INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and the Participants of the
OB/GYN Specialists of the Palm Beaches, II, LLC
401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of OB/GYN Specialists of the Palm Beaches, II, LLC, 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information

included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of OB/GYN Specialists of the Palm Beaches, II, LLC, 401(k) Profit Sharing Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan covers employees of OB/GYN Specialists of the Palm Beaches II, LLC (the "Plan Sponsor") along with OBGYN Specialists of Lakeside, LLC, OBGYN Staffing Services, LLC, OBGYN Management Service, LLC, and PB Operations, LLC (collectively, the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was passed by the U.S. Senate on March 26, 2020. During the year ended December 31, 2020, the Plan adopted certain changes to participant distributions and loans as permitted by the CARES Act, discussed further in *Payment of Benefits*.

Eligibility - Eligible participants, as defined by the Plan, are substantially all employees of the Company who have completed nine months of service, are age twenty-one or older, and are not excluded by certain provisions outlined in the Plan Document. The entry dates into the Plan are the first day of the first and seventh month of the Plan year following meeting eligibility requirements.

Contributions - Participants may elect to make pre-tax contributions or after-tax contributions ("Roth") to the Plan. Total contributions cannot exceed the annual maximum limits set by the Internal Revenue Service ("IRS"). Participants that are at least 50 years old before the end of the Plan year may elect to defer additional amounts, or catch-up contributions, to the Plan. Additional catch-up contributions cannot exceed the annual maximum limits for catch-up contributions set by the IRS. Participants may also contribute rollover contribution amounts representing distributions from other qualified defined benefit or contribution plans.

Each year, the Company may elect to make discretionary matching and/or profit-sharing contributions, and the manner in which such contributions are determined. The Company made profit sharing contributions of approximately \$525,000 and \$205,000 for the years ended December 31, 2021 and 2020, respectively. During the years ended December 31, 2021 and 2020, the Company elected not to make any discretionary matching contributions to the Plan. Additionally, the Company makes safe harbor contributions equal to 3% of each eligible participant's compensation, as defined in the Plan Document.

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of the Company's discretionary contributions and Plan earnings, and charged with withdrawals and allocations of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Vesting - Participants are immediately vested in their own voluntary contributions and the Company's safe harbor contributions in addition to actual earnings thereon. Vesting in Plan Sponsor profit sharing and discretionary contributions, in addition to actual earnings thereon, is based on years of service. Prior to normal retirement age, a participant's interest in the profit sharing and discretionary contributions of the employer becomes vested 20% after two years of service, increasing 20% each succeeding year until fully vested after six years of service. A participant is 100% vested when they attain normal retirement age. Upon termination of employment, a participant's non-vested amounts are forfeited in accordance with the Plan Document.

Notes Receivable From Participants - The Plan does not allow for loans to participants.

Payment of Benefits - Upon death, disability, retirement, or termination of service, a participant may receive a distribution in an amount equal to the vested value of his or her account. Hardship withdrawals are allowed by the Plan in accordance with Plan provisions and IRS regulations. In-service withdrawals are allowed when the participant reaches retirement age of 59 1/2 as defined in the Plan Document.

In 2020, as part of the CARES Act, the Plan allowed for penalty-free Coronavirus-Related Distributions of up to \$100,000 for qualifying coronavirus-related reasons. Eligible employees are not required to repay this distribution, but the Plan allows for them to repay their Plan account within three years of the date they received their distribution.

Investment Options - Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a series of varied risk mutual and money market funds, self-directed brokerage accounts, common collective trust funds, and a group annuity contract as investment options for participants.

Plan Expense Account - If the investment fees paid to Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company, the Custodians, are more than the agreed upon amount, as defined in the service agreement, the difference is remitted back to the Plan to be used to reduce certain future Plan expenses. The plan expense account balance was zero at December 31, 2021 and 2020. There were no compensation amounts available to be used during 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS

Forfeitures - Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The nonvested portion of terminated participants' account balances may be used to reduce future employer contributions or to pay the Plan's administrative expenses. As of December 31, 2021 and 2020, the Plan had approximately \$5,700 and \$1,400, respectively, in the forfeitures account. During the years ended December 31, 2021 and 2020, the Company used forfeitures to offset Company contributions of approximately \$1,400 and \$8,500, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the Plan's fully benefit-responsive group annuity contract which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

The Plan's group annuity contract is valued at contract value. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. See Note 5 for discussion of group annuity contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefit payments to participants are recorded when paid.

Administrative Expenses - The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan Document. Expenses paid by the Plan are allocated to participant accounts on a prorated basis or paid out of available forfeitures or compensation account funds, as defined in the Plan Document. Investment related expenses are included in net appreciation in fair value of investments. Certain administrative functions are performed by employees of the Company. No such employee received compensation from the Plan.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC

NOTES TO FINANCIAL STATEMENTS

Income Taxes - The IRS has determined and informed the Plan's volume submitter on March 31, 2014 that the Defined Contribution Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended and restated since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized as of December 31, 2021 or 2020.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine tax audits by jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to informational return examinations for years prior to 2018.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS:

4. FAIR VALUE MEASUREMENTS:

The Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 Fair Value Measurements:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements:

Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS

Mutual and money market funds: Mutual funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value ("NAV") as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Money market funds are valued at cost plus interest earned, which approximates fair value.

Self-directed brokerage accounts: Self-directed brokerage accounts generally include equity securities (common stocks) that are traded on a national stock exchange. Valued at the closing price reported on the active market on which the individual securities are traded.

Common collective trust funds: These funds are valued at the NAV per share of the individual collective trusts included in each respective fund, which is based on the fair value of the underlying net assets. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value.

Investments measured at the NAV practical expedient are summarized as follows:

	<u>2021 Value</u>	<u>2020 Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trust funds:				
Lifecycle	\$ <u>9,737,903</u>	\$ <u>8,685,461</u>	Daily	None

There were no unfunded commitments for these investments at December 31, 2021 and 2020.

The objectives for the investments measured using the net asset or unit value are as follows:

Lifecycle: To invest in a diversified asset allocation which adjusts over time to be more conservative as retirement nears.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

* Certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the accompanying statements of net assets available for benefits.

Gains and losses (realized and unrealized) included in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

5. GROUP ANNUITY CONTRACT:

The Plan has a group annuity contract with Great-West Life & Annuity Insurance Company, the Custodian, that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract since the contract was determined to be fully benefit-responsive. The contract is included in the accompanying financial statements at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest is based on a formula agreed upon with the issuer but may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan Document (including complete or partial Plan termination or merger with another plan) (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The average yield earned by the Plan for the benefit-responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2021 and 2020 was .90% and 1.04%, respectively.

The actual average yield earned by the Plan for the benefit-responsive fund can be derived by averaging the Plan's quarterly interest rates. That average for 2021 and 2020 was .90% and 1.04%, respectively.

6. PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the Custodians of the Plan. These transactions qualify as party-in-interest transactions.

Certain investment related fees incurred by the Plan have been included in net appreciation in fair value of investments as they are paid through revenue sharing rather than as a direct payment.

The Custodians receive fees for contract administrative and investment services provided. Fees paid using Plan assets during the years ended December 31, 2021 and 2020 for those services totaled \$100,024 and \$82,980, respectively. These fees were based on customary and reasonable rates for such services. The Plan Sponsor directly pays any other fees related to the Plan's operations. The Plan Sponsor also provides certain accounting and administrative services to the Plan for which no fees are charged.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements.

OB/GYN SPECIALISTS OF THE PALM BEACHES, II, LLC
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

9. COVID-19:

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spread globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and contributed to deterioration and instability in financial markets. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and the related impact on the Plan's liquidity cannot be determined at this time.

10. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through October 13, 2022, the date which the financial statements were available to be issued. No significant subsequent events have been identified by management.
