INDEPENDENT AUDITOR'S REPORT

October 14, 2022

To the Plan Administrator of the
Howard Miller - Hekman Profit-Sharing and 401(k) Savings Plan
Zeeland, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Howard Miller - Hekman Profit-Sharing and 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Assets Available for Benefits (Modified Cash Basis) as of December 31, 2021, and the related Statement of Changes in Assets Available for Benefits (Modified Cash Basis) for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section—

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of Howard Miller - Hekman Profit-Sharing and 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for presentation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Howard Miller - Hekman Profit-Sharing and 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Howard Miller - Hekman Profit-Sharing and 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) and Reportable Transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Howard Miller - Hekman Profit-Sharing and 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our audit report, dated October 8, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

HOWARD MILLER - HEKMAN PROFIT-SHARING AND 401(k) SAVINGS PLAN

December 31, 2021 and 2020

Note A – Description of Plan

The following description of the Howard Miller - Hekman Profit-Sharing and 401(k) Savings Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing and 401(k) plan covering substantially all employees of Howard Miller Company, and Zeeland, Michigan employees of Hekman Furniture Company (collectively, the Company). Eligible employees can become participants in the 401(k) portion of the Plan and receive discretionary matching contributions from the Company on the first day of the first payroll period of each month after completion of one year of employment with 1,000 hours of service. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective December 31, 2020, the HMC Regional 401(k) Savings Plan is merged into this plan and, as a result, Woodmark Originals, Inc., became a participating employer in the Plan. Transfers from the HMC Regional 401(k) Savings Plan were \$1,339,719.

Contributions

A participant may elect to make contributions to the Plan through payroll deductions from each compensation payment, as defined, subject to statutory limitations. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3%. The Plan also allows participants to transfer funds from other employer qualified plans into the Plan.

The Company may make a matching contribution based on the participant's contribution. This matching contribution amount is discretionary and is determined annually. A matching contribution of 50% of the first 3% and 15% of the next 3% deferred by each participant was made for the years ended December 31, December 31, 2021 and 2020. The amount of matching contributions made by the Company were \$179,219 and \$141,690 for the years ended December 31, 2021 and 2020, respectively.

The Company has agreed to voluntarily make profit-sharing contributions to the Plan on behalf of eligible Company employees in amounts as determined by its Board of Directors. These amounts are prorated based on earnings of participants during the plan year. Profit-sharing contributions were \$44,000 and \$50,000 for the years ended December 31, 2021 and 2020, respectively.

December 31, 2021 and 2020

Note A – Description of Plan (Continued)

Plan Operations

The Company has appointed Huntington National Bank (Trustee) to serve as Trustee and the Company to act as plan administrator. The Trustee is responsible for holding the investment assets of the Plan, executing investment transactions, and making distributions to participants. The plan administrator interprets and communicates the provisions of the Plan and ensures that all government and participant reporting requirements are fulfilled. The Plan's fiduciary committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment strategy, and monitors investment performance.

Participant Accounts

Individual accounts are maintained for each participant, with benefits limited to the amount contributed to the participant's account plus or minus any allocation of income, expenses, gains, or losses. Allocations to participant accounts are based on compensation or account balances, as specified by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of elective and Company matching contributions into various investment options offered by the Plan. Profit-sharing accounts are not participant directed, though the Company maintains account balances for each participant. Additionally, the Plan allows participants who have attained the age of 59 ½ and are fully vested in their profit-sharing account at the beginning of the plan year to segregate their profit-sharing accounts and self-direct the investment of those funds.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer profit-sharing accounts is based on years of continuous service, as follows:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Note A – Description of Plan (Continued)

Vesting in the employer matching contribution accounts is based on years of continuous service, as follows:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	50%
3 years or more	100%

A participant also becomes fully vested at the time of the participant's death, if the participant becomes disabled while employed, or upon attainment of normal retirement age.

Loans to Participants

Under certain conditions, a participant may obtain a loan from the Plan. A participant's loan cannot exceed the lesser of \$50,000, reduced by the participant's highest outstanding loan balance during the one-year period ending on the day before the new loan is issued, or one half of the participant's non-forfeitable interest in the Plan. Loans shall not be available from the participant's profit-sharing contributions account, only the Participant's deferral account. The loan will bear a reasonable interest rate, be adequately secured, and not exceed a period of five years (unless used for the purchase of a primary residence). Interest rates on outstanding loans range from 3.25% to 5.50%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service, retirement, early retirement, total and permanent disability, attainment of age 65, or death, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals are permitted upon attaining age 59½ or in cases of financial hardship. Distributions can be made directly to the participant, their designated beneficiary, or rolled over to another qualified plan.

Costs and Expenses

Certain transaction fees and administrative expenses are paid by the Plan, unless otherwise paid by the Company, and are based on reasonable and customary rates. Expenses that are paid by the Company are excluded from these financial statements.

December 31, 2021 and 2020

Note A – Description of Plan (Continued)

Forfeited Accounts

Forfeitures of profit-sharing amounts are allocated to participants based on eligible compensation of the remaining participants. There were no unallocated profit-sharing forfeitures for the year ended December 31, 2021. Unallocated profit-sharing forfeitures for the year ended December 31, 2020 amounted to \$670. Forfeited balances of terminated participants' non-vested discretionary match accounts are used to offset employer matching contributions. The balances in the forfeiture account at December 31, 2021 and 2020 were \$142 and \$140, respectively. Forfeitures of \$1,410 and \$2,731 were used to reduce employer contributions and plan expenses, respectively, during the year ended December 31, 2021. There were no forfeitures used during the year ended December 31, 2020.

Note B – Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the modified cash basis and, accordingly, are not presented in conformity with generally accepted accounting principles. Under this basis of accounting, interest and dividend income and contributions are recorded when received rather than when earned, and expenses are recorded when the disbursements are made rather than when the obligation is incurred.

Use of Estimates

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments and Income Recognition

Investments are reported in the Plan's financial statements at fair value (except for the fully benefit-responsive contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements and Note D for the fully benefit-responsive contract.

NOTES TO FINANCIAL STATEMENTS

HOWARD MILLER - HEKMAN PROFIT-SHARING AND 401(k) SAVINGS PLAN

December 31, 2021 and 2020

Note B – Summary of Accounting Policies (Continued)

Investments and Income Recognition (Continued)

Income from interest is recorded when it is received. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade date basis. Net appreciation or depreciation of investments is determined using the value at the beginning of the year or purchase price if acquired since that date. Management fees and operating expenses charged to the Plan for investments in the mutual funds and money market funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the modified cash basis. Related fees are charged directly to the participant's account and are included in administrative expense when the disbursements are made. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document; therefore, no allowance for credit losses is considered necessary at December 31, 2021 and 2020.

Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 14, 2022, which is the date the financial statements were available to be issued.

Note C – Fair Value Measurements

The Plan's investments are reported at fair value (except for the fully benefit responsive contract) in the accompanying Statements of Assets Available for Benefits (Modified Cash Basis). The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

HOWARD MILLER - HEKMAN PROFIT-SHARING AND 401(k) SAVINGS PLAN

December 31, 2021 and 2020

Note C – Fair Value Measurements (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- quoted prices for similar assets and liabilities in active markets
- quoted prices for identical or similar assets and liabilities in markets that are not active
- other inputs that are observable or can be corroborated by observable market data
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – inputs are generally unobservable and significant to the fair value measurement. Such inputs typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability, including certain pricing models, discounted cash flow methodologies, and similar techniques that use significant unobservable inputs.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market and mutual funds: Valued based on quoted net asset values (NAV) of the shares held by the Plan on the last business day of the plan year.

Note C – Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Level 1	Level 2	Level 3	Total
<u>December 31, 2021</u>				
Mutual funds	\$ 29,889,220	\$ -	\$ -	\$ 29,889,220

Total assets in the fair value hierarchy	<u>\$ 30,037,918</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 30,037,918</u>

Note D - Investment Contract with Insurance Companies

Plan assets include benefit-responsive group annuity fixed income contract issued by the Transamerica Life Insurance Company (Transamerica). Transamerica maintains the contributions in a Stable Value investment account. The methodology for calculating the interest crediting rate is defined in the terms of the contract. Under terms of the existing contract, Transamerica will credit to the Plan's fund the applicable portion of investment income semi-annually, effective on the first day of the semi-annual period. The contract do not permit the insurance company to terminate the agreement prior to the scheduled maturity dates. The crediting interest rate for the years ending December 31, 2021 and 2020 were 1.10% and 1.20%, respectively.

As described above, because the fixed income contract are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the assets available for benefits (modified cash basis) attributable to the contract. Contract value, as reported to the Plan by the custodians, represents contributions made under the contract, plus earnings at guaranteed crediting rates, less participant withdrawals and fees. Participants may ordinarily direct permitted withdrawal or transfer of all or a portion of their investment at contract value within reasonable timeframes. Investments at contract value totaled \$2,476,520 and \$2,346,462 at December 31, 2021 and 2020, respectively.

The fixed income contract is an insurance contract. As a result, the plan may transact or terminate the contract according to the terms defined in the contract at any time. If a plan sponsor wishes to remove the Transamerica Stable Value investment choice as an option from the plan, then depending on the contract, there may be a hold for up to a 270-day period on the Stable Value investment choice assets at the plan level if the most recently announced upcoming credited rate has increased or has not changed. Additionally, under limited circumstances, Transamerica may impose up to a 12-month delay period on all withdrawal requests.

NOTES TO FINANCIAL STATEMENTS

HOWARD MILLER - HEKMAN PROFIT-SHARING AND 401(k) SAVINGS PLAN

December 31, 2021 and 2020

Note E— Information Certified by Trustee and Custodians

All investment information disclosed in the accompanying financial statements (modified cash basis) and Supplemental Schedule of Assets (Held at End of Year), including investments held at December 31, 2021 and 2020 and net appreciation in fair value of investments and interest and dividends for the years then ended, were obtained or derived from the information supplied to the plan administrator and certified as complete and accurate by Huntington National Bank, the trustee of the Plan, Fifth Third Bank, a custodian of the Plan, and Reliance Trust Company, a custodian for the Plan.

Note F – Risks and Uncertainties

The Plan utilizes various investment instruments, including mutual funds and stable value funds. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the Statements of Assets Available for Benefits (Modified Cash Basis).

Note G – Party-In-Interest Transactions

Plan investments include investments managed by Transamerica Life Insurance Company, who holds the Plan's investments. Therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan to parties-in-interest for services rendered to the Plan were \$120,977 and \$92,631 for the years ended December 31, 2021 and 2020, respectively. Such fees were based on reasonable and customary rates.

Note H – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts and the assets would be allocated to the participants on a pro rata basis.

NOTES TO FINANCIAL STATEMENTS

HOWARD MILLER - HEKMAN PROFIT-SHARING AND 401(k) SAVINGS PLAN

December 31, 2021 and 2020

Note I – Tax Status

The Plan obtained a determination letter dated July 13, 2021, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator and the Plan's tax counsel also believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.
