INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Koenig & Bauer (US) Inc. 401(k) and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Koenig & Bauer (US) Inc. 401(k) and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Koenig & Bauer (US) Inc. 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from FIS' Reliance Trust Company and Reliance Financial Corporation, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 and Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by FIS' Reliance Trust Company and Reliance Financial Corporation agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Koenig & Bauer (US) Inc. 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and

maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Koenig & Bauer (US) Inc. 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Koenig & Bauer (US) Inc. 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Koenig & Bauer (US) Inc. 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified FIS' Reliance Trust Company and Reliance Financial Corporation agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the accompanying financial statements of Koenig & Bauer (US) Inc. 401(k) and Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 and Note 4, which was certified by FIS' Reliance Trust Company and Reliance Financial Corporation, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

In our report date July 27, 2021, we indicated that because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we do not express an opinion on 2021 financial statements.

KOENIG & BAUER (US) INC. 401(K) AND PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2021**

NOTE 1. PLAN DESCRIPTION

The following description of the Koenig & Bauer (US) Inc. 401(k) and Profit Sharing Plan (the “Plan”) provides only general information. Koenig & Bauer (US) Inc. (the “Company”) is the sponsor and administrator for the Plan. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution deferred compensation 401(k) plan formed on January 1, 1990 and was amended and restated on December 1, 2012. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

The Plan covers substantially all employees who have completed three consecutive months, or credited with a Year of Service, and have attained 18 years of age, except intercompany transferee employees from the parent company in Germany, Koenig & Bauer AG, and nonresident alien employees as defined in the Plan of Koenig & Bauer (US) Inc. (the Company).

Employees are eligible for employer profit sharing contributions when they complete one year of service, or 1,000 hours of service during a twelve-month period and have attained 18 years of age.

Contributions

Each year, participants may contribute up to 50% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Contributions are subject to limitation requirements by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans (rollover), limited by requirements of the IRC.

The employer's discretionary nonelective contribution amount may be contributed at the option of the Company's CEO and CFO. The nonelective contribution is allocated, or divided, among eligible participants as determined by the Plan. Participants who are not employed on the last day of the year are not eligible for an allocation of the Company's nonelective contributions for such year, except upon retirement, disability, or death. The Company's nonelective contributions were \$690,133 and \$560,795 in 2021 and 2020, respectively.

Participant accounts

Each participant's account is credited with the participant's contributions and Company matching contribution, an allocation of the Company's profit sharing contribution and Plan earnings. Allocations of Plan earnings are based on a participant's eligible compensation relative to total eligible compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Each participant determines the investment strategy of his or her account as provided in the Plan.

NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2021

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Payment of benefits

Benefits are distributed under the Plan based on normal retirement date (age 65), disability, death, hardship, or termination of employment of the participant. A participant may elect to receive a lump-sum distribution equal to the value of his or her account or may elect to receive installments for a specified term.

Vesting

Participants are immediately vested in their voluntary contributions and Company matching contributions, plus actual earnings thereon. Vesting in employer non-elective profit sharing contribution is based on years of service as follows:

<u>Years of Service</u>	<u>Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Participants automatically become fully vested upon disability, death, or normal retirement while under the employment of the Company.

Notes receivable from participants

Participants are permitted two outstanding loans. Loans are treated as an investment of each participant's account, rather than as an investment of the entire trust. As a result, each payment of interest is made to the account of the participant who receives the loan. Interest is charged at the current Wall Street Journal prime rate plus 1%, as defined by the Plan. Participants may borrow from a minimum of \$500, up to 50% of their vested account balance, provided the loan does not exceed \$50,000. Loans are collateralized by the participant's account. The interest rate is ranging from 4.25% to 6.50% for loans outstanding at December 31, 2021. The loan terms range from one to five years, or within a reasonable amount of time that can extend beyond five years, if the purpose of the loan is to acquire a primary residence.

Participant notes receivable are valued at their unpaid principal balances, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator, based upon the terms of the plan document, deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

KOENIG & BAUER (US) INC. 401(K) AND PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2021**

NOTE 1. PLAN DESCRIPTION (CONTINUED)

Termination

Under the Plan, the Company reserves the right to discontinue its contributions and to terminate the Plan at any time. Upon Plan termination, no further contributions will be made to the Plan and all amounts credited to participant accounts will become 100 percent vested. The Company will direct the distribution of participant accounts in a manner permitted by the Plan.

Forfeitures

Under the Plan, forfeitures of participants' nonvested accounts are used to reduce any employer contributions to the Plan. The amounts \$14,684 and \$33,702 were forfeited in 2021 and 2020, respectively. The amount of \$0 and \$27,158 were used to reduce employer contributions in 2021 and 2020, respectively. Forfeitures available to reduce future employer contributions were \$11,611 and \$35,255 at December 31, 2021 and 2020, respectively.

Plan administrative costs

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and investment related expenses are charged directly to the participant's account and are included in administrative expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are presented on the accrual basis of accounting. Current year contributions, investment income and expenses, which are not received or paid until the subsequent year, are accrued. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, such as fair value. Accordingly, actual results may differ from those estimates.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

KOENIG & BAUER (US) INC. 401(K) AND PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2021**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefit payments are recorded when paid.

NOTE 3. INFORMATION CERTIFIED AND PROVIDED BY RELIANCE TRUST COMPANY

For the years ended December 31, 2021 and 2020, the investment assets of the Plan were maintained under a trust agreement with the trustee, Reliance Trust Company. The trustee invested the Plan assets through its investment advisors and distributed the monies in accordance with the trust agreement. The December 31, 2021 and 2020 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Reliance Trust Company has certified to the completeness and accuracy of the total investments of \$19,059,622 and \$16,643,438 as of December 31, 2021 and 2020, respectively, and related net investment earnings of \$2,653,165 for the year ended December 31, 2021.

KOENIG & BAUER (US) INC. 401(K) AND PROFIT SHARING PLAN

**NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2021**

NOTE 4. COLLECTIVE TRUST FUND

The Plan invests in stable value collective funds through the Invesco Stable Asset Trust (“ISAT”). ISAT is a collective trust established by Invesco National Trust Company, a national trust bank organized and existing under the laws of the United States. This collective trust was established for purposes of collectively investing and reinvesting the assets of eligible pension and profit sharing trusts and other eligible entities. ISAT primary investment objectives are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity.

The Statements of Net Assets Available for Benefits, as of December 31, 2021 and 2020, present the contract value of the investment in the ISAT.

The contract value of the Plan’s investment in the Invesco Trust at December 31, 2021 and 2020 was \$2,089,666 and \$1,487,127, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are typically reviewed and reset on a monthly or quarterly basis according to each contract.

NOTE 5. FAIR VALUE MEASUREMENTS

Current authoritative guidance has established a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under current authoritative guidance are described as follows:

- Level 1 Observable inputs such as quoted prices in active markets for identical assets or liabilities.
- Level 2 Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly; these include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.
- Level 3 Unobservable inputs reflecting management’s own assumptions about the inputs used in pricing the asset or liability.

KOENIG & BAUER (US) INC. 401(K) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
For the Year Ended December 31, 2021

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Common/collective trust: Reported at contract value, which approximates fair value.

Mutual funds: Valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value
As of December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,969,956	\$ -	\$ -	\$ 16,969,956
Total Assets at Fair Value	<u>\$ 16,969,956</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,969,956</u>

Assets at Fair Value
As of December 31, 2020

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,156,311	\$ -	\$ -	\$ 15,156,311
Total Assets at Fair Value	<u>\$ 15,156,311</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,156,311</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

NOTE 6. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are shares/units of separate accounts managed by an affiliate of the Reliance Trust Company. This institution serves as record keeper and custodian of the Plan, and, therefore, these investments qualify as related transactions.

IMA Wealth, Inc., the investment advisor for the Plan, manages certain Plan investments. Therefore, these transactions qualify as party-in-interest transactions and are denoted as such in the supplemental Schedule of Assets (Held at End of Year). Fees paid by the Plan for the investment management services amounted to \$3,312 and \$2,856 for the year ended December 31, 2021 and 2020, respectively.

Hext & Associates, P.C. provides audit services to the Plan. These services qualify as party-in-interest transactions. However, these transactions are exempt from the prohibited transaction rules.

The Plan allows for participant loans. These loans qualify as party-in-interest transactions. However, these transactions are exempt from the prohibited transaction rules.

NOTE 7. TAX STATUS

The Plan has adopted a prototype plan, which received a favorable determination letter from the Internal Revenue Service on October 6, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 8. PARTICIPANTS WITH DEFERRED BENEFITS

There were 39 and 39 terminated participants with remaining assets of \$1,540,694 and \$2,124,390 as of December 31, 2021, and 2020, respectively.
