FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Western Regions NECA 401(k) Plan
1715 North Atlantic Street
Spokane, Washington 99205

Members of the Board:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed audit of the accompanying financial statements of Western Regions NECA 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2021 and delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WESTERN REGIONS NECA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The Western Regions NECA 401(k) Plan (the "Plan"), established on September 1, 1999, is an individual account defined contribution retirement plan that allows participants to make voluntary employee contributions through pre-tax wage deferrals. The Board of Trustees was created to administer the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. Participation

Any employee of an employer who has executed an adoption agreement with the Plan and any employee or a former employee who has not incurred a break in service and has an accrued benefit under the Plan which has not been distributed or forfeited may participate in the Plan on the first day of employment.

B. Distributions and Withdrawals

Benefits are payable upon termination, disability, death or retirement. Additionally, any employee who participates beyond age 70½ will commence receipt of his or her accrued benefits no later than April 1st of the calendar year following the plan year in which he or she attains age 70½ if the participant is not a 5% owner of a contributing employer. Financial hardships, as defined by the Plan, are also allowed.

C. Vesting

Participants are 100% vested as to voluntary contributions, rollovers, and related earnings. A participant's interest in employer contributions is subject to the vesting schedule in each employer's adoption agreement.

D. Contributions

Participants may contribute up to 100% of their pre-tax annual compensation, as defined in the Plan, and/or Roth after tax contributions, subject to Internal Revenue Code limitations. Employer contributions are based on the terms in employer's adoption agreement. Catch-up contributions are permitted.

E. Notes Receivable from Participants

Loans are available to all participants on a reasonably equivalent basis. Only one loan can be outstanding at any time. The maximum loan amount shall be equal to the lesser of \$50,000 or 50% of the participant's vested account balance, with a minimum loan of \$1,000. The loan period is for a maximum of 5 years, or 30 years if the loan is used to purchase the participant's primary residence. The interest rate is fixed and will be equal to the prime rate plus 2%.

F. Administrative Expenses and Fees

Administrative expenses and fees are paid directly out of participant's account balances. Each account is charged a pro-rata share of operating expenses. The Plan pays the plan administrator fifteen basis points in accordance with the administrative agreement.

WESTERN REGIONS NECA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

G. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, employer contributions and an allocation of Plan earnings or losses and expenses. Plan assets are invested among Plan Investment options based on participant instructions.

H. Forfeitures

Included in Plan assets is \$26,684 of available forfeitures as of December 31, 2021. During 2021, forfeitures totaled \$31,742; \$14,818 and \$1,693 of forfeitures were used to reduce employer contributions/reallocated and pay Plan expenses, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Payments of Benefits

Benefits are recorded when paid.

D. Risks and Uncertainties

The Plan provides investment options in any combination of investments offered by the Plan. Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting guidance on measuring fair value establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth Plan investments measured at fair value based on the inputs used to value them at December 31:

	2021			Total
	Level 1	Level 2	Level 3	
Common Stock	\$ 6,135	\$ -	\$ -	\$ 6,135
Pooled Separate Accounts Measured at NAV ^A				39,311,645
				<u>\$ 39,317,780</u>

	2020			Total
	Level 1	Level 2	Level 3	
Common Stock	\$ 6,135	\$ -	\$ -	\$ 6,135
Pooled Separate Accounts Measured at NAV ^A				27,501,149
				<u>\$ 27,507,284</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The common stock is valued at closing market price reported on the active market on which the individual security is traded. The pooled separate accounts are valued at net asset value (NAV). Shares of the pooled separate accounts may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares of the pooled separate accounts. Each investment has its own investment strategy.

Earnings includes interest, dividends and net appreciation (depreciation) of investments, including gains and losses on investments bought and sold as well as held during the year.

NOTE 4 - STABLE VALUE FUND

Assets in the stable value account are reported at contract value, commingled with assets in a general account, and there is no specific portfolio of assets in which the stable value account invests. There are no participant redemption restrictions for this investment. The credited interest rate is backed by the income received from assets held in the general account. The crediting rate is based on a formula established by Transamerica Financial Life Insurance Company and the risk of investment is based on their insurance ratings. There is no stated minimum or maximum interest rate. The stable value account investment objective is a stable return and safety of principal. The effective credited interest rate is set semi-annually and effective on the first day of the semi-annual period. The credited interest rate in 2021 and 2020 was 1.45% and 1.55%, respectively.

NOTE 5 - INCOME TAX STATUS

The Plan obtained its latest determination letter dated May 1, 2014, in which the Internal Revenue Service stated that the Plan, as then designed was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator and Plan counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2021 and 2020 and investment income for the years then ended that is disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Transamerica Financial Life Insurance Company Inc., the custodian of the Plan.

NOTE 7 - PLAN TERMINATION

Although there is no intent to terminate the Plan, the Board of Trustees has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all account balances shall be nonforfeitable.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in a stable value account and pooled separate accounts managed by Transamerica Financial Life Insurance Company or one of its affiliates. Transamerica Financial Life Insurance Company is the custodian, as defined by the Plan and therefore, these transactions qualify as exempt party-in-interest transactions.

NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2021, various contributing employers remitted some participant contributions and loan repayments after the time limits established by the Department of Labor. Failure to remit or untimely remittance of participant contributions constitutes a prohibited transaction under Department of Labor regulations. Late contributions and loan repayments totaled \$10,826.

NOTE 10 - EXPENSE BUDGET ACCOUNT

The Expense Budget Account (EBA) revenue sharing income is generated from investments offered by the Plan. EBA revenue is credited on a regular basis. EBA funds are excluded from Plan assets. Funds are invested in the General Account of the insurance carrier and are used to offset Plan expenses. The EBA balance as of December 31, 2021 and 2020 is \$105,890 and \$61,620, respectively.
