To the Administrative Committee of the
Independent Physicians 401(k) Profit Sharing Plan & Trust

We have audited the financial statements of the Independent Physicians 401(k) Profit Sharing Plan & Trust (the Plan), employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] as of and for the year ended December 31, 2021, and have issued our report thereon dated October 11, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by the qualified institution, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audits. We have communicated such information in our planning letter to you. Professional standards also require that we communicate to you the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

Our responsibility, as described by professional standards and stated in our engagement letter, except as discussed in the first paragraph, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether caused by fraud or error. In making those risk assessments, we considered internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, except as discussed in the first paragraph, we considered the internal control of the Plan solely for the

purpose of determining our audit procedures and not to provide any assurance concerning such internal control. Accordingly, we do not express an opinion on the operating effectiveness of the Plan's internal control over financial reporting.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Internal Controls

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Other Information in Documents Containing Audited Financial Statements

Pursuant to professional standards, our responsibility as auditors for other information in documents containing the Plan's audited financial statements does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate such other information. Standards require that we read the information in the Plan's Form 5500 and consider whether such information, or the manner of its presentation, is materially inconsistent with its presentation in the financial statements.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information in the Plan's Form 5500, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management has the responsibility for selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. During 2021, no new significant accounting policies were adopted, and the application of existing policies was not changed during 2021. No transactions entered into by the Plan during the year have come to our

attention that were both critical and unusual, and of which, under professional standards, we are required to inform you, or transactions for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive accounting estimate affecting the financial statements of the Plan is the valuation of investments.

Management's accounting estimates, which affect the reported amounts of net assets available for benefits and changes in net assets available for benefits are based on their financial understanding of the Plan during the year ended December 31, 2021. We evaluated the key factors and assumptions used to develop the estimates and determined that they are reasonable in relation to the basic financial statements taken as a whole.

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to the description of the Plan and investment valuation. The financial statement disclosures are neutral, consistent, and clear.

Uncorrected and Corrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. There were no uncorrected financial statement misstatements found during the audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. During our audit of the Plan, we found an adjustment related to employee and employer contributions receivable. This entry is reflected in the audited financial statements.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters similar to obtaining a "second opinion" on certain situations. If a consultation involved application of an accounting principle to the Plan's financial statements or a determination of the type of auditor report that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all of the relevant facts. Management has informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters related to the Plan.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Significant Findings or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management of the Plan related to the performance of the audit.

The information in this letter is intended solely for the use of the Administrative Committee, Plan Administrator, Board of Directors, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties

As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by PNC Bank, N.A., and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the qualified institutions, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule, other than that derived from the information certified by PNC Bank, N.A., and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and participants of the
Independent Physicians 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Independent Physicians 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from the qualified institutions as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of the report,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institutions. Our audit report, dated October 14, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institutions were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Physicians 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2021 and 2020

1. Description of Plan

The following description of the Independent Physicians 401(k) Profit Sharing Plan & Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan's provisions.

Eligibility

The Plan is a defined contribution plan sponsored by Independent Physicians Resource, Inc. (the Company, or Plan Sponsor). The Plan covers all eligible employees of the Company, excluding collectively bargained employees and independent contractors. Employees are eligible to participate in the Plan after a service requirement of 30 days and have attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective January 1, 2022.

The Plan changed service providers and qualified institutions from PNC Bank, N.A to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal) on February 1, 2021.

During 2021, eligible employees consisted of employees of the Plan Sponsor and Cornerstone Medical Center, LLC, a wholly-owned subsidiary of the Plan Sponsor.

If the Company acquires another employer, the employees who work for the acquired employer will not be eligible to participate under the Plan until the end of the Plan Year following the year of the acquisition.

Contributions

Each participant may elect to make pre-tax and/or Roth contributions of up to 99% of eligible compensation, as defined in the Plan document, not to exceed \$19,500 in 2021, plus a catch-up contribution of up to \$6,500 for participants age 50 and older. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company makes safe harbor matching contributions of 100% of the participant's deferral up to the first 5% of eligible compensation. In addition, the Board of Directors may, at their discretion, authorize an additional discretionary profit-sharing contribution. There were no discretionary profit-sharing contributions during 2021.

Independent Physicians 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2021 and 2020

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, any Company contributions and earnings and losses on the investments in their account and is charged with transaction fees for services received by the participant and certain administrative expenses. Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan. The Plan also offers a self-directed brokerage account as an additional investment option for participants. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants vest immediately in their contributions, Company safe harbor matching contributions, and rollovers plus earnings thereon. Participants become 100% vested in the Company's discretionary profit-sharing contributions after three years of service. All amounts become fully vested upon the participant's attainment of normal retirement age, disability, or death.

Forfeitures

Forfeited non-vested accounts were \$1,099 and \$1,082 as of December 31, 2021 and 2020, respectively. Forfeitures may be used to pay administrative expenses of the Plan or to reduce future Company contributions. In 2021, no forfeitures were used to pay administrative expenses to reduce the Company's safe harbor matching contributions.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account balance. Participants may only have one note receivable outstanding at a time. The notes receivable are secured by the balance in the participant's account and bear interest at a reasonable rate, as defined by the Plan document. As December 31, 2021, notes receivable had fixed interest rates ranging from 4.25% to 6.50% for the term of the notes receivable, not to exceed five years, unless used for the purchase of a residence. Principal and interest are paid through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, termination of employment or retirement, a participant or beneficiary may elect to receive a payment of the vested interest in their account in a lump sum distribution. In-service withdrawals are also permitted for participants who have attained age 59½. A participant's account balance between \$1,000 and \$5,000 may be paid as a

Independent Physicians 401(k) Profit Sharing Plan & Trust

direct rollover to an individual retirement account established by the Company for the benefit of the participant. If the account balance is \$1,000 or less, the Plan may, upon termination of service, pay the benefits owed in a lump sum.

Participants are also eligible to receive hardship withdrawals when certain conditions are met.

Administrative Expenses

Administrative expenses paid by participants include distribution fees, loan fees, and other transaction and recordkeeping fees. Investment related expenses are paid by participants based on the specific expense ratio for each fund invested in through a direct payment. Investment related expenses attributable to self-directed accounts are charged directly to the participant's account and are included in administrative expenses. The Plan document permits certain administrative expenses to be paid by the Plan. Expenses paid by the Plan in 2021 included recordkeeping fees and advisory fees paid to service providers of the Plan. Newport Group, Inc and Newport Trust Company (Newport) from January 1, 2021 to January 31, 2021 and Principal from February 1, 2021 to December 31, 2021 provided recordkeeping services to the Plan. These expenses paid to the various service providers of the Plan qualify for party-in-interest transactions. The Company pays all other administrative expenses of the Plan. The Company does not expect reimbursement from the Plan for these expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The Company safe harbor matching contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan. The Company's discretionary profit-sharing contributions are payable to the Plan after they have been approved by the Company. Any unfunded participant or Company safe harbor matching and Company discretionary contributions are included in the participant or employer

Independent Physicians 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2021 and 2020

contributions receivable on the statements of net assets available for benefits as of December 31, 2021 and 2020.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Net change in fair value of investments include realized and unrealized gains and losses, interest and dividends on those investments, and fees charged for investment management services on those investments. Interest income is recorded when received.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make note repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded as a deemed distribution. Notes receivable from participants also qualify as party-in-interest transactions.

Payment of Benefits

Benefit payments are recorded when paid.

Subsequent Events

The plan administrator evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 11, 2022, which is the date the financial statements were available to be issued.

Subsequent to year end, there has been significant volatility in the financial markets resulting in an overall market decline which has resulted in a decrease in the value of the Plan's investment portfolio.

Independent Physicians 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2021 and 2020

3. Information Certified by the Qualified Institutions

All information in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2021 and 2020, net change in fair value of investments and interest income for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by PNC Bank, N.A and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the Plan's qualified institutions.

4. Investments

Investments are exposed to various risks, such as market, currency, interest rate, and credit risks. Market risks include U.S. and global events that could impact the value of Plan investments. Such events may include public health emergencies such as a pandemic, as well as international conflicts, cybersecurity attacks, supply chain disruptions, global monetary policy decisions, inflation, significant economic influences, and other adverse credit and market events and conditions. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Independent Physicians 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2021 and 2020

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds are stated at quoted market prices for the identical security in an active market (Level 1).

Investments in the self-directed brokerage accounts include common stock, mutual funds, unit investment trusts, and interest-bearing cash. All assets are traded through a broker and are considered Level 1 assets.

The Plan invests in a stable value fund held in a common collective trust. The stable value fund invests in fully benefit-responsive guaranteed investment contracts (GICs), which are general obligations of the insurance companies that issue the contracts, as well as synthetic GICs. The stable value fund trades at the net asset value (NAV), which is based on the contract value of the underlying investments (Level 1). The stable value fund includes certain redemption restrictions. If the Plan chooses to redeem all or a significant portion of the stable value fund, the issuer may require a 12-month wait period to redeem.

The following table summarizes the Plan's investments based on the inputs used to determine their values as of December 31, 2021 and 2020:

	Level 1	
	2021	2020
Mutual funds	\$ 53,797,562	\$ 46,484,407
Stable value fund	3,145,372	2,959,982
Self-directed brokerage account	1,850,998	-
Total	\$ 58,793,932	\$ 49,444,389

5. Income Tax Status

The Plan is operating under a Volume Submitter Defined Contribution Plan created by Principal Life Insurance Company (Principal). The Internal Revenue Service has determined and informed Principal by a letter dated August 8, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has not obtained an individual determination letter and has been amended since receiving the Principal opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan administrator believes the Plan has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

Independent Physicians 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements December 31, 2021 and 2020

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in the employer discretionary profit-sharing contributions.
