Independent Auditor's Report

Trustees
Custom-Pak, Inc. Employees' 401(k) Retirement Plan
Clinton, Iowa

Opinion

We have audited the financial statements of Custom-Pak, Inc. Employees' 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Custom-Pak, Inc. Employees' 401(k) Retirement Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Custom-Pak, Inc. Employees' 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Custom-Pak, Inc. Employees' 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Custom-Pak, Inc. Employees' 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Custom-Pak, Inc. Employees' 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CUSTOM-PAK, INC. EMPLOYEES' 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Custom-Pak, Inc. Employees' 401(k) Retirement Plan is provided for general information purposes only. Participants should refer to the Plan description or the Plan document for more complete information.

General. The Plan is a defined contribution plan covering substantially all employees of Custom-Pak, Inc. (Company). Employees are required to have ninety days of service and to have attained age 18 for plan participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year participants may voluntarily contribute, on a pre-tax basis, a portion of their compensation, up to the annual limits, to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Company makes matching contributions of 50% of employee deferrals, with a maximum of \$1,500. The participants allocate their accounts for investment purposes among options offered through Fidelity Investments including mutual funds and a collective trust fund.

Participant Accounts. Each participant's account is credited with (1) the participant's voluntary contributions, (2) the Company's matching and discretionary contributions, if any, (3) Plan earnings and losses, and (4) administrative expenses. Allocation of the Company's discretionary profit sharing contributions, if any, is made in the ratio that each participant's compensation for the plan year bears to the total compensation of all eligible participants for the plan year.

Vesting. Participants are immediately vested in their voluntary salary deferrals and rollover accounts. Vesting in the remainder of their accounts is determined on the basis of years of service. A participant is 100 percent vested after being credited with six years of service. Forfeitures of nonvested accounts are used to offset future Company contributions.

Payment of Benefits. Upon death, disability or retirement, participants will be entitled to payment of their entire account balance. In the event of termination of service, participants will be entitled to receive only the vested percentage of their account balance. Benefit payments can be taken as a single lump-sum payment or in installments based on life expectancy. Participants receive lump-sum distributions if their vested account balance does not exceed \$5,000 at the time of their termination of service.

Notes Receivable from Participants. Participants are permitted to borrow from their account balance a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. The loans are secured by the balance in the participant's account and bear interest at a rate of one percent above the published prime rate at the time of the loan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Custom-Pak, Inc. Employees' 401(k) Retirement Plan was established on January 1, 1989. The Plan is sponsored by Custom-Pak, Inc. The Plan year ends on December 31. Significant accounting policies followed by the Plan are presented below.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates that affect the financial statements and accompanying notes. Actual results could differ from those estimates.

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition

Investments are reported at fair value. The fair value of investments is based upon quotations obtained from national securities exchanges or, in the case of regulated investment funds, based on the quoted net asset value of the fund. Participant loans are valued at cost, which approximates fair value. The net appreciation in fair value of investments includes investments purchased, sold and held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Management has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust: Valued at the NAV of units of the collective trust. NAV is a readily determinable fair value and is the basis for the current transactions. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 40,036,265	\$ -	\$ -	\$ 40,036,265
Common/collective trust	<u>-</u>	<u>3,929,130</u>	<u>-</u>	<u>3,929,130</u>
Total investments at fair value	<u>\$ 40,036,265</u>	<u>\$ 3,929,130</u>	<u>\$ -</u>	<u>\$ 43,965,395</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 35,327,859	\$ -	\$ -	\$ 35,327,859
Common/collective trust	<u>-</u>	<u>3,921,260</u>	<u>-</u>	<u>3,921,260</u>

NOTE 4 - INCOME TAXES

The IRS has determined and informed the Company by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator and the trustees believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Continued qualification of the Plan will depend on the operation of the Plan in compliance with IRS regulations.

NOTE 5 - PLAN TERMINATION

Although it has not expressed an intent to do so, Custom-Pak, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts, the Plan assets will continue to be held to pay benefits to all covered participants, and no assets can be returned to the employer.

NOTE 6 - ASSETS ALLOCATED TO WITHDRAWN PARTICIPANTS

The Plan has assets allocated to withdrawn participants of \$5,257,089 and \$4,862,803 at December 31, 2021 and 2020, respectively. These amounts are distributable to participants as of the Plan's year end, but disbursement from the Plan has not occurred as of that date.

NOTE 7 - FORFEITURES

At December 31, 2021 and 2020, forfeited nonvested accounts aggregating \$31,565 and \$6,826, respectively, are included in the Plan's net assets available for benefits. These accounts will be used to reduce future employer contributions. Forfeitures of \$-0- and \$24,400 were used to reduce employer contributions during the years ended December 31, 2021 and 2020, respectively.

NOTE 8 - RELATED PARTY TRANSACTIONS

Certain Plan investments were shares of mutual funds managed by Fidelity Investments. Fidelity Investments was the asset custodian, as defined by the Plan and, therefore, those transactions qualify as party-in-interest.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect balances and the amounts reported in the statements of net assets available for benefits.
