INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
CHRISTIAN CHILDREN'S HOME OF OHIO 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Christian Children's Home of Ohio 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Christian Children's Home of Ohio 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the 2021 Audit of the Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent Christian Children's Home of Ohio 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The 2021 financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Christian Children's Home of Ohio 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Christian Children's Home of Ohio 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Christian Children's Home of Ohio 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note B.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules (modified cash basis) listed in the accompanying table of contents as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules (modified cash basis) related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
CHRISTIAN CHILDREN'S HOME OF OHIO 401(K) PLAN

Report on the 2020 Financial Statements

We were engaged to audit the accompanying financial statements of the Christian Children's Home of Ohio 401(k) Plan, which comprise the statements of net assets available for benefits (modified cash basis), as of December 31, 2020, the related statements of changes in net assets available for benefits for the years then ended (modified cash basis), and the related notes to the financial statements.

Management's Responsibility for the 2020 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Audit of the 2020 Financial Statements

Our responsibility is to express an opinion on the December 31, 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion on the 2020 Financial Statements paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2020 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Mid Atlantic Trust Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certifications from the custodian as of and for the year ended December 31, 2020, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion on the 2020 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for our opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the December 31, 2020 financial statements.

Report on Form and Content of the 2020 Financial Statements in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodian, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The 2020 financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

CHRISTIAN CHILDREN'S HOME OF OHIO 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A – DESCRIPTION OF THE PLAN

The following description of the Christian Children's Home of Ohio 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Christian Children's Home of Ohio Inc. (the "Organization") established the Plan effective September 1, 2015 and it was most recently amended and restated on January 1, 2021. The Plan is a contributory tax deferred plan established under section 401(k) of the Internal Revenue code and covers all employees of Christian Children's Home of Ohio Inc. once they have completed a year of service during which they complete at least 1,000 hours of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Organization is the Plan Administrator and is responsible for the day-to-day operation of the Plan. They designate other parties to perform certain duties.

The Plan's Trustees are the President / Chief Executive Officer and the Director of Finance of the Organization.

Contributions

Participants may elect to contribute a portion of their pay each period to the Plan. Participants may contribute the lesser of \$19,500 and \$19,500 for 2021 and 2020, respectively or 75% of their compensation. If a participant reached age 50 in 2021 or 2020, the participant could contribute an additional \$6,500 or \$6,500 to the Plan, respectively. Participants direct the investment of their contributions into various investment options offered by the Plan. These deferred contributions (salary deferrals) are not subject to federal or state income tax when the contribution is made to the Plan, instead they are taxed when paid from the Plan. A participant may also designate contributions as before-tax savings," Roth" after tax savings, or any combination of the two. Employees may revoke their election at any time during the year.

Christian Children's Home of Ohio Inc. elects the matching contributions of each of its participating employees. For year ended December 31, 2021, the discretionary match amount was determined as up to \$1,200. For year ended December 31, 2020, the match amount was up to \$1,200. Roth contributions are also allowable under the plan. Additional profit-sharing amounts may be contributed at the option of the Organization's Board of Directors, which are allocated only to the participants that are employed at the end of the year and that have completed at least 1,000 hours of service. The Organization withholds and remits to the trustee semi-monthly contributions in an amount equal to the participant's eligible earnings multiplied by the contribution rate or fixed elective deferral rate applicable to each participant and the organization's contribution.

NOTE A – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and (a) the Organization's matching contribution, (b) investment earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the organization contributions portion of their accounts plus earnings thereon is based on service. A participant is 100% immediately vested upon becoming eligible under the plan.

Investment Options

Upon participation in the Plan, a participant may direct contributions in one or more of the investment funds provided under the Plan. Separate accounts are maintained for elective contributions, matching contributions and discretionary contributions. Participants may change their investment options at their own discretion.

Participant Loans

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Participants may borrow from their vested portion of fund accounts, a minimum of \$1,000 and a maximum of the lesser of \$50,000 or the greater of \$10,000 or 50% of the participant account balance. Outstanding loans and loans approved in a 12-month period are limited to one. The loans are secured by the balance in the participant's account and bear interest at prime plus 2%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Loan repayments will not exceed 5 years. Principal and interest are paid ratably through monthly payroll deductions. Related loan fees are recorded as administrative expenses and rare expenses when they are incurred.

Payment of Benefits

On termination of service due to disability, retirement, or other reason, a participant (or their designated beneficiary) elects to receive benefits under the various options described in the plan documents including lump-sum payment, direct rollover options, partial distributions or a series of installment payments. amount equal to the value of the participant's vested interest in his or her account. If any portion of the participant's vested benefit is attributable to Roth elective deferrals or

Payment of Benefits (continued)

Roth rollover contributions that portion may only be rolled over to a similarly designated Roth IRA or a retirement plan accommodates Roth accounts.

Benefits are recorded when paid. If the participant's vested account balance is \$5,000 or less, then it may only be paid out in a single lump sum payment. If it is over \$5,000, it may be paid in a single lump sum payment, or in installments over a period of not more than the participants life expectancy, or in partial withdrawals of at least \$1,000.

Hardship Distribution

Under certain circumstances, a participant may qualify for certain hardship distributions if a participant has an immediate and significant financial need, subject to certain usage requirement and other conditions.

Forfeited Accounts

At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$-0- for both years. These accounts will be used to reduce future employer contributions. No amounts of forfeitures were utilized to offset employer contributions for either year ended December 31, 2021 or 2020.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The financial statements of the Plan have been prepared using the modified cash basis method of accounting.

Estimates

The preparation of financial statements on the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (measured by quoted market prices in active markets) as determined by the Plan custodian. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. See note E for further investment disclosures.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contribution Revenue

The Plan recognizes and records contributions at the time payment is received. Contributions under generally accepted accounting principles are recognized as a legal obligation to contribute when incurred.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses and Expense Recognition

Trustee fees and investment advisor fees are generally paid by the Plan, while the Organization pays other costs of administering the Plan. Certain administrative and clerical functions are performed by Organization employees at no charge to the Plan. Plan expenses are recognized and recorded at the time that payment is made. Expenses under generally accepted accounting principles are recognized as they are incurred.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, Christian Children's Home of Ohio Inc., has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE D – INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to be complete and accurate by the custodian.

	<u>2021</u>	<u>2020</u>
Cash	\$ 13,618	\$ 2

NOTE E – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted

NOTE E – FAIR VALUE MEASUREMENTS (Continued)

prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- a. Quoted prices for similar assets or liabilities in active markets
 - b. Quoted prices for identical or similar assets or liabilities in inactive markets
 - c. Inputs other than quoted prices that are observable for the asset or liability
 - d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Mutual Funds: Valued at closing price reported on the active market in which the individual securities are traded.

The following table set forth by level, within the fair value hierarchy, the Plans; assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

CHRISTIAN CHILDREN'S HOME OF OHIO 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE F – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of mutual funds. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

In December 2019, a novel strain of coronavirus was reported in Wuhan, China. The World Health Organization has declared the outbreak to constitute a "Public Health Emergency of International Concern." The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of COVID-19 on the Plan and the Plan Sponsor's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on customers, employees and vendors all of which are uncertain and cannot be predicted. There has been no immediate impact to the plan's net assets. Future potential impacts may include decline in market value, disruptions or restrictions on employees' ability to work or the employers' ability to pay required monthly contributions. Changes to the administrative environment may increase operating costs. The future effects of these issues are unknown.

NOTE G – TAX STATUS

The Plan was completely amended and restated effective January 1, 2018 and January 1, 2021 through the adoption of a prototype plan provided through Summit Benefit Solutions, Inc and July Business Services, respectively. A copy of the IRS determination letters (dated March 31, 2014, and June 30, 2020) on the prototype plan was provided to the Plan administrator. The Plan administrator believes that the Plan was designed and was being operated in compliance with applicable provisions of the IRC.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

NOTE H – PARTY-IN-INTEREST

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services for the Plan, and employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent of more of such employer or employee association, or relatives of such person. The Plan invests in

NOTE H – PARTY-IN-INTEREST (Continued)

certain funds of the Plan Service Provider. The plan also maintains a cash account that is held by the Plan Service Provider. Mid Atlantic Trust Company, Summit Benefit Solutions and July Business Services are the service providers.

Administrative expenses paid to July Business Services for contract administration amounted to \$7,637 for 2021. Administrative expenses paid to Summit Benefit Solutions for contract administration amounted to \$5,098 for 2020.

Certain administration functions are performed by officers and employees of the Organization (who also may be participants in the Plan) at no cost to the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by the statutory or administrative exceptions from the Internal Revenue Code's and ERISA's rules on prohibited transactions.

NOTE I – SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 12, 2022, the date on which the financial statements were available to be issued. No additional events occurred that would require adjustments to, or disclosures in the financial statements.
