INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor,
401(k) Profit Sharing Plan for DISC Village, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the December 2021 Financial Statements

We have performed an audit of the financial statements of 401(k) Profit Sharing Plan for DISC Village, Inc. (the Plan) Disc Village 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the six-month period then ended, and the related notes to the financial statements (December 2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the December 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the December 2021 Financial Statements section:

- The amounts and disclosures in the accompanying December 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying December 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the December 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the December 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As reflected in Note 10 of the financial statements, effective July 1, 2021, the Plan changed its plan year end from June 30 to December 31. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the December 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the December 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the December 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the December 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

December 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of period) as of December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the June 2021 Financial Statements

We were engaged to audit the June 30, 2021 financial statements of Disc Village 401K Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 25, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the June 30, 2021 financial statements, and (b) the form and content of the information included in the June 30, 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**401(K) PROFIT SHARING PLAN
FOR DISC VILLAGE, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND JUNE 30, 2021**

(1) Description of Plan:

The following description of the 401(k) Profit Sharing Plan for DISC Village, Inc. (the “Plan”), as amended, provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

(a) **General**—The Plan is a defined contribution plan covering all eligible regular employees of DISC Village, Inc., Woodville Property, Inc. and DISC Village Foundation (the “Employer”). These entities are related by common control and the plan is considered a single-employer plan under DOL rules. All employees except leased employees are eligible to participate in the Plan by electing salary reduction contributions. Employees who have attained age 21 and completed one period of service are eligible to receive employer matching contributions. The Plan was established January 1, 2000, by DISC Village, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

(b) **Contributions**—Each period, participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan, to a maximum amount allowed by law. Participants who have attained the age of 50 before the end of the plan period are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Employer makes a matching contribution to the Plan of up to 1% of compensation for employees with more than one and less than two periods of service, up to 4% of compensation for employees with more than two and less than three periods of service and up to 7% of compensation for employees with more than three periods of service. The Employer may also make a discretionary profit-sharing contribution. For the period ended December 31, 2021, the employer made matching contributions to the Plan of \$84,983. There were no discretionary profit-sharing contributions for the period ended December 31, 2021. Participants direct their voluntary contributions and any employer contributions into various investment options offered by the Plan.

(c) **Participant accounts**—Each participant’s account is credited with an allocation of (a) the Employer’s contribution, (b) plan earnings, and (c) charged with an allocation of investment advisory and management fees. Contribution allocations are based on the participant compensation levels, while earnings allocations are based on participant account balances. The Employer currently offers 37 pooled separate accounts, one money market fund, and one guaranteed interest account as investment options for participants. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

(d) **Vesting**—Participants are vested immediately in their contributions plus actual earnings thereon. A participant is vested in the employer matching contributions and discretionary profit sharing based on periods of continuous service. A participant is 100% vested after five periods of credited service. Participants become immediately 100% vested in the Employer’s contribution portion of their accounts upon death or disability.

(e) **Notes receivable from participants**—Participants may borrow from their account balance a minimum of \$1,000 up to the lesser of 50% of their vested account balance under the Plan or \$50,000. The notes are secured by the balance in the participant’s account and bear interest at rates ranging from 4.25% to 6.50%, with terms ranging from one to five periods. Principal and interest is paid ratably through bi-weekly payroll deductions.

(1) **Description of Plan:** (Continued)

(f) **Payment of benefits**—Upon termination of service, retirement, disability, or death, participants may receive a distribution equal to their vested account balance. Distributions may be paid in the form of a single lump-sum payment in cash or if the value of the participant's account is greater than \$5,000 in certain monthly, quarterly, semiannual or annual installments.

(g) **Administrative expenses**—The Plan permits payment of administrative expenses to be made from the Plan's assets and for them to be allocated either proportionately based on the value of account balances or as an equal dollar amount based on the number of participants in the Plan. However, certain operating expenses of the Plan, such as audit fees, are paid by the Employer. Plan administration and investment management fees reduce the participants' account balances. Expenses relating to specific participant transactions (i.e., loan setup, distribution request, etc.) are charged directly against the appropriate participant's account.

(h) **Forfeitures**—At December 31, 2021 and June 30, 2021, forfeited non-vested accounts totaled \$9,041 and \$5,695, respectively. These accounts will be used to reduce future employer contributions. For the six months ended December 31, 2021, administrative expenses were reduced by \$3,347 of forfeited non-vested accounts.

(2) **Summary of Significant Accounting Policies:**

(a) **Basis of accounting**—The financial statements of the Plan are prepared under the accrual method of accounting.

(b) **Investment valuation and income recognition**—The Plan's investments are stated at fair value, including the guaranteed interest accounts which are not fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Interest income and dividends are recorded when paid. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the period.

(c) **Notes receivable from participants**—Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

(d) **Payment of benefits**—Benefits are recorded when paid.

(e) **Use of estimates**—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

(f) **Subsequent events**—The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through September 20, 2022, the date the financial statements were available to be issued. Effective January 1, 2022, the Plan accelerated the employer matching contribution percentage to 7% upon meeting the one year of service (or 1,000 hour) requirement for eligible participants.

FOR DISC VILLAGE, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND JUNE 30, 2021**

(3) Information Certified by the Trustee:

All investment and notes receivable information disclosed in the accompanying financial statements and supplemental schedule of assets held at period end, including investments and participant loans held at December 31, 2021 and June 30, 2021, and the net appreciation in fair value of investments for the period ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance Company, the trustee of the Plan.

(4) Investments and Fair Value Measurements:

The fair value measurement accounting literature provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted market prices for similar assets or liabilities in active markets, (2) quoted prices for identical or similar assets or liabilities in inactive markets, (3) inputs other than quoted prices that are observable for the asset or liability, and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and June 30, 2021.

Pooled separate accounts—Valued at fair value of units held by the plan at the year end. Fair value is determined by the issuer and is valued daily using publicly available quoted market prices match the current underlying investment holdings of the account.

Guaranteed interest accounts—Valued at NAV of shares held by the plan at period end. The NAV, as provided by the trustee, is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

(4) Investments and Fair Value Measurements: (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize the assets and liabilities of the Plan for which fair values are determined by level within the hierarchy:

Description	Quoted Prices (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
December 31, 2021:				
Pooled separate accounts	\$ 4,803,953	\$ -	\$ -	\$ 4,803,953
Total assets in fair value hierarchy	<u>\$ 4,803,953</u>	<u>\$ -</u>	<u>\$ -</u>	4,803,953
Investments measured at net asset value*:				
Guaranteed interest account				45,227
Total assets at fair value				<u>\$ 4,849,180</u>
June 30, 2021:				
Pooled separate accounts	\$ 4,686,623	\$ -	\$ -	\$ 4,686,623
Total assets in fair value hierarchy	<u>\$ 4,686,623</u>	<u>\$ -</u>	<u>\$ -</u>	4,686,623
Investments measured at net asset value*:				
Guaranteed interest account				45,043
Total assets at fair value				<u>\$ 4,731,666</u>

* In accordance with subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the period ended December 31, 2021 and year ended June 30, 2021, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

(4) Investments and Fair Value Measurements: (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share as practical expedient as of December 31, 2021 and June 30, 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
December 31, 2021:				
Guaranteed interest account	\$ 45,227	N/A	Daily	12 months
June 30, 2021:				
Guaranteed interest account	\$ 45,043	N/A	Daily	12 months

Investment earnings for amounts held in registered investment companies reflect a combination of interest income, dividend income, realized gains and losses and unrealized gains and losses depending on the composition of the underlying investments. Contributions made by the Employer shall be applied or invested in accordance with participant directed allocations.

(5) Plan Termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to permanently discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(6) Income Tax Status:

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's income tax returns for the past three periods are subject to examination by tax authorities, and may change upon examination.

(7) Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(8) Party-in-Interest Transactions:

John Hancock Life Insurance Company is the trustee as defined by the Plan and Retirement Solutions Specialists provides administrative services to the Plan, and, therefore, transactions with these parties qualify as party-in-interest transactions of the Plan. Certain Plan investments are shares of pooled separate accounts that are managed by John Hancock Life Insurance Company. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Employer pays directly any other fees related to the Plan's operations.

Effective July 1, 2021, the Plan Sponsor changed the third-party administrator (TPA) from BDO USA, LLP to Retirement Solutions Specialists. As TPA, Retirement Solutions Specialists provides administrative services to the Plan, including but not limited to preparation of the Form 5500.

(9) Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements for the year ended June 30, 2021 to Schedule H of Form 5500:

Net assets available for benefits per the financial statements	\$ 4,882,067
Total corrective distribution payable	7,541
Net assets available for benefits per the Form 5500	<u>\$ 4,889,608</u>

The following is a reconciliation of participant contributions per the financial statements for the period ended December 31, 2021, to Form 5500:

Total participant contributions per the financial statements	\$ 121,347
Total corrective distribution payable at December 31, 2021	1,598
Total participant contributions per the Form 5500	<u>\$ 122,945</u>

(10) Plan Year Change:

Effective July 1, 2021, the Plan changed its plan year end from June 30 to December 31. Accordingly, the Plan period under audit was July 1, 2021 through December 31, 2021. The Plan will begin operating under a full plan year with the new calendar year end beginning January 1, 2022.
