Independent Auditor's Report

To the Plan Administrator, Trustees and Participants
Piping Rock Profit Sharing Plan
Ronkonkoma, New York

Opinion
We have audited the financial statements of Piping Rock Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the period January 1, 2021 (inception) through December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021, and the changes in its net assets available for benefits for the period January 1, 2021 (inception) through December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

An independently owned member

RSM

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

PIPING ROCK PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND FOR THE PERIOD JANUARY 1, 2021 (INCEPTION) THROUGH DECEMBER 31, 2021

1. Description of the Plan

The following description of the Piping Rock Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a non-participant directed defined contribution plan established on January 1, 2021 (Inception) by Piping Rock Health Products, LLC (the "Company," "Employer" or "Plan Sponsor") to provide benefits to eligible employees as defined in the plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code ("IRC") and the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). It also provides certain benefits in the event of death, disability, or other termination of employment.

Contributions

The Plan provides for discretionary employer profit sharing contributions. The maximum amount that can be contributed to the Plan on behalf of a participant was $58,000 for the year ended December 31, 2021. In addition, contributions cannot exceed 100% of your total eligible compensation. Participants may also contribute amounts representing rollover distributions from other qualified plans. In order to be eligible for the profit-sharing contribution, participants need to complete 3 consecutive months of service during the Plan Year. There was no employer profit sharing contribution made for the year ended December 31, 2021.

Participant Accounts

Once contributions commence each participant's account will be credited or charged with the employer's profit-sharing contributions and the participant's share of earnings or losses on contributions and administrative expenses. The benefit to which a participant will be entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants will be immediately vested in their rollover contributions plus actual earnings thereon. Vesting in employer's profit sharing contributions plus actual earnings thereon is based on years of continuous service.

Years of Service	Vesting %
Less than 2	0
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Participants also fully vest upon attaining normal retirement age, as defined in the Plan document.

1. Description of the Plan (Continued)

Investment Options

The Trustee of the Plan will be designated to hold the assets of the Plan for the benefit of Plan participants and their beneficiaries in accordance with the terms of the Plan. The Trustee will be responsible for the investment of all assets held by the Plan. Investment decisions will be made in the best interests of the Plan participants.

Forfeited Accounts

When termination of certain participants in the Plan occurs, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. However, if the participant is re-employed and fulfills certain requirements as defined by the Plan, the participant's account will be reinstated. Unused forfeitures may be used to reduce employer profit sharing contributions or to pay administrative costs of the Plan.

Benefit Payments

Upon termination of service due to death, disability or retirement, as defined in the Plan, participants will be entitled to a fully vested lump sum payment of their account balance. For termination of service due to other reasons, participants will be entitled to the value of the vested interest in their account.

Expenses of the Plan

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. During 2021, all administrative expenses were paid by the Plan Sponsor. The Plan Sponsor is not obligated to pay such expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

All Plan investments will be held by a Trustee. The Plan's investments will be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income will be recorded on the accrual basis. Purchases and sales of securities will be reflected on a trade–date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits will be recorded when paid.

Risks and Uncertainties

The Plan will invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through the date these financial statements were available for issuance, October 14, 2022.

3. Plan Termination

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

4. Tax Status

The Plan uses a Prototype Non-Standardized Pre-Approved Profit Sharing Plan with a Cash or Deferred Arrangement ("CODA") sponsored by Laiken Associates, Inc. The Plan received an opinion letter from the Internal Revenue Service ("IRS") dated November 30, 2020, which states that the Plan satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC, and accordingly no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL. The Plan Administrator does not believe that there are uncertain tax positions.

The Plan will be subject to routine audits by taxing jurisdictions; however, this is the first filing and will be open to audit for three years from the filing date.
