Independent Auditor's Report

To the Plan Administrator
Employee Benefit Plan of Sunshine Homes, Inc.
Red Bay, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Employee Benefit Plan of Sunshine Homes, Inc., an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Employee Benefit Plan of Sunshine Homes, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need to extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with the auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Employee Benefit Plan of Sunshine Homes, Inc. and to meet our ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Employee Benefit Plan of Sunshine Homes, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Employee Benefit Plan of Sunshine Homes, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are condition or events, considered in the aggregate, that raise substantial doubt about The Employee Benefit Plan of Sunshine Homes, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally in the United States of America.

Accordingly, the objective of and ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Employee Benefit Plan of Sunshine Homes, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 26, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion in the 2020 financial statements, and the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEE BENEFIT PLAN OF SUNSHINE HOMES, INC.

Notes to Financial Statements December 31, 2021 and 2020

Note 1 - Plan Description

The following description of the Employee Benefit Plan of Sunshine Homes, Inc. (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution profit sharing/401(k) trust sponsored by Sunshine Homes, Inc. (the "Company"). The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligibility and Contributions – All employees become eligible to make elective deferral contributions and receive safe harbor matching contributions and profit sharing contributions on the first day of each plan quarter, coincident with, or next following the date they attain age 21 and they complete 6 months of service, measured from their date of hire, provided that they are an Eligible Employee at the end of that period. These elective contributions are made under the provisions of Section 401(k) of the Internal Revenue Code which allows a deferral of income taxes on the amount contributed to the Plan. Participants may voluntarily contribute up to 100% of their compensation, subject to annual limitations under the Internal Revenue Code. The Plan provides for an employer match. The Company matches 100% of an employee's deferral up to 4% of compensation provided the employee satisfies the eligibility requirements and is an employee on the last day of the plan year.

Participants' Accounts – Each participant's account is credited with the participant's contribution and an allocation of (1) the Company's matching contribution, (2) Plan net earnings, and (3) forfeitures of terminated participants' non-vested company contributions. Allocations of net earnings are prorated based on the participants' weighted average account as a percent of the total weighted average account of all Plan participants and former participants. Investments are participant directed.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are 100% vested in the employer match upon the completion of two years of service. The Plan also provides that participants become 100% vested when they reach age 65, in the event of death, total disability, or upon termination of the Plan.

Notes Receivable From Participants – Notes receivable from participants are not permitted under the Plan.

Payment of Benefits – Upon retirement, termination of service, death, or permanent disability, the participants or their beneficiaries may elect to receive either a lump-sum amount equal to the value of their account, or installments over a specified period or over the life expectancy of the participants or their beneficiaries.

Investment Options – Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of numerous investment options.

Forfeited Accounts – At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$4,634 and \$4,492, respectively. In accordance with plan provisions, forfeitures may be allocated by any permissible method.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis and have been prepared in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Expenses – Fees and expenses for administration of the Plan are paid by the Plan.

See Independent Auditor's Report.

EMPLOYEE BENEFIT PLAN OF SUNSHINE HOMES, INC.

Notes to Financial Statements (continued) December 31, 2021 and 2020

Note 2 – Summary of Significant Accounting Policies (continued)

Investment Valuation – The Plan's investments are primarily stated at fair value with the exception of the Plan's investments held in the Guaranteed Investment Account which is valued at contract value. Contract value represents contributions made under the contract, plus interest at the credited rate, less funds used to purchase investments and pay administrative expenses charged. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. The value of the separate accounts include the dividends earned and any realized or unrealized gains or losses associated with the underlying investments.

Payments of Benefits – Benefits are recorded when paid.

Note 3 - Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy under FASB ASC 820 consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting time.

See Independent Auditor's Report.

EMPLOYEE BENEFIT PLAN OF SUNSHINE HOMES, INC.

Notes to Financial Statements (continued) December 31, 2021 and 2020

Note 3 - Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	Level 1	Total Fair Value
Mutual funds and total assets in the fair value hierarchy	\$ 4,522,300	\$ 4,522,300
Money market funds	4,634	4,634
Guaranteed investment account (see Note 4)	-	3,613,726
Total Investments	<u>\$ 4,526,934</u>	<u>\$ 8,140,660</u>

Assets at Fair Value as of December 31, 2020

	Level 1	Total Fair Value
Mutual funds and total assets in the fair value hierarchy	\$ 4,820,208	\$ 4,820,208
Money market funds	4,492	4,492
Guaranteed investment account (see Note 4)	-	2,519,434
Total Investments	<u>\$ 4,824,700</u>	<u>\$ 7,344,134</u>

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 4 – Guaranteed Investment Account

The Plan provides an investment option to invest in a fully benefit-responsive Guaranteed Investment Account with MassMutual. This investment is reported at contract value on the Statement of Net Assets Available for Benefits. Benefit responsiveness is defined as the extent to which a contract's terms and the Plan permit or require participant-initiated withdrawals at contract value. Contract value is the relevant measure for fully benefit-responsive contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents participant contributions, plus earnings as guaranteed crediting rates, less participant withdrawals.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

See Independent Auditor's Report.

EMPLOYEE BENEFIT PLAN OF SUNSHINE HOMES, INC.

Notes to Financial Statements (continued) December 31, 2021 and 2020

Note 6 - Income Tax Status

The Plan is exempt from federal taxes under Section 501(a) of the Internal Revenue Code. The Plan obtained its latest determination letter on January 27, 1993, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan is a MassMutual Prototype Plan that has its own determination letter. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7 - Form 5500

At December 31, 2021 and 2020 the financial statements agree to the Form 5500.

Note 8 - Information Prepared and Certified by Custodian

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net change in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust (the custodian of the Plan) at December 31, 2021 and 2020.

Note 9 - Exempt Party-in-Interest Transactions

The Plan invests in mutual funds and investments managed by MassMutual Life Insurance Company. Reliance Trust is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

Note 10 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11 - Subsequent Event

Subsequent events were evaluated through October 10, 2022, which is the date the financial statements were available to be issued.

See Independent Auditor's Report.
