INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Architectural Window 401(k) Profit Sharing Plan & Trust

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Architectural Window 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and December 31, 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental Schedule H, line 4i - assets (held at end of year) and Schedule H, line 4a - delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of Architectural Window 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan established on January 1, 1998, covering eligible employees of Architectural Window Manufacturing Corporation (the "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid-Atlantic Trust Company (the "former Trustee") served as the trustee for the Plan year ending December 31, 2020. Effective January 1, 2021, the Plan entered into a Trust Agreement with Reliance Trust Company (the "Trustee"). Management amended and restated the Plan document and adopted a prototype plan document sponsored by Reliance Trust Company. In conjunction with the restatement, Reliance Trust Company has been appointed the Plan's new trustee, and all of the investment assets and participant accounts were transferred to them.

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") (see Note 10) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"). These laws permit the Plan to (a) allow certain eligible individuals to receive coronavirus-related relief for loan repayment, (b) suspend required minimum distributions for 2020, and (c) delay the commencement date for required minimum distributions from age 70-1/2 to age 72 beginning January 1, 2020. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

Eligibility

Employees of the Sponsor are eligible to participate on the first day of the Plan year or the first day of the seventh month of the Plan year upon meeting all of the following requirements:

- Attaining 21 years of age;
- 12 months of consecutive service;
- 1,000 hours of service; and
- Not covered under a collective bargaining agreement that includes paid retirement benefits which were the subject of good faith bargaining, as defined.

Contributions

Participants may direct the Sponsor to deposit an amount directly into their 401(k) plan accounts on a before-tax basis not to exceed 12% of the participant's compensation for the year. The amount deferred in any calendar year may not exceed the limits specified under Internal Revenue Code ("IRC") Sections 401(k), 404 and 415.

The Sponsor contributes a matching contribution to the Plan in an amount equal to 50% of the first 4% of a participant's contribution, that is, up to a maximum of 2% of a participant's compensation.

The Sponsor's profit-sharing contribution is discretionary and is determined by the Sponsor on an annual basis. These contributions are available to eligible participants only. For the years ended December 31, 2021 and 2020, no profit-sharing contributions were made.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Sponsor's matching profit-sharing contribution and (b) Plan earnings on both employer and employee contributions to the various investment funds.

Participants elect from among several investment vehicles offered by the Plan to which contributions on their behalf shall be directed.

Notes Receivable from Participants

Participants may obtain loans against the value of their accounts. The maximum amount of the loan shall not exceed 50% of the present value of the vested portion of the participant's account. The funds required to satisfy a loan request are withdrawn on a pro rata basis from the participant's account.

The loans generally must be fully repaid within five years. Loans for a primary residence may be repaid within a reasonable period of time based on the discretion of the Plan administrator. Interest and principal repayments are credited directly to the borrower's respective account and are repaid in weekly installments by payroll deductions. Interest rates on loans are 1% over prime rates.

When a loan is granted the employee's account is charged thereby reducing the balance in the employee's account which earns income.

The repayment of the loan, including interest, is credited to the specific employee account as received (that is, the interest paid on the loan is credited to the account of the individual borrower).

If a participant fails to make a payment when the loans are due under the terms of the loans that participant will be in default. In the event of default, the loan shall become due and payable immediately and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit a participant would otherwise be entitled to from the Plan.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Sponsor-contributed portion of their accounts and earnings thereon is based on years of continuous service. Qualified nonelective contributions vest as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

1. DESCRIPTION OF PLAN (CONTINUED)

Participant Distributions

The distribution to which a participant is entitled is the participant's vested account balance, including net realized and unrealized investment gains and losses. An election may be made upon retirement, death or disability to be paid in a lump sum or an annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures

Forfeitures of employer contributions are applied to reduce expenses related to the administration of the Plan. The forfeitures totaled \$8,108 and \$464 for the years ended December 31, 2021 and 2020, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year end. The custodian determines the NAV based on reporting by the mutual funds daily.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

ARCHITECTURAL WINDOW 401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Other

Substantially all administrative expenses are paid by the Sponsor except for fees related to administration of notes receivables from participants and benefit payments.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 14, 2022, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

3. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in combinations of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

ARCHITECTURAL WINDOW 401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

4. TAX STATUS

The Plan has adopted a prototype nonstandardized plan sponsored by Automatic Data Processing, Inc. ("ADP"). ADP received an opinion letter from the IRS, dated October 6, 2020, which states that the prototype document satisfied the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since ADP received the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

5. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedules, that was prepared by or derived from information prepared by the Trustee and former Trustee, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the Trustee and former Trustee that such information is complete and accurate.

6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are invested in shares of a money market fund and various mutual funds managed by the Trustee as of December 31, 2021, and former Trustee, as of December 31, 2020. Therefore, these transactions qualify as party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan. Additionally, virtually all administrative expenses are paid directly by the Sponsor.

7. FAIR VALUE MEASUREMENTS

Assets and liabilities measured at fair value are based on one or more of three valuation techniques identified in the table below. The valuation techniques are as follows:

- (a) *Market approach.* Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- (b) *Cost approach.* Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) *Income approach.* Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value, on a recurring basis, as of December 31, 2021 and 2020:

	Total at December 31, 2021	Level 1	Level 2	Level 3	Valuation Technique
Mutual funds	\$ 13,520,495	\$ 13,520,495	\$ -	\$ -	(a)
Total investments, at fair value	\$ 13,520,495	\$ 13,520,495	\$ -	\$ -	
	Total at December 31, 2020	Level 1	Level 2	Level 3	Valuation Technique
Mutual funds	\$ 10,162,456	\$ 10,162,456	\$ -	\$ -	(a)
Money market fund	648,642	648,642	-	-	(a)
Total investments, at fair value	\$ 10,811,098	\$ 10,811,098	\$ -	\$ -	

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 or 2020.

Mutual funds and money market fund: Valued at the daily closing price as reported by the funds. Mutual and money market funds held by the Plan are open-end funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual and money market funds held by the Plan are deemed to be actively traded.

ARCHITECTURAL WINDOW 401(k) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

7. FAIR VALUE MEASUREMENTS (CONTINUED)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

8. EXCESS CONTRIBUTIONS PAYABLE

At December 31, 2021 and 2020, substantially all of the excess contributions payable consisted of payments due to certain participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. Excess contributions amounted to \$13,019 and \$20,459 and were recorded as a liability in the accompanying statements of net assets available for benefits at December 31, 2021 and 2020, respectively. The Plan reimbursed these excess contributions to its participants within three months after each year end.

9. PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are entitled to the entire amount of their employer contributions.

10. CARES ACT PROVISIONS

On March 27, 2020, the CARES Act was signed into law. The CARES Act contains several provisions affecting retirement plans in the area of distributions and loans due to the impact of COVID-19. The Plan adopted the provision to allow for coronavirus-related distributions, taken prior to December 31, 2020, of up to \$100,000 for participants impacted by COVID-19. Such distributions are permitted to be paid back over a three-year period.

The Plan also adopted the provision to allow for coronavirus-related loans, taken from March 27, 2020 through September 22, 2020, of up to \$100,000 for participants impacted by COVID-19. Such loans are permitted to be paid back within a five-year period.

The adopted provisions are required to be executed in a Plan amendment. The Plan has not been amended, but it has until the last day of the Plan year that begins in 2022 to fully execute the amendment, according to the CARES Act.

11. VOLUNTARY COMPLIANCE RESOLUTION

In certain instances during 2021, the Plan did not meet the requirements of ERISA with respect to the deduction and remittance of certain participant contributions. Failure to meet all of ERISA's requirements can result in the imposition of substantial fines, excise taxes, or other penalties. The Plan will take remedial actions under the Voluntary Compliance Program of the U.S. Department of Labor and will recalculate the amounts needed to correct the affected individual account balances. Plan management believes that this matter will not have a material effect on the Plan's financial statements
