Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Platinum Nine Holdings, LLC's Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements related to assets held for investment of the plan by a bank or similar institution that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Platinum Nine Holdings, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Platinum Nine Holdings, LLC ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Platinum Nine Holdings, LLC's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Platinum Nine Holdings, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules on pages 11-12 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the form and content of the supplemental schedules are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and the information was prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Platinum Nine Holdings, LLC Company Employee Benefit Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PLATINUM NINE HOLDINGS, LLC - 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the 401(k) plan named Platinum Nine Holdings, LLC (the Plan) provides summarized general information. Participants should refer to the plan agreement or summary plan description for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 401(k) plan covering substantially all union employees of Platinum Nine Holdings, LLC (the Company), the Plan's sponsor. ADP serves as the plan administrator. The purpose of the Plan is to enable eligible employees to save for retirement.

The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended, and is designed as an ERISA Section 404(c) plan. Accordingly, the participants, and not the plan fiduciaries, are responsible for investment decisions relating to their participant account assets under the Plan.

Eligibility - Employees of the Company are eligible to participate in the Plan upon completing three months of service.

Contributions - Upon meeting eligibility requirements, participants are automatically enrolled in the Plan with salary deferrals at 1% of eligible compensation unless the participant makes a contrary election. Participants may contribute a percentage of their eligible compensation, subject to certain Internal Revenue Service limitations. The contributions may be a combination of pre-tax elective deferrals and Roth elective deferrals from 1% to 90% of their eligible compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan provides that the Company makes a matching contribution equal to 100% of employee salary deferrals that do not exceed 2% of annual eligible compensation.

The Plan provides that the Company may make annual discretionary profit-sharing contributions to eligible participants in an amount to be determined at plan year-end by the Company. There were no discretionary profit-sharing contributions to eligible participants for the years ended December 31, 2021 and 2020.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of employer contributions, plan earnings and forfeitures, and charged with an allocation of transaction fees. Allocations are based on participant earnings or account balances, as defined. Participants direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their pre-tax account, amounts rolled over from other qualified plans, and any earnings thereon. The Company's matching and profit-sharing contributions, and any earnings thereon, are fully vested after three years of continuous service. Participants are 100% vested in all accounts upon reaching normal retirement age, death, or disability.

PLATINUM NINE HOLDINGS, LLC - 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN, (continued)

Notes receivable from participants - Participants may borrow from their participant accounts a minimum of \$500 up to a maximum equal to the lesser of one-half of their vested account balance or \$50,000, reduced by the highest outstanding loan balance in their account during the prior 12-month period. Loan repayment terms are five years or less, except loans used to acquire a primary residence may be repaid over thirty years or less. The loans are secured by the participant's vested account balance and bear interest at a rate commensurate with prevailing rates as determined by the plan administrator.

A participant may have only one loan outstanding at any time. The loans are secured by the participant's vested account balance and bear interest at a rate commensurate with prevailing rates as determined by the plan administrator. Interest rates ranged from 5.25% to 7.25% at December 31, 2021 and 2020. Principal and interest is paid ratably through payroll deductions.

Payment of benefits - Upon termination of service due to death, disability, or retirement, a participant can elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a fixed reasonable period not to exceed the life expectancy of the employee or the employee's beneficiaries, equal to the value of his or her vested interest. For termination of service for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures - Forfeitures of terminated participants' non-vested account balances can be used to pay plan expenses and/or to reduce the Sponsor's matching contributions. Forfeited non-vested accounts applied to reduce employer matching contributions totaled \$45,598 and \$50,086 for the years ended December 31, 2021 and 2020, respectively. Forfeiture balance was \$3,476 and \$3,454 at December 31, 2021 and 2020, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Registered investment companies represent investments with various investment managers. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in registered investment companies traded on national securities exchanges are valued at their net asset values as of December 31, 2021 and 2020.

See independent auditors' report

PLATINUM NINE HOLDINGS, LLC - 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

Purchases and sales of investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at amortized cost, which represents the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement.

Payment of benefits - Benefits to participants and beneficiaries are recorded when paid.

Administrative and investment expenses - Mutual fund expenses, including 12(b)1 revenue sharing fees, are deducted from each fund's earnings to arrive at net appreciation as reported in the accompanying statement of changes in net assets available for benefits. The 12(b)1 revenue sharing fees collected from various mutual fund companies by ADP, the plan administrator, are used to pay third party administration fees and insurance carrier fees. Loan and distribution administration fees charged by ADP are deducted from the accounts of the respective plan participants. Certain participant loan transaction fees are paid by the Plan. Substantially all other administrative expenses are paid by the Company. Such costs may include accounting, auditing, legal, and other plan administrative expenses. Contract administrative service expenses paid by the Plan totaled \$5,766 and \$10,177 for the years ended December 31, 2021 and 2020, respectively. Other plan administrative expenses paid by the plan sponsor totaled \$40,669 and \$47,436 for the years ended December 31, 2021 and 2020, respectively, will not be reimbursed by the Plan.

Subsequent events - In accordance with FASB ASC 855, Subsequent Events, management has evaluated subsequent events up to October 13, 2022, the date when the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

PLATINUM NINE HOLDINGS, LLC - 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 3. FAIR VALUE MEASUREMENTS, (continued)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data through correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 1,374,415	\$ -	\$ -	\$ 1,374,415
Common/Collective trust fund	-	156,618	-	<u>156,618</u>
Total investments				<u>\$ 1,531,033</u>

	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 623,630	\$ -	\$ -	\$ 623,630
Common/Collective trust fund	-	61,961	-	<u>61,961</u>
Total investments				<u>\$ 685,591</u>

NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 5. FEDERAL INCOME TAX STATUS

The Internal Revenue Service has determined and informed the plan sponsor by a letter dated July 8, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

NOTE 6. RISK AND UNCERTAINTIES

The Plan allows participants to direct contributions into funds of various investment securities. The underlying securities of these funds are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain underlying securities and the level of uncertainty related to changes in the values of the funds, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 7. CERTIFICATION

Reliance Trust Company's certification applies to all assets except receivables. The investment income reported in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, respectively was also certified by Reliance Trust Company.
