INDEPENDENT AUDITOR'S REPORT

October 12, 2022

To the Retirement Plan Oversight Committee of the
Elmira College Defined Contribution Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Elmira College Defined Contribution Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Elmira College Defined Contribution Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Elmira College Defined Contribution Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Elmira College Defined Contribution Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Elmira College Defined Contribution Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Elmira College Defined Contribution Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Elmira College Defined Contribution Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 10, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ELMIRA COLLEGE DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following brief description of the Elmira College Defined Contribution Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to all employees of Elmira College (the College) who meet certain eligibility requirements. The Plan is administered by the Retirement Plan Oversight Committee appointed by the Board of Trustees of the College. Teachers Insurance and Annuity Association (TIAA) is an insurance company and the recordkeeper of the Plan. College Retirement Equities Fund (CREF) is also an insurance company of the Plan. TIAA, FSB is the directed custodian of certain assets of the Plan recordkept by TIAA. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees, except student employees, are eligible to begin salary deferrals on the first day of the first payroll period that begins on or follows the date the employee first performs one hour of service for the College pursuant to a properly completed and valid salary deferral agreement entered into by the employee.

Contributions

Active participants may make voluntary pre-tax contributions in the form of salary reductions and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the Internal Revenue Code (IRC) under Section 403(b).

Provided that the participant has made the required deferral of 5% of gross wages and does not earn gross wages greater than \$120,000, the College makes matching contributions to the Plan up to maximum amounts as follows:

Executive and Faculty

<u>Participant's Eligible Earnings and Age</u>	<u>College Contribution as a Percent of Eligible Earnings</u>
Age 24 and older, no minimum service requirement up to the Social Security Taxable Wage Base	10%

Administrative Staff

<u>Participant's Completed Years of Service and Age</u>	<u>College Contribution as a Percent of Eligible Earnings</u>
Less than one year of service or less than age 24	0%
Less than 10 years of service	5%
More than 10 years of service	10%

1. DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Hourly Staff	
<u>Participant's Completed Years of Service and Age</u>	<u>College Contribution as a Percent of Eligible Earnings</u>
Less than one year of service or less than age 24	0%
Age 24 and more than one year of service	5%

If a participant is described in more than one of the above categories, the College shall contribute based on the greatest applicable percentage of eligible earnings.

Effective July 1, 2022, the Plan was formally amended to include Adjunct faculty as eligible participants. The Plan was also amended for Administrative or Executive employees to include a years of service requirement as well as a minimum age requirement to be eligible for the 10% match.

Participant Accounts

Each participant's account is credited with the participant's contribution, the College's contributions, and an allocation of Plan earnings/losses on all contributions and an allocation of administrative expenses. Allocations of Plan earnings/losses and administrative expenses are based on participant account balances according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their account balance, which includes voluntary contributions, College contributions and actual earnings/losses thereon.

Plan Loans

Plan loans are issued directly from the funds owned by TIAA and CREF and are not issued from a participant's account. Accordingly, these loans are not presented as part of the plan assets in the accompanying statements of net assets available for benefits. An adequate portion of the participant's account is reserved, or held in collateral, to cover 110% of the outstanding loan in case of default. Interest rates on plan loans range from 4.00% to 4.36%. As of December 31, 2021 and 2020, total plan loans were \$43,612 and \$68,140 respectively. There were no plan loans in default.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their account a minimum of \$1,000 up to a maximum loan equal to the lesser of \$50,000 or 50% of their vested account. A participant may not have more than three loans outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at a rate as defined by the Plan document. Loans must be repaid over a maximum term of 5 years for personal loans and 10 years for the purchase of a participant's primary residence. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Vested funds are paid to participants when they retire or terminate employment with the College. Benefits may be paid out in a single lump sum or in periodic installments over a period that is not greater than or equal to the life expectancy of the participant.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's account. All hardship withdrawals must comply with the Internal Revenue Service (IRS) rules relating to hardships, which are uniformly applicable to all participants.

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investments

The Plan invests in registered investment companies, pooled separate accounts, and fixed annuity contracts. Registered investment companies, pooled separate accounts and non benefit-responsive fixed annuity contracts are reported at fair value. Fully benefit-responsive annuity contracts are stated at contract value, as this is the amount the participants would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant-directed.

Annuity Contracts

The Plan utilizes Retirement Annuity (RA) contracts with TIAA, which are included in the non benefit-responsive fixed annuity contracts in the statements of net assets available for benefits. TIAA maintains plan contributions in separate accounts. Under RA contract terms, lump-sum withdrawals are not available. All withdrawals and transfers from the account must be spread over 10 annual installments (over 5 years for withdrawals after termination of employment).

The Plan has fully benefit-responsive fixed annuity contracts. TIAA maintains the Plan contributions in separate accounts. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The accounts are credited with contributions and earnings on the underlying investments and are charged for Plan withdrawals. Earnings on the underlying investments are guaranteed by TIAA at a rate of 3%.

Fair Value Measurement - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's estimate about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement - Definition and Hierarchy (Continued)

- Level 1 - Valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level (with 3 being the lowest) of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Registered investment companies: Include money market and mutual funds at the net asset value of shares held at year end based on quoted prices in active markets. Included in registered investment companies are variable annuity contracts, which are valued at year end based on quoted prices in active markets.

Pooled separate accounts: A separate account of TIAA and CREF invested in real estate properties and real estate related investments that are valued based on external property appraisals and using values obtained from independent pricing sources. Unit values are calculated daily.

Non benefit-responsive fixed annuity contracts: Value is calculated based on discounted cash flows using risk-adjusted discount rates or value is based on a theoretical transfer model, which assumes that contributions into annuity contracts are deemed to be between a willing buyer and a willing seller, and therefore, establish a market.

There were no changes in valuation methodologies used during 2021 and 2020. See footnote 5 for further discussion of valuation methodologies.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, currency and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Substantially all administrative expenses associated with the Plan are paid by participants. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net investment income. Management fees and operating expenses for the years ended December 31, 2021 and 2020 were \$259,691 and \$256,427, respectively.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. COVID-19

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic. The global pandemic caused by the virus disrupted world-wide economic activity.

In April 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, in April 2020, the Plan adopted the loan and loan deferral provisions of the CARES Act. A CARES Act loan allows Plan participants to take a COVID-19 related loan from the Plan up to the lesser of \$100,000 or 100% of their vested account balance beginning on or after March 27, 2020 and before September 23, 2020. The loan deferral provisions allowed Plan participants to defer payments on current and new loans through December 31, 2020. Most of the provisions of the CARES Act expired on December 31, 2020. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

As of the date of issuance of these financial statements, the COVID-19 pandemic continues. The overall short-term and long-term consequences of COVID-19 on a national, regional, and local level are unknown, but there is the potential of a noteworthy negative economic impact. The impact of this situation on the Plan Sponsor, the Plan, and its future results and financial position is not presently determinable.

4. CERTIFIED INFORMATION

5. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Non benefit-responsive				
fixed annuity contracts	\$ -	\$ -	\$19,138,981	\$19,138,981

	<u>\$44,102,412</u>	<u>\$ -</u>	<u>\$19,138,981</u>	<u>\$63,241,393</u>

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Non benefit-responsive				
fixed annuity contracts	\$ -	\$ -	\$19,280,814	\$19,280,814
Pooled separate accounts	2,215,687	-	-	2,215,687
Registered investment companies	<u>37,179,269</u>	<u>-</u>	<u>-</u>	<u>37,179,269</u>
	<u>\$39,394,956</u>	<u>\$ -</u>	<u>\$19,280,814</u>	<u>\$58,675,770</u>

During the year ended December 31, 2021 and 2020, investments classified as Level 3 within the fair value hierarchy totaling \$821,612 and \$957,237, respectively, were purchased.

5. FAIR VALUE MEASUREMENTS (Continued)

The following table presents information about significant unobservable inputs related to the Plan's investment in assets categorized as Level 3 in the ASC 820 fair value hierarchy at December 31:

<u>Type</u>	<u>2021 Fair Value</u>	<u>2020 Fair Value</u>	<u>Valuation Technique</u>	<u>Significant Unobservable Inputs</u>	<u>Range</u>
TIAA Traditional non benefit- responsive fixed annuity contracts	\$ 41,563,940	\$ 37,179,269	Discounted cash flow and theoretical transfer (exit value)	Risk-adjusted discount rate applied *	RA - 3.00%-3.80%

* Unobservable inputs include discount rate applied.

The plan administrator assesses the fair value measurement policies and procedures applied by TIAA on a continuing basis. Periodically, the plan administrator, with assistance from an independent third-party, determines if the current valuation techniques used in the fair value measurements are still appropriate.

6. PARTY-IN-INTEREST TRANSACTIONS

TIAA and CREF are the insurance companies and issuers of the annuity contracts of the Plan. TIAA, FSB is a directed custodian of certain assets of the Plan recordkept by TIAA. As such, transactions between TIAA and CREF and TIAA, FSB, and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

7. TAX STATUS

The Plan is exempt from federal income tax under Section 403(b) of the Internal Revenue Code. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its tax exemption. The Plan's administrator and legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the College has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would remain 100% vested in their accounts.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2021 and 2020.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 12, 2022, which is the date the financial statements were available to be issued.
