INDEPENDENT AUDITOR'S REPORT

To the Investment Committee and participants of the
Primrose Holdings LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Primrose Holdings LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of the report,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 23, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Primrose Holdings LLC 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following description of the Primrose Holdings LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Primrose Holdings LLC and its subsidiary Primrose School Franchising Company LLC (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective January 1, 2022.

Employees are eligible to participate in the Plan on the first day of the month after the completion of 2 months of service and the attainment of age 21. Part-time, temporary, or seasonal employees who have less than 1,000 hours of service during the Plan year are excluded from being eligible to participate in the Plan.

Contributions

Participants may elect to make pre-tax and/or Roth contributions up to 90% of eligible compensation as defined in the Plan document, generally not to exceed a maximum of \$19,500 in 2021, plus an additional \$6,500 catch-up deferral for eligible employees over age 50. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Employees are automatically enrolled in the Plan upon meeting the eligibility requirements at a rate of 6% of eligible compensation, unless they elect otherwise. Effective May 15, 2020, the Plan document was amended to cease the safe harbor matching contribution. Effective January 1, 2021, the Plan document was amended to allow for the Company to make discretionary matching contributions. During 2021, the Company made discretionary matching contributions of 100% of a participant's contribution up to 1% and 50% of the next 5% of eligible compensation. The Company may also elect to make a discretionary profit-sharing contribution. During 2021, the Company made no such discretionary profit-sharing contribution. Effective January 1, 2022, the Plan was amended to reinstate the safe harbor matching contribution. In 2022, the safe harbor matching contribution will equal 100% of a participant's contribution up to 1% and 50% of the next 5% of eligible compensation, as defined in the Plan document.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, the Company's contributions and net change in fair value of investments in their account, and is charged with transaction charges for services received by individual participants. Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan. Participants may change their investment options on a daily basis.

Primrose Holdings LLC 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in all contributions plus actual earnings thereon.

Forfeited Accounts

As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$2,593 and \$2,543, respectively. Forfeitures may be used to first to pay for Plan administrative expenses and then to reduce Company contributions. In 2021, no forfeitures were used to offset Company contributions or administrative expenses.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account. A participant may have one loan outstanding at any time. Only active employees who participate in the Plan may request a loan. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest. During 2021, loans had fixed rates ranging from 4.25% to 6.50% for the term of the note, not to exceed 5 years unless used for the purchase of the participant's primary residence. Principal and interest are paid through payroll deductions. All loans must be repaid immediately after termination of employment or death.

Payment of Benefits

At the time of death, disability, attainment of age 59½, termination of service, or retirement, the participant or their beneficiary may elect to receive their benefits as a lump-sum amount equal to the value of the participant's vested interest in their account. The participant's contributions may also be withdrawn in certain hardship situations. Participants that terminate employment and have an account balance less than \$5,000 will automatically receive a lump sum payment equal to the vested interest of their account.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan in accordance with the Plan's provisions. These expenses are paid to service providers of the Plan and therefore qualify for party-in-interest transactions. Certain other administrative expenses of the Plan are paid by the Company. The Company does not expect reimbursement from the Plan for these expenses. Participant transaction fees paid by participants include distribution fees and other transaction fees.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates, and such differences may be material to the financial statements.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The Company discretionary matching contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan and after approval by the Company. Discretionary profit-sharing contributions are recognized upon authorization by the Company. Any unfunded participant or Company contributions are included as a participant or employer contributions receivable on the statements of net assets available for benefits as of December 31, 2021 and 2020.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net change in fair value of investments includes interest, dividends, and realized and unrealized gains and losses on those investments, and fees charged for investment management and administrative services on those investments.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default the participant loan balance is reduced, and a benefit payment is recorded. Notes receivable from participants also qualify as party-in-interest transactions.

Primrose Holdings LLC 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 4, 2022, which is the date the financial statements were available to be issued.

3. Information Certified by the Qualified Institution

All information in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2021 and 2020, net change in fair value of investments and interest income for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the Plan's qualified institution.

4. Investments

Fees incurred by the Plan for investment management services are included in net change in fair value of investments as they are paid through revenue sharing, rather than a direct payment.

Investments are exposed to several risks, such as interest rate, market, currency, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cybersecurity attacks, and other similar events. It is at least reasonably possible that changes in fair value will occur in the near term and that such changes could materially affect participants' account balances.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs.

Primrose Holdings LLC 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable inputs, including quoted market prices for identical assets or liabilities in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Investments in mutual funds are stated at quoted market prices for the identical security in an active market (Level 1).

The common/collective trust trades at net asset value (NAV) per share. The Plan has elected to use a practical expedient to measure the fair value of the investment in the common/collective trust. The NAV, including units of ownership to which a proportionate share of net assets is attributed, is used as of the reporting date. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The Putnam Stable Value Fund (the Fund) is a collective trust stable value fund with an intended purpose of providing stable principal and high current income. The Fund invests directly or indirectly in fully benefit-responsive investment contracts, and similar contracts issued by insurance companies, banks, and other financial institutions. The Fund's units are issued and redeemed daily at the constant NAV of \$1 per unit. The common/collective trust is not categorized within the fair value hierarchy. The common/collective trust includes certain redemption restrictions that are specific to each investment. The Fund has no unfunded commitments.

Primrose Holdings LLC 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

The following tables set forth by level, within the fair value hierarchy, the Plan's assets as of December 31, 2021 and 2020:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,822,500	\$ -	\$ -	\$ 11,822,500
Total investments within the fair value hierarchy	11,822,500	-	-	11,822,500
Common/collective trust measured at net asset value				616,238
Total	\$ 11,822,500	\$ -	\$ -	\$ 12,438,738

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,126,639	\$ -	\$ -	\$ 11,126,639
Total investments within the fair value hierarchy	11,126,639	-	-	11,126,639
Common/collective trust measured at net asset value				588,046
Total	\$ 11,126,639	\$ -	\$ -	\$ 11,714,685

There has been significant volatility in the investment markets both nationally and globally since December 31, 2021, which has resulted in a substantial decline in the value of the Plan's investment portfolio. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Primrose Holdings LLC 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

6. Income Tax Status

The Plan uses a non-standardized prototype plan document sponsored by Automatic Data Processing, LLC (ADP). ADP received an opinion letter from the IRS, dated October 6, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan has not received an individual determination letter and has been amended since ADP received the opinion letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2020 to the Form 5500:

Net assets available for benefits per the financial statements	\$ 11,803,075
<u>Less: prior year participant contributions receivable</u>	<u>(23,649)</u>
Net assets available for benefits per the Form 5500	\$ 11,779,426

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2021:

Increase in net assets available for benefits per the financial statements	\$ 729,998
<u>Plus: prior year participant contributions receivable</u>	<u>23,649</u>
Net increase in net assets available for benefits per the Form 5500	\$ 753,647

Contributions are recorded when earned on the financial statements but are not recorded until paid on the Form 5500.
