## Independent Auditors' Report

Plan Administrator and plan participants  
Function of Beauty 401 (k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Function of Beauty 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended and the related notes to the financial statements (modified cash basis) (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Function of Beauty 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter- Basis of Accounting***

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Function of Beauty 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Function of Beauty 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Function of Beauty 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

FUNCTION OF BEAUTY 401(k) PLAN  
NOTES TO THE FINANCIAL STATEMENTS  
(MODIFIED CASH BASIS)  
YEAR ENDED DECEMBER 31, 2021  
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

NOTE 1    Description of plan

The following description of Function of Beauty 401(k) Plan (the "Plan"), provides only general information. Participants should refer to the Plan document and Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Function Inc. (the "Company") who have completed six months of service and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Administrator oversees governance of the Plan, and determines the appropriateness of the Plan's investments and monitors investment performance.

Contributions

Each year, participants may contribute a percentage of their annual compensation, as defined in the Plan, but not more than the statutory maximum. Participants who attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision for all newly hired participants unless they elect otherwise. Automatically enrolled participants have their deferral rate set at one percent of eligible compensation and their contributions invested in a qualified default investment alternative until changed by the participant. The Company may make matching contributions equal to 100% of participant's salary deferral that do not exceed 3% of the participant's compensation plus 50% of your salary deferrals between 3% and 5% of your compensation. The Company may also make profit sharing contributions equal to a discretionary dollar amount to be determined by the Company. The Company did not make any profit-sharing contributions to the Plan during 2021. Plan contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, rollovers and company matching contributions and an allocation of (a) the Company's profit-sharing contribution, if any, (b) plan earnings (losses) and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Vesting

Participants are immediately vested in their voluntary and company contributions plus actual earnings thereon.

NOTES TO THE FINANCIAL STATEMENTS  
(MODIFIED CASH BASIS)  
YEAR ENDED DECEMBER 31, 2021  
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

Payment of benefits

Withdrawals are allowed under the following circumstances:

(a) termination of employment, (b) retirement, (c) attainment of age 59 ½, (d) disability, and (e) death. Distributions under the Plan are payable at the election of participants (or their beneficiaries in the case of death during active employment) in lump-sum withdrawals.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus one percent when the borrowing was made. Principal and interest is paid ratably through payroll deductions.

NOTE 2 Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles in the United States of America, and is an acceptable method of reporting under Department of Labor ("DOL") Regulations. The modified cash basis of accounting utilizes the cash basis of accounting while carrying investments at fair value.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the modified cash basis as described above. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## FUNCTION OF BEAUTY 401(k) PLAN

### NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS)

YEAR ENDED DECEMBER 31, 2021  
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

#### Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal. Interest income is recorded as received. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

#### Payment of benefits

Benefits are recorded when paid.

#### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

#### NOTE 3 Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

## FUNCTION OF BEAUTY 401(k) PLAN

### NOTES TO THE FINANCIAL STATEMENTS (MODIFIED CASH BASIS) YEAR ENDED DECEMBER 31, 2021 (WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. They are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price and are deemed to be actively traded.

Money market: The Plan's fair value for the money market fund is valued at the quoted NAV of shares held by the Plan at year end.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. As required by FASB ASC 820, assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement:

| Investment Assets at Fair Value as of December 31, 2021 |                     |             |             |                     |

### NOTE 4 Related party and party in interest transactions

Certain Plan investments are managed by Benefit Trust Company. Benefit Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan also issues notes receivable to participants, which are secured by the balances in the participant's accounts. These transactions qualify as party in interest transactions.

The aforementioned custodian provided certain administrative services to the Plan pursuant to service agreements between the Company and the custodian and the custodian's respective agents. The custodian received revenue from mutual fund service providers for services the custodian provided to the funds. This revenue was used to offset certain amounts owed to the custodian for their administrative services to the Plan. These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

### NOTE 5 Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

### NOTE 6 Tax status

The Plan operates under a prototype standardized profit-sharing plan with a cash or deferral arrangement, which received an opinion letter dated March 31, 2014 from the Internal Revenue Service ("IRS") indicating this prototype plan was an acceptable plan under applicable sections of the Internal Revenue Code ("IRC") for use of employers for the benefit of their employees. An employer who adopts this plan will be considered to have a plan qualified under Code Section (a), providing all the terms of the Plan are followed and the eligibility requirements and contribution or benefit provisions are not more favorable to officers, owners or highly compensated employees than for other employees. The Plan does not have its own determination letter. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

## FUNCTION OF BEAUTY 401(k) PLAN

### NOTES TO THE FINANCIAL STATEMENTS

(MODIFIED CASH BASIS)

YEAR ENDED DECEMBER 31, 2021

(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

Plan management evaluates tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### NOTE 7 Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Management continues to evaluate the impact of COVID-19 pandemic and has concluded that while it is reasonably possible that the virus could have a negative effect on the Company's financial position and results of its operations and Plan investments, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

#### NOTE 8 Information certified by the custodian

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020 and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Benefit Trust Company, the custodian of the Plan.

#### NOTE 9 Delinquent participant contributions

During 2021, the Company identified several instances where participant contributions and loan repayments were not remitted timely to the Plan and in violation of DOL regulations. These delinquent contributions and loan repayments amounted to \$13,084 for 2021. The contributions for lost earnings on these 2021 deferrals and loan repayments were made during 2021.

#### NOTE 10 Subsequent events

The Plan has evaluated subsequent events through October 14, 2022, the date which the financial statements were available to be issued.
