price. As of December 31, 2021 and 2020, Reliance Trust holds title to plan assets, is a fiduciary to the plan, and is responsible for the proper execution of directions, safekeeping of plan assets and providing periodic trust reporting, subject to the direction of the plan administrator. Accordingly, transactions between these entities qualify as party-in-interest transactions. Fees paid by the Plan for administrative services were \$1,160 for the year ended December 31, 2021.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE F - TAX STATUS**

The Internal Revenue Service has determined and informed the Company by a letter dated June 1, 2015, the latest determination date, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Trustee and plan administrator believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**NOTE G - COLLECTIVE INVESTMENT TRUSTS**

Investments held by a collective investment trust are required to be reported at fair value. However, contract value is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The statements of net assets available for benefits presents the fair value of the collective investment trusts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The statement of changes in net assets available for benefits were prepared using contract value for the fully benefit-responsive investment contracts.

**T. Rowe Price Stable Value Common Trust Fund**

The Plan's collective investment trust investment option for the year ended December 31, 2021 is the T. Rowe Price Stable Value Common Trust Fund Class E (TRPSVF). The trust is operated by T. Rowe Price Trust Company (the trust company or trustee). The trust company is a wholly owned subsidiary of T. Rowe Price Associates, Inc. (Price Associates), which is wholly owned by T. Rowe Price Group, Inc. The investment objectives of the trust are to maximize current income consistent with the maintenance of principal and to provide for benefit-responsive participant withdrawals at contract value for certain events without penalty or adjustment.

The existence of certain conditions can limit the trust's ability to transact at contract value with the issuers of its investment contracts. Specifically, any event outside the normal operation of the trust that causes a withdrawal from an investment contract may result in a negative market value adjustment with respect to such withdrawal. Examples of such events include, but are not limited to, partial or complete legal termination of the trust or a unit holder, tax disqualification of the trust or a unit holder, and certain trust amendments if the issuers' consent is not obtained.

In addition to the limitations noted above, issuers of investment contracts have certain rights to terminate a contract and settle at an amount that differs from contract value. For example, certain breaches by the trust of its obligations, representations, or warranties under the terms of an investment contract can result in its termination at market value, which may differ from contract value. Investment contracts also may provide for termination with no payment obligation from the issuer if the performance of the contract constitutes a prohibited transaction under ERISA or other applicable law, if the trust or the trustee suffers an insolvency, or if there is a change in law or accounting standards that makes it impermissible to account for an investment contract on a contract value basis.

**NOTE G - COLLECTIVE INVESTMENT TRUSTS (continued)**

The following are the relevant rates of return on the investment with TRPSVF:

The average current yield earned by the trust, before reduction for expenses, was calculated by dividing the annualized one-day GAAP earnings of the trust's December 31, 2021 and December 31, 2020 investments (irrespective of the interest rate credited to unit holders in various classes) by the fair value of the trust's investments on said dates. The average rate was 1.67% and 2.12% at December 31, 2021 and 2020, respectively.

The average current yield earned by the trust as adjusted to reflect the actual interest rate credited to unit holders in the zero-fee class was calculated by dividing the annualized one-day earnings credited to unit holders in Class Z on December 31, 2021 and 2020 (irrespective of the actual earnings of the investments in the trust) by the fair value of the trust's investments on said dates. The average rate was 1.90% and 2.14% at December 31, 2021 and 2020, respectively.

**NOTE H – RISKS AND UNCERTAINTIES**

The Plan invests in mutual funds and group variable annuity contract that is made up of various underlying investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
