## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of  
H&K Equipment, Inc. 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of H&K Equipment, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA 103(a)(3)(C) audit]. The financial statements comprise the statement of assets available for benefits as of December 31, 2021, and the related statement of changes in assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Empower Retirement, LLC as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP); and
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules listed in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2020 Financial Statements**

The 2020 financial statements of H&K Equipment, Inc. 401(k) Plan were audited by predecessor auditors. As permitted by ERISA Section 103(a)(3)(C), their audit did not extend to investment information certified by a qualified institution, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2020 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Their report, dated October 14, 2021, indicated that

- the amounts and disclosures in the 2020 financial statements, other than those agreed to or derived from certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP; and
- the information in the 2020 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## H&K EQUIPMENT, INC. 401(K) PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### 1. DESCRIPTION OF THE PLAN

The following description of the H&K Equipment, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Plan participants should refer to the plan document for a more complete description of the Plan's provisions.

The Coronavirus Aid, Relief and Economic Security (CARES) Act contained several provisions related to employee benefit plans. The Plan was amended effective March 27, 2020 such that participants and beneficiaries were able to elect whether or not to receive required 2020 minimum distributions.

*General* - The Plan, established July 1, 1985 and amended and restated effective April 1, 2020, is a defined contribution plan covering all eligible employees of H&K Equipment, Inc. (the "Sponsor") and certain affiliated companies (collectively, the "Company").

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Eligibility* - Prior to April 1, 2020, employees were eligible to participate in the Plan upon attaining age 21 and completing six months of service. Effective April 1, 2020, employee are eligible to participate in the Plan beginning on the first day of the month subsequent to attaining 21 years of age and completing 30 days of consecutive service.

*Participant Contributions* - Participants may elect to contribute a portion of their pre-tax or post-tax compensation subject to certain limitations under the Internal Revenue Code (IRC). The Plan allows for participants who are age 50 or older to make catch-up contributions subject to limits established by the IRC and also accepts rollover contributions for eligible employees from other qualified plans.

Effective April 1, 2020, the Plan was amended to include an automatic enrollment feature which automatically enrolls newly eligible employees at a 6% deferral rate, unless otherwise waived by the employee.

*Employer Contributions* - The Plan provides for discretionary matching contributions. During the years ended December 31, 2021 and 2020, the Company contributed 50% of the first 6% of eligible participant contributions. The Plan also provides for discretionary nonelective profit sharing contributions to eligible employees. These contributions are allocated to eligible participants based on their compensation and earnings integration level as set forth in the plan document. No employer discretionary nonelective contribution was made for the 2021 or 2020 plan year.

*Participant Accounts* - Each participant's account is credited with the employee and applicable employer contributions and an allocation of the Plan's earnings. The benefit to which a participant is entitled is the value of the participant's vested account.

*Investment Options* - Participants may direct their contributions and employer contributions into various investment options and may change their investment options at any time.

*Vesting* - Participants are 100% vested in their contributions plus actual earnings thereon. The employer matching and discretionary nonelective contributions vest based upon years of service according to the following schedule:

Years of Service

|                   |      |
|-------------------|------|
| Less than 2       | 0%   |
| 2 but less than 3 | 20%  |
| 3 but less than 4 | 40%  |
| 4 but less than 5 | 60%  |
| 5 but less than 6 | 80%  |
| 6 or more         | 100% |

Upon death, total and permanent disability or attaining age 65, participants are fully vested.

*Forfeitures* - Forfeited balances of terminated participants' non-vested accounts may be applied to reduce the Plan expenses or employer contributions, as defined in the plan document. Forfeitures of \$35,000 and \$29,000 were used to offset employer contributions during the years ended December 31, 2021 and 2020, respectively. Forfeited non-vested accounts totaled approximately \$4,400 and \$13,900 at December 31, 2021 and 2020, respectively.

*Payment of Benefits* - Upon early termination of employment or termination of service due to death, disability, or normal retirement, participants may receive the value of their benefits in a lump-sum distribution. If the participant's account balance is less than or equal to \$5,000, the Company may make a lump-sum payment without the participant's consent. A participant may request a withdrawal from their account based upon financial hardship or at age 59 1/2, as defined by IRC regulations. A hardship withdrawal may be granted to a plan participant for an event considered to be an immediate and heavy financial need of the participant.

*Notes Receivable from Participants* - Participants may borrow a minimum of \$1,000 up to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of prime plus 2% at the time of inception. Interest rates on outstanding loans at December 31, 2021 and

2020 ranged from 3.5% to 7.5%. Repayment is required within five years or within a reasonable period of time if the loan is for a primary residence. Principal and interest are paid through regular payroll deductions.

*Administrative Expenses* - The Plan's expenses are paid by the Company or the Plan as provided by the plan document.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting* - The Plan's financial statements are prepared under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

*Use of Estimates* - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in assets and liabilities at the dates of the financial statements. Actual results could differ from these estimates.

*Investment Valuation and Income Recognition* - The Plan's investments, except for the group annuity contract, are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividend income is recorded on the ex-dividend date.

U.S. GAAP establishes a framework for measuring the fair value of financial assets which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- |         |                                                                                                                                                                 |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs are not quoted prices in active markets but they are observable either directly or indirectly; and                                                       |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                             |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: The funds are public investment vehicles valued using the net asset value (NAV) provided by the administrator of the fund on the last day of the Plan's year end using a quoted price in an active market (level 1 measurement).

Common Collective Trust (ClearBridge Large Cap Growth Class R): This fund is valued at NAV of the units owned and their NAV is used as a practical expedient to estimate fair value. The fund seeks to build a portfolio with a diverse collection of growth stocks and is primarily comprised of U.S. large cap equities, non U.S. equities and cash. There are no unfunded commitments related to this investment. As the fund is valued at NAV, it is not categorized in the fair value hierarchy.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting dates.

The Plan's group annuity contract is valued at contract value, which is based upon contributions, earnings, and withdrawals. The group annuity contract is not available for sale nor is it traded on any securities exchange (see Note 4) and is reported at contract value, which is outside of the fair value hierarchy.

*Net Change in Fair Value of Investments* - The Plan presents the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains (losses) and the net unrealized appreciation (depreciation) on those investments in the statements of changes in assets available for benefits.

*Notes Receivable From Participants* - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

*Contributions* - Participant and employer matching contributions to the Plan are recorded in the period during which the Company makes payroll deductions from the participant's earnings. Employer nonelective profit sharing contributions are recorded in the period earned.

Employee and employer contributions to the Plan are subject to certain statutory limits established by the Internal Revenue Code.

*Benefits* - Benefits are reflected when they have been approved for payment and are paid by the Plan.

*Risks and Uncertainties* - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as

interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

*Subsequent Events* - Management has evaluated subsequent events through October 14, 2022, the date which the financial statements were available to be issued.

### 3. INVESTMENTS

The following tables set forth the fair value of the Plan's assets measured on a recurring basis by level as of December 31, 2021 and 2020:

#### Fair value as of December 31, 2021

|                           | <u>Level 1</u>       | <u>Total</u>         |
|---------------------------|----------------------|----------------------|
| Mutual funds              | \$ 16,785,150        | \$ 16,785,150        |
| Common collective trust*  | <u>-</u>             | <u>4,196,225</u>     |
| Investments at fair value | <u>\$ 16,785,150</u> | <u>\$ 20,981,375</u> |

#### Fair value as of December 31, 2020

|                           | <u>Level 1</u>       | <u>Total</u>         |
|---------------------------|----------------------|----------------------|
| Mutual funds              | \$ 13,902,517        | \$ 13,902,517        |
| Common collective trust*  | <u>-</u>             | <u>3,832,869</u>     |
| Investments at fair value | <u>\$ 13,902,517</u> | <u>\$ 17,735,386</u> |

\*Investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit a reconciliation of the fair value hierarchy to the amounts presented in the statements of assets available for benefits.

### 4. GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan holds a fully benefit-responsive group annuity contract with Great-West Life & Annuity Insurance Company (Great-West), which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Great-West is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the assets

available for benefits attributable to the group annuity contract. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the Plan's ability to transact at contract value with Great-West. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The group annuity contract does not permit Great-West to terminate the agreement prior to the scheduled maturity date.

## **5. INCOME TAX STATUS**

The Plan operates under an adoption agreement in connection with a non-standardized pre-approved profit sharing plan from Dunbar, Bender & Zapf, Inc. The Internal Revenue Service has stated in a letter dated June 30, 2020 that the plan is acceptable for use by employers under IRC Section 401. The plan administrator believes that the Plan is currently designed and being operated in compliance with the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management believes that there is no liability related to uncertain tax positions at December 31, 2021 or 2020. The Plan is no longer subject to U.S. federal or state income tax examinations by tax authorities for tax years before 2018.

## **6. PLAN TERMINATION**

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

## **7. CERTIFIED FINANCIAL INFORMATION**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, Empower Retirement, a qualified institution, has certified the the following investment information included in the accompanying financial statements as complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants, as shown in the statements of changes in assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information included in the schedule of assets held for investment purposes at December 31, 2021, as shown on the accompanying schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

#### **8. RELATED PARTIES AND PARTIES-IN-INTEREST**

Empower Retirement serves as the custodian of the Plan and also provides access to certain investments and, accordingly, is considered a party-in-interest.

Neither the Company nor the employees of the Company involved in administering the Plan receive any compensation from the Plan.
