Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: RSM US LLP

(2) EIN: 42-0714325

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?	X		3
4l	X		3
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n		X	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

- 14** Enter the number of deferred vested and retired participants (inactive participants), as of the beginning of the plan year, whose contributing employer is no longer making contributions to the plan for:

a The current plan year. Check the box to indicate the counting method used to determine the number of inactive participants: ☐ last contributing employer ☐ alternative ☐ reasonable approximation (see instructions for required attachment).....

14a

b The plan year immediately preceding the current plan year. ☐ Check the box if the number reported is a change from what was previously reported (see instructions for required attachment).....

14b

c The second preceding plan year. ☐ Check the box if the number reported is a change from what was previously reported (see instructions for required attachment).....

14c

- 15** Enter the ratio of the number of participants under the plan on whose behalf no employer had an obligation to make an employer contribution during the current plan year to:

a The corresponding number for the plan year immediately preceding the current plan year.....

15a

b The corresponding number for the second preceding plan year.....

15b

- 16** Information with respect to any employers who withdrew from the plan during the preceding plan year:

a Enter the number of employers who withdrew during the preceding plan year.....

16a

b If line 16a is greater than 0, enter the aggregate amount of withdrawal liability assessed or estimated to be assessed against such withdrawn employers.....

16b

- 17** If assets and liabilities from another plan have been transferred to or merged with this plan during the plan year, check box and see instructions regarding supplemental information to be included as an attachment..... ☐

Part VI Additional Information for Single-Employer and Multiemployer Defined Benefit Pension Plans

- 18** If any liabilities to participants or their beneficiaries under the plan as of the end of the plan year consist (in whole or in part) of liabilities to such participants and beneficiaries under two or more pension plans as of immediately before such plan year, check box and see instructions regarding supplemental information to be included as an attachment..... ☐

- 19** If the total number of participants is 1,000 or more, complete lines (a) through (c)

a Enter the percentage of plan assets held as:

Stock: _____% Investment-Grade Debt: _____% High-Yield Debt: _____% Real Estate: _____% Other: _____%

b Provide the average duration of the combined investment-grade and high-yield debt:

☐ 0-3 years ☐ 3-6 years ☐ 6-9 years ☐ 9-12 years ☐ 12-15 years ☐ 15-18 years ☐ 18-21 years ☐ 21 years or more

c What duration measure was used to calculate line 19(b)?

☐ Effective duration ☐ Macaulay duration ☐ Modified duration ☐ Other (specify): _____

- 20 PBGC missed contribution reporting requirements.** If this is a multiemployer plan or a single-employer plan that is not covered by PBGC, skip line 20.

a Is the amount of unpaid minimum required contributions for all years from Schedule SB (Form 5500) line 40 greater than zero? ☐ Yes ☐ No

b If line 20a is "Yes," has PBGC been notified as required by ERISA sections 4043(c)(5) and/or 303(k)(4)? Check the applicable box:

☐ Yes.

☐ No. Reporting was waived under 29 CFR 4043.25(c)(2) because contributions equal to or exceeding the unpaid minimum required contribution were made by the 30th day after the due date.

☐ No. The 30-day period referenced in 29 CFR 4043.25(c)(2) has not yet ended, and the sponsor intends to make a contribution equal to or exceeding the unpaid minimum required contribution by the 30th day after the due date.

☐ No. Other. Provide explanation _____

Independent Auditor's Report

Participants and Board of Directors
Heilind Electronics, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Heilind Electronics, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Heilind Electronics, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all the employees of Heilind Electronics, Inc. (the "Company" or "Heilind"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was most recently amended effective February 1, 2022 for an amendment and restatement of the adoption agreement. Fidelity Management Trust Company ("Fidelity" or "Trustee") serves as the trustee. An employee of the Company serves as the plan administrator.

Eligibility: All employees of the Company who are not covered by a collective bargaining agreement or who are non-resident aliens who do not receive any earned income from the Company, are eligible to participate in the Plan upon completion of one month of service. Eligible employees are enrolled on the first day of the month, coinciding with the first day of the month following meeting the eligibility requirements. Employees become eligible for an employer matching contribution after satisfying one year of service consisting of at least 1,000 hours. To receive employer matching contributions, eligible employees must be employed by the Company on the last day of the year.

Contributions: For the plan year ended December 31, 2021, participants may elect to contribute up to 60 percent of pretax annual compensation as defined in the plan document, subject to the annual deferral limit defined by the Internal Revenue Code ("IRC"). Employer matching contributions are discretionary and determined by the Company. In 2021, the Company approved the employer matching contribution at a rate of thirty-three and one third percent of each participant's deferral contributions, to the extent that such deferral contributions are not in excess of six percent of the participant's compensation.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contribution and, (b) plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer matching contribution plus actual earnings thereon is based on years of continuous service as follows:

Years of Service	Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
Greater than 6 years	100%

Investment options: Each participant shall direct the investment of their account among a money market fund and a selection of mutual funds. Contributions may be diversified among one or more of the funds in increments of 1%. Participants may also invest in a self-directed brokerage account.

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Notes receivable from participants: The Plan allows participants to take loans subject to certain statutory limits. The Plan permits its participants to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (less the highest outstanding loan balance in the previous 12 months) or 50 percent of their vested account balance. Loan terms range from 1 to 5 years. For the purchase of a primary residence, loan terms range up to 30 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator at the time of the loan. At December 31, 2021, these rates ranged from 3.25% to 9.25% and the loans mature through 2027.

Payment of benefits: The Plan permits withdrawals when a participant terminates employment, retires or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59 ½. On termination of service due to death, disability or retirement, a participant, or the applicable beneficiary, may elect to receive either a lump sum amount, equal to the value of the participant's vested interest in their account, or monthly, quarterly, semi-annual or annual installments over a period of several years, as defined. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Forfeited accounts: Forfeitures represent the non-vested portion of terminated participants' account balances. Forfeitures will occur when a participant terminates employment and is not re-employed before the end of the plan year in which he or she incurs a one-year break in service. Forfeited accounts can be used to reduce future employer contributions or pay administrative expenses of the Plan. During the year ended December 31, 2021, amounts forfeited totaled \$20,290 and forfeitures of \$30,740 were used to offset the employer matching contribution. As of December 31, 2021 and 2020, unallocated forfeiture amounts available were \$17,583 and \$28,033, respectively.

Note 2. Summary of Significant Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Basis of accounting: The financial statements have been prepared on the accrual basis of accounting in accordance with accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets U.S. generally accepted accounting principles ("GAAP") to ensure net assets available for plan benefits and changes in net assets available for plan benefits are consistently reported. References to GAAP issued by the FASB in these footnotes are to the FASB Accounting Standards Codification ("FASB ASC").

Use of estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's realized gains and losses and unrealized gains and losses on those investments.

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent loans are treated as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. As of both December 2021 and 2020, there were no delinquent loans outstanding.

Payments of benefits: Benefits are recorded when paid.

Administrative costs: Certain expenses incurred in the administration of the Plan may be paid by the Company and are excluded from these financial statements. Investment related expenses are allocated to participant accounts pro rata based on the ratio of each participant's balance in each investment.

Excess contributions payable: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions.

Income taxes: GAAP requires Plan management to evaluate tax positions taken by the Plan, and recognize a liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for the years before 2018.

Note 3. Fair Value Measurements

FASB ASC 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 3. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies during the year ended December 31, 2021.

Mutual funds: Mutual funds are valued at quoted prices in active markets. These securities are categorized in Level 1 as they are actively traded, and no valuation adjustments have been applied.

Fidelity brokerage link: Fair value of investments in the Fidelity Brokerage Link includes mutual funds, common stocks, preferred stocks, and money market funds which are determined by quoted prices in active markets. Mutual funds and common stock are categorized in Level 1 as they are actively traded, and no valuation adjustments have been applied.

Money market funds: The fair value of money market funds is determined by valuing its securities at amortized cost. Under the amortized cost method, a security is valued by applying a constant yield to maturity of the difference between the principal amount due at maturity and the cost of the security. These securities are categorized in Level 2. Money market funds are categorized in Level 2 as their value is determined using the amortized cost.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 56,440,182	\$ -	\$ -	\$ 56,440,182
Money market funds	-	2,313,103	-	2,313,103
Brokerage Link	1,503,397	307,247	-	1,810,644
	<u>\$ 57,943,579</u>	<u>\$ 2,620,350</u>	<u>\$ -</u>	<u>\$ 60,563,929</u>

Description	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 48,766,424	\$ -	\$ -	\$ 48,766,424
Money market funds	-	3,746,434	-	3,746,434
Brokerage Link	1,251,820	244,986	-	1,496,806
	<u>\$ 50,018,244</u>	<u>\$ 3,991,420</u>	<u>\$ -</u>	<u>\$ 54,009,664</u>

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 4. Excess Contributions Payable

At December 31, 2021 and 2020, a liability of \$62,132 and \$85,547, respectively, is recorded for amounts to be refunded by the Plan to participants for contributions made in excess of amounts allowed by the IRS.

Note 5. Information Prepared and Certified by Plan's Trustee

The following is a summary of the plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Fidelity and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that information provided to the plan administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information related to the following assets:

	2021	2020
Investments, at fair value	\$ 60,563,929	\$ 54,009,664
Notes receivable from participants	\$ 720,726	\$ 864,838

Fidelity also certified to the completeness and accuracy of \$3,324,738 of net appreciation in fair value of investments, \$4,292,135 of interest and dividends on investments and \$34,300 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2021.

Note 6. Income Tax Status

The Plan adopted a Prototype Non-Standardized 401(k) Profit Sharing Plan and Trust ("Pre-Approved Plan") which received a favorable opinion letter from the IRS on June 30, 2020 which stated, as then designed, that the Pre-Approved Plan is in compliance with applicable sections of the IRC.

Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 8. Party-in-Interest-Transactions

The Plan's investments consist of certain mutual funds, money market funds, and the Fidelity brokerage link managed by Fidelity. Therefore, these transactions qualify as party-in-interest transactions as that term is defined in Section 3(14) of ERISA. The Plan also issues notes receivable from participants which are secured by the balances in the participant's account, and also constitute party-in-interest transactions.

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for plan benefits.

As of December 31, 2021 and 2020, 15% of the Plan's assets are held in the T. Rowe Price Dividend Growth Fund, respectively. As such, this is considered to be a concentration of credit risk.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements as of December 31, 2021 and 2020 to the Form 5500:

	2021	2020
Net assets available for plan benefits per the financial statements	\$ 61,861,490	\$ 55,356,355
Deemed loans reported as notes receivable on financial statements	(20,756)	(11,100)
Excess contributions payable reported on financial statements	62,132	85,547
Employer contributions receivable reported on financial statements	(638,967)	(567,400)
Net assets available for plan benefits per the Form 5500	<u>\$ 61,263,899</u>	<u>\$ 54,863,402</u>

The following is a reconciliation of the net increase in net assets available for plan benefits for the year ended December 31, 2021 per the financial statements to the Form 5500:

Net increase per the financial statements	\$ 6,505,135
Change in deemed loans reported as notes receivable on financial statements	(9,656)
Change in excess contributions payable reported on financial statements	(23,415)
Change in employer contributions receivable reported on financial statements	(71,567)
Net increase per the Form 5500	<u>\$ 6,400,497</u>

Note 11. Subsequent Events

The Plan has performed a review of events subsequent to the statement of net assets through October 12, 2022, the date the financial statements were available to be issued.

The Plan was amended effective February 1, 2022, which removed After-tax contributions and added the option for participants to defer Roth contributions to their accounts.

Independent Auditor's Report

Participants and Board of Directors
Heilind Electronics, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Heilind Electronics, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Heilind Electronics, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all the employees of Heilind Electronics, Inc. (the "Company" or "Heilind"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was most recently amended effective February 1, 2022 for an amendment and restatement of the adoption agreement. Fidelity Management Trust Company ("Fidelity" or "Trustee") serves as the trustee. An employee of the Company serves as the plan administrator.

Eligibility: All employees of the Company who are not covered by a collective bargaining agreement or who are non-resident aliens who do not receive any earned income from the Company, are eligible to participate in the Plan upon completion of one month of service. Eligible employees are enrolled on the first day of the month, coinciding with the first day of the month following meeting the eligibility requirements. Employees become eligible for an employer matching contribution after satisfying one year of service consisting of at least 1,000 hours. To receive employer matching contributions, eligible employees must be employed by the Company on the last day of the year.

Contributions: For the plan year ended December 31, 2021, participants may elect to contribute up to 60 percent of pretax annual compensation as defined in the plan document, subject to the annual deferral limit defined by the Internal Revenue Code ("IRC"). Employer matching contributions are discretionary and determined by the Company. In 2021, the Company approved the employer matching contribution at a rate of thirty-three and one third percent of each participant's deferral contributions, to the extent that such deferral contributions are not in excess of six percent of the participant's compensation.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contribution and, (b) plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer matching contribution plus actual earnings thereon is based on years of continuous service as follows:

Years of Service	Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
Greater than 6 years	100%

Investment options: Each participant shall direct the investment of their account among a money market fund and a selection of mutual funds. Contributions may be diversified among one or more of the funds in increments of 1%. Participants may also invest in a self-directed brokerage account.

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Notes receivable from participants: The Plan allows participants to take loans subject to certain statutory limits. The Plan permits its participants to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (less the highest outstanding loan balance in the previous 12 months) or 50 percent of their vested account balance. Loan terms range from 1 to 5 years. For the purchase of a primary residence, loan terms range up to 30 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator at the time of the loan. At December 31, 2021, these rates ranged from 3.25% to 9.25% and the loans mature through 2027.

Payment of benefits: The Plan permits withdrawals when a participant terminates employment, retires or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59 ½. On termination of service due to death, disability or retirement, a participant, or the applicable beneficiary, may elect to receive either a lump sum amount, equal to the value of the participant's vested interest in their account, or monthly, quarterly, semi-annual or annual installments over a period of several years, as defined. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Forfeited accounts: Forfeitures represent the non-vested portion of terminated participants' account balances. Forfeitures will occur when a participant terminates employment and is not re-employed before the end of the plan year in which he or she incurs a one-year break in service. Forfeited accounts can be used to reduce future employer contributions or pay administrative expenses of the Plan. During the year ended December 31, 2021, amounts forfeited totaled \$20,290 and forfeitures of \$30,740 were used to offset the employer matching contribution. As of December 31, 2021 and 2020, unallocated forfeiture amounts available were \$17,583 and \$28,033, respectively.

Note 2. Summary of Significant Accounting Policies

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Basis of accounting: The financial statements have been prepared on the accrual basis of accounting in accordance with accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets U.S. generally accepted accounting principles ("GAAP") to ensure net assets available for plan benefits and changes in net assets available for plan benefits are consistently reported. References to GAAP issued by the FASB in these footnotes are to the FASB Accounting Standards Codification ("FASB ASC").

Use of estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's realized gains and losses and unrealized gains and losses on those investments.

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent loans are treated as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. As of both December 2021 and 2020, there were no delinquent loans outstanding.

Payments of benefits: Benefits are recorded when paid.

Administrative costs: Certain expenses incurred in the administration of the Plan may be paid by the Company and are excluded from these financial statements. Investment related expenses are allocated to participant accounts pro rata based on the ratio of each participant's balance in each investment.

Excess contributions payable: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions.

Income taxes: GAAP requires Plan management to evaluate tax positions taken by the Plan, and recognize a liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for the years before 2018.

Note 3. Fair Value Measurements

FASB ASC 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 3. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies during the year ended December 31, 2021.

Mutual funds: Mutual funds are valued at quoted prices in active markets. These securities are categorized in Level 1 as they are actively traded, and no valuation adjustments have been applied.

Fidelity brokerage link: Fair value of investments in the Fidelity Brokerage Link includes mutual funds, common stocks, preferred stocks, and money market funds which are determined by quoted prices in active markets. Mutual funds and common stock are categorized in Level 1 as they are actively traded, and no valuation adjustments have been applied.

Money market funds: The fair value of money market funds is determined by valuing its securities at amortized cost. Under the amortized cost method, a security is valued by applying a constant yield to maturity of the difference between the principal amount due at maturity and the cost of the security. These securities are categorized in Level 2. Money market funds are categorized in Level 2 as their value is determined using the amortized cost.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 56,440,182	\$ -	\$ -	\$ 56,440,182
Money market funds	-	2,313,103	-	2,313,103
Brokerage Link	1,503,397	307,247	-	1,810,644
	<u>\$ 57,943,579</u>	<u>\$ 2,620,350</u>	<u>\$ -</u>	<u>\$ 60,563,929</u>

Description	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 48,766,424	\$ -	\$ -	\$ 48,766,424
Money market funds	-	3,746,434	-	3,746,434
Brokerage Link	1,251,820	244,986	-	1,496,806
	<u>\$ 50,018,244</u>	<u>\$ 3,991,420</u>	<u>\$ -</u>	<u>\$ 54,009,664</u>

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 4. Excess Contributions Payable

At December 31, 2021 and 2020, a liability of \$62,132 and \$85,547, respectively, is recorded for amounts to be refunded by the Plan to participants for contributions made in excess of amounts allowed by the IRS.

Note 5. Information Prepared and Certified by Plan's Trustee

The following is a summary of the plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Fidelity and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that information provided to the plan administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information related to the following assets:

	2021	2020
Investments, at fair value	\$ 60,563,929	\$ 54,009,664
Notes receivable from participants	\$ 720,726	\$ 864,838

Fidelity also certified to the completeness and accuracy of \$3,324,738 of net appreciation in fair value of investments, \$4,292,135 of interest and dividends on investments and \$34,300 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2021.

Note 6. Income Tax Status

The Plan adopted a Prototype Non-Standardized 401(k) Profit Sharing Plan and Trust ("Pre-Approved Plan") which received a favorable opinion letter from the IRS on June 30, 2020 which stated, as then designed, that the Pre-Approved Plan is in compliance with applicable sections of the IRC.

Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 8. Party-in-Interest-Transactions

The Plan's investments consist of certain mutual funds, money market funds, and the Fidelity brokerage link managed by Fidelity. Therefore, these transactions qualify as party-in-interest transactions as that term is defined in Section 3(14) of ERISA. The Plan also issues notes receivable from participants which are secured by the balances in the participant's account, and also constitute party-in-interest transactions.

Heilind Electronics, Inc. 401(k) Plan

Notes to Financial Statements

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for plan benefits.

As of December 31, 2021 and 2020, 15% of the Plan's assets are held in the T. Rowe Price Dividend Growth Fund, respectively. As such, this is considered to be a concentration of credit risk.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements as of December 31, 2021 and 2020 to the Form 5500:

	2021	2020
Net assets available for plan benefits per the financial statements	\$ 61,861,490	\$ 55,356,355
Deemed loans reported as notes receivable on financial statements	(20,756)	(11,100)
Excess contributions payable reported on financial statements	62,132	85,547
Employer contributions receivable reported on financial statements	(638,967)	(567,400)
Net assets available for plan benefits per the Form 5500	<u>\$ 61,263,899</u>	<u>\$ 54,863,402</u>

The following is a reconciliation of the net increase in net assets available for plan benefits for the year ended December 31, 2021 per the financial statements to the Form 5500:

Net increase per the financial statements	\$ 6,505,135
Change in deemed loans reported as notes receivable on financial statements	(9,656)
Change in excess contributions payable reported on financial statements	(23,415)
Change in employer contributions receivable reported on financial statements	(71,567)
Net increase per the Form 5500	<u>\$ 6,400,497</u>

Note 11. Subsequent Events

The Plan has performed a review of events subsequent to the statement of net assets through October 12, 2022, the date the financial statements were available to be issued.

The Plan was amended effective February 1, 2022, which removed After-tax contributions and added the option for participants to defer Roth contributions to their accounts.
