Report of Independent Auditors

To the Plan Administrator and Participants of
the KingsIsle Entertainment, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of KingsIsle Entertainment, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of KingsIsle Entertainment, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KingsIsle Entertainment, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KingsIsle Entertainment, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KingsIsle Entertainment, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KingsIsle Entertainment, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020 and for the Year Ended December 31, 2021

1. Description of Plan

The following description of the KingsIsle Entertainment, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan available to qualifying employees of KingsIsle Entertainment, Inc. (the “Company” or “Plan Sponsor”). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

SECURE Act

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 was signed into law. Applicable provisions of the SECURE Act, effective January 1, 2020, include changing the required minimum distribution age to 72 for participants who have not reached age 70½ as of December 31, 2020 and, for participant deaths after December 31, 2019, requiring most non-spouse beneficiaries to take full distribution of the participant’s account within 10 years of the participant’s death. Plan management has evaluated the impact of the SECURE on the Plan and has determined the impact to not be material. The applicable provisions of the SECURE Act, effective January 1, 2021, include eligibility for long-term part-time employees.

During the year ended 2021, the Company was acquired by an unrelated third-party. KingsIsle Entertainment Inc. remains the sponsor of the Plan subsequent to the acquisition. Effective April 30, 2021, assets totaling \$3,414,035 were transferred out of the Plan to the WIMO Games, Inc. 401(k) Plan, in accordance with provision of the purchase agreement. This is shown as a transfer out on the statement of changes in net assets available for benefits.

Eligibility

Employees, with the exception of interns, who have completed one month of service and attained the age of 18 are eligible to participate in the Plan on the first day of the month following the satisfaction of the eligibility requirements.

Contributions

Participants may elect to contribute between 1% and 85% of their pre-tax annual compensation, as defined by the Plan, subject to certain Internal Revenue Service (“IRS”) limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Such contributions and any earnings thereon are nontaxable until withdrawn from the Plan. Participants may elect to have those contributions made as either pre-tax or after-tax (Roth) contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution or benefit plans.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020 and for the Year Ended December 31, 2021

1. Description of Plan (continued)

The Company, at its discretion, may contribute on behalf of each participant a matching contribution equal to a percentage of the participant's elective deferrals. The Company, at its discretion, may also make non-elective contributions to the Plan. Non-elective contributions are allocated amongst participants based on the proportion of each participant's compensation to the compensation of all participants eligible for the non-elective contribution. During the year ended December 31, 2021, the Company made matching contributions equal to 25% of the first 6% of a participant's elective deferrals. During the year ended December 31, 2021, there were no non-elective contributions made by the Company.

Participant Accounts

Each participant's account is credited with the participant's voluntary contributions and any Company contributions. Earnings are credited to each participant account based on the performance of the underlying investments. Participants may direct the investment of their account balances into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their voluntary and rollover contributions plus any earnings thereon. Participants are credited with a year of service for each plan year in which they complete twelve consecutive months of crediting service. Participants vest in employer matching and non-elective contributions according to the following schedule:

Completed Years of Vesting Service	Vesting Percentage
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

Participants also become fully vested upon termination of employment because of death, disability, or attainment of age 65, the Plan's normal retirement age.

Investment Options

Participants direct both employee and employer contributions to be invested amongst various investment options made available and determined by the plan administrator, which are more fully described in the Plan literature.

Payment of Benefits

Upon termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive their vested benefit in either a lump-sum distribution or a direct rollover distribution. Participants with a vested account balance greater than \$5,000 also have the option to receive installment payments or defer receiving payment until age 70 ½. Terminated participant's accounts with a vested balance less than or equal to \$5,000 can be disqualified by the Plan Sponsor upon termination. Participants who are still employed by the Company but have reached age 59 ½ may withdraw all or any part of their vested balance, subject to Plan provisions. Participants may also request hardship distributions if they can demonstrate an immediate and heavy financial need.

NOTES TO FINANCIAL STATEMENTS*As of December 31, 2021 and 2020 and for the Year Ended December 31, 2021*

1. Description of Plan (continued)**Forfeitures**

Upon separation of service, for any reason other than death, disability, or retirement, participants forfeit any unvested portion of their employer contributions. Forfeited balances of terminated participants' non-vested accounts may be used to reduce future administrative expenses or Company contributions. During the year ended December 31, 2021, participants forfeited \$7,123 in prior employer contributions. At December 31, 2021 and 2020, unallocated forfeited non-vested accounts totaling \$10 and \$10, respectively, were available to offset future administrative expenses or Company contributions. In 2021, forfeited non-vested accounts of \$7,123 were used to reduce employer contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 2% at the time of inception. The loans are repaid ratably through payroll deductions over a period of five years or less, unless the loan is for the purchase of a participant's primary residence. Participants may have two loans outstanding at any given time.

2. Summary of Significant Accounting Policies**Basis of Accounting**

The accompanying financial statements have been prepared under the accrual method of accounting in conformity with U.S. generally accepted accounting principles.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent loans and are stated at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020 and for the Year Ended December 31, 2021

2. Summary of Significant Accounting Policies (continued)**Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in appreciation of fair value of investments.

Benefit Payments

Benefit payments are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through the date of the report of independent auditors, which is the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in the financial statements.

3. Information Certified by the Plan's Trustee (unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the Plan Sponsor instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information certified by the custodian with information included in the plan's financial statements and supplemental schedules:

As of December 31,	2021	2020
Mutual funds	\$ 9,327,049	\$ 10,945,009
Note receivable from participants	58,484	77,281
Year Ended December 31,	2021	
Net appreciation in fair value of investments	\$ 1,101,602	
Dividend income	339,459	
Interest income on notes receivable from participants	3,876	

4. Fair Value Measurements

The fair value hierarchy prioritizes the inputs used to measure fair value, giving the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 inputs).

The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020 and for the Year Ended December 31, 2021

4. Fair Value Measurements (continued)

Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. • If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value; there have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual Funds: Fair value of mutual funds is determined by quoted market prices on nationally recognized securities exchanges which represent the net asset value of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,327,049	\$ -	\$ -	\$ 9,327,049
Total assets in fair value hierarchy	\$ 9,327,049	\$ -	\$ -	\$ 9,327,049

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,945,009	\$ -	\$ -	\$ 10,945,009
Total assets in fair value hierarchy	\$ 10,945,009	\$ -	\$ -	\$ 10,945,009

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020 and for the Year Ended December 31, 2021

5. Related-Party and Party- In- Interest Transactions

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing rather than a direct payment. The Plan also made direct payments to the investment advisor and recordkeeper of \$22,175 during the year ended December 31, 2021. These costs incurred by the Plan are included in administrative expenses on the statement of changes in net assets available for benefits. The Plan Sponsor pays directly on any other fees related to the Plan's operations.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

7. Tax Status

The Plan uses a prototype plan document sponsored by Automatic Data Processing, Inc. ("ADP"). ADP received an opinion letter from the Internal Revenue Service ("IRS") dated October 6, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits taken by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

8. Risks and Uncertainties

The Plan provides for various options in any combination of specified investments. The underlying investments may include stocks, bonds, fixed income securities, mutual funds, and other investment securities. Such investments are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus ("COVID-19") a global pandemic and recommended containment and mitigation measures worldwide. The pandemic and these containment and mitigation measures have led to economic uncertainties which have resulted in significant volatility in the financial markets, impacting some of the investments held by the Plan. The duration of these uncertainties and volatility, and the ultimate financial effects of COVID-19 on the national and global economies and investment markets, cannot be reasonably estimated at this time.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020 and for the Year Ended December 31, 2021
