INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the Magna Legal Services 401(k) / Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Magna Legal Services 401(k) / Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information as described in Note 6 to the financial statements is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion on the 2021 Financial Statements (Continued)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Magna Legal Services 401(k) / Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Magna Legal Services 401(k) / Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Magna Legal Services 401(k) / Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Magna Legal Services 401(k) / Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

Supplemental Schedules Required by ERISA

The supplemental schedules Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Magna Legal Services 401(k) / Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us to not perform and did not perform any auditing procedures with respect to the information certified by a qualified institution.

Auditors' Report on the 2020 Financial Statements (Continued)

In our report dated October 14, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MAGNA LEGAL SERVICES 401(k) / PROFIT SHARING PLAN
PLAN #001
Notes to Financial Statements
December 31, 2021 and 2020

Note 1 - Description of Plan

The following description of the Magna Legal Services 401(k) / Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) was signed into law. The CARES Act contains several provisions that temporarily impact 401(k) type plans, such as the waiver of required minimum distributions for 2020. The Plan allows eligible individuals to receive COVID-19 relief available under the CARES Act in the form of coronavirus-related distributions and a delay in the due date for repayments for outstanding plan loans occurring during the period beginning on March 27, 2020, and ending on December 31, 2020, for one year as provided. The plan has not formally been amended to incorporate these provisions into the Plan. The deadline for adopting these amendments is December 31, 2022.

Effective December 31, 2021, all participants of the RecordTrak 401k / Profit Sharing Plan merged into the Plan, with assets totaling \$4,634,596 which is included on the Statement of Changes in Net Assets Available for Benefits as Plan Merger.

General

The Plan is a defined contribution plan covering all full-time employees of Magna Legal Services, LLC (“the Company”) who have attained the age of 21 and are not covered by a collective bargaining agreement, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Each employee who satisfies the eligibility requirements will be automatically enrolled in the Plan if, after given a reasonable opportunity to respond, they do not indicate either the amount or percentage of compensation to be deferred or that they opt not to make elective deferrals. Upon automatic enrollment, 3% of the participant’s compensation will be withheld, contributed and treated as a pre-tax elective deferral. If the participant is automatically enrolled and does not indicate their investment elections, the default investments are the My Retirement Path Index Funds based on the participants expected retirement date.

The Plan also entitles plan participants to make elective deferrals to Roth 401(k) accounts. These deferrals are included in the participant’s taxable income and, once deferred, are irrevocably designated as Roth elective deferrals.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, not to exceed annual dollar limitations imposed by the Internal Revenue Service (“IRS”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“Rollovers”).

PLAN #001**

**Notes to Financial Statements
December 31, 2021 and 2020**

Note 1 - Description of Plan (continued)

Contributions (Continued)

Annually, the Company will make required safe harbor contributions to the Plan for eligible participants equal to 3% of their compensation, as limited by the Internal Revenue Code ("IRC"). The Company may also contribute a discretionary profit sharing contribution at such amounts allocated to eligible participants, pro rata, by class, based on compensation. In addition, the Company may make a matching contribution on behalf of eligible participants in an amount equal to either a percentage of compensation or a dollar amount as it directly relates to elective deferrals made during the year by eligible participants. Participants direct the investment of their contributions and those provided to them by the Company into various investment fund options offered by the Plan.

Total employer matching contributions for the year ended December 31, 2021 was \$592,285, which was funded by the Company subsequently. There were no employer discretionary profit sharing contributions for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions and any Company contributions on their behalf, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferral contributions, rollovers and employer safe harbor contributions made on their behalf, plus actual earnings thereon. With respect to the Company's matching and discretionary portions, a participant is 20% vested after 2 years of continuous service increasing to 100% after six years.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance in the plan, reduced by the participant's highest outstanding note balance to the plan during the one-year period ending on the day before the date on which the note is made, whichever is less. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% through 6.50%, maturing through September 2026. Principal and interest are paid ratably through payroll deductions over a reasonable period of time. Any outstanding loans are due and payable upon termination of employment.

PLAN #001**

**Notes to Financial Statements
December 31, 2021 and 2020**

Note 1 - Description of Plan (continued)

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive benefits in a lump sum or in installment payments (over a period not to exceed the life expectancy of the participant, or the participant and his/her designated beneficiary). If a participant is terminated, the participant must consent to any distribution when his/her vested account balance exceeds \$5,000. The value of the participants vested account balance shall exclude rollover contributions that the participant may have made to the Plan.

Upon termination, if the participant does not make a timely election with respect to a cash-out distribution of an amount greater than \$1,000 but less than or equal to \$5,000, a direct rollover will be made on their behalf of their vested account balance into an individual retirement account or annuity ("IRA"). If the amount is under \$1,000, unless instructed in writing to rollover such amount to either an IRA or another qualified retirement plan, the participant will receive a check representing their vested account balance less the applicable 20% federal income tax withholding.

Forfeited Accounts

As of December 31, 2021, and 2020, forfeited non-vested accounts totaled \$16,529 and \$3,463, respectively. Forfeitures of non-vested account balances of terminated employees are used to offset Plan expenses or reduce the Company's contributions. There were no forfeitures utilized to reduce employer contributions during the year ended December 31, 2021.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 - Fair Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**MAGNA LEGAL SERVICES 401(k) / PROFIT SHARING PLAN
PLAN #001**

**Notes to Financial Statements
December 31, 2021 and 2020**

Note 2 - Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other fees are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued, but unpaid, interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020, respectively. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the participant note balance is reduced and a deemed distribution is recorded.

Note 3 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts that were funded by matching and discretionary contributions.

Note 4 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 5 - Tax Status

The Internal Revenue Service has determined and informed the Trustee by a letter dated June 30, 2020 that its profit sharing/money purchase/CODA plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC") and is exempt from income taxes. The Plan's administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

**MAGNA LEGAL SERVICES 401(k) / PROFIT SHARING PLAN
PLAN #001**

**Notes to Financial Statements
December 31, 2021 and 2020**

Note 5 - Tax Status (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authority. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Note 6 – Information Prepared and Certified by the Trustee (unaudited)

Certain information related to investments in the accompanying financial statements and supplemental schedule, including investments at fair value and notes receivable from participants held as of December 31, 2021, net appreciation in fair value of the investments, dividend income and interest income on notes receivable from participants for the periods of January 1, 2021 to July 26, 2021 and July 27, 2021 to December 31, 2021, was obtained or derived from information supplied to management and certified as complete and accurate by PNC Bank, National Association (the “Prior Trustee”) and Great-West Trust Company, LLC (the “Trustee”), respectively.

Certain information related to investments in the accompanying financial statements and supplemental schedule, including investments at fair value and notes receivable from participants held as of December 31, 2020, net appreciation in fair value of the investments, dividend income and interest income on notes receivable from participants for the year ended December 31, 2020, was obtained or derived from information supplied to management and certified as complete and accurate by the Prior Trustee.

Note 7 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

- Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**MAGNA LEGAL SERVICES 401(k) / PROFIT SHARING PLAN
PLAN #001**

**Notes to Financial Statements
December 31, 2021 and 2020**

Note 7 – Fair Value Measurements (continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust – Common collective trust ("CCT") is valued at net asset value of units held by the Plan. The NAV, as provide by the Custodian of the CCT, is used as a per share practical expedient to estimate fair value.

Fixed annuities – Values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investments measured at NAV (a)				312,015
Investments at fair value	\$ 8,560,194	\$ -	\$ -	\$ 8,872,209

- (a) In accordance with U.S. GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2021 are included in the net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between level 1 and 2 and into and out of level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no transfers between level 1 and 2 and no transfers into or out of level 3.

The investment strategy for the My Retirement Path Index Funds is to provide long term investors with an asset allocation strategy designed to maximize their retirement savings consistent with the risk that investors may be willing to accept given their investment time horizon.
