INDEPENDENT AUDITOR'S REPORT

To the Trustee and Plan Administrator
Atlantic Waste Services, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Atlantic Waste Services, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within in one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements, continued

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules H, Line 4a – Schedule of Delinquent Participant Contributions and Line 4i – Schedule of assets (held at end of year), are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ATLANTIC WASTE SERVICES, INC. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Atlantic Waste Services, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 2018, and last amended and restated, effective November 1, 2021, is a defined contribution plan covering all employees of Atlantic Waste Services, Inc. (the Company) who have completed 3 months of service and are age 21 or older. Employees are automatically enrolled in the Plan on the first day of each plan quarter, coincident with or following the date they become eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a percentage of pretax and post-tax annual compensation, not to exceed statutory limitations as set by law, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and an insurance investment contract as investment options for participants. The Plan operates under an automatic enrollment program, under which after a participant receives a notice from the Plan Administrator of eligibility, if the participant does not make an elective deferral contribution election, the participant will be deemed to have an automatic contribution. The elective deferral contribution amounts are specified in the table below:

<u>Employment Period</u>	<u>Percentage of Compensation</u>
Initial period*	3%
1st year after initial period	4%
2nd year after initial period	5%
3rd year after initial period	6%

* The initial period begins when you are first eligible and continues until the end of the subsequent Plan year.

The Company may make non-safe harbor matching contributions, safe harbor matching contributions, and profit sharing contributions. A participant is eligible to receive all above employer contributions after completing 3 months of service and age 21. During the year, the Company contributed non-safe harbor matching contributions in an amount equal to: (i) 100% of the matched employee contributions that are not in excess of 1% of compensation, plus (ii) 50% of the amount of the matched employee contributions that exceed 1% of compensation but that do not exceed 6% of total compensation. The Company did not make safe harbor matching contributions or profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contribution, and an allocation of investment earnings and charged with an allocation of investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions and any safe harbor contributions made on their behalf. Participant's interest in their discretionary non-safe harbor matching contributions account and profit sharing contributions will vest based on the participant's years of vesting service (defined below) in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1 but less than 2	50%
2 or more	100%

ATLANTIC WASTE SERVICES, INC. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN, continued

Payment of Benefits

On termination of service due to death, disability, or retirement, termination, or other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account, in either a lump-sum amount, or in installments over a designated period of time.

Notes Receivable from Participants

Participants may borrow from their participant account at a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the participant's vested interest in the Plan. The loans are secured by the balance in the participant's account and bear reasonable interest rates which were 4.25%-5.75%. Loan terms currently range from 1 to 5 years. Principal and interest are paid ratably through bi-weekly payroll deductions.

Forfeited Accounts

Forfeitures are used to reduce employer contributions in the Plan. At December 31, 2021 and 2020, there were forfeitures held in the amount of \$41,434 and \$5,761, respectively. The forfeited accounts will be allocated or used to pay administrative expenses or fund future employer contributions as soon as administratively feasible.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value and contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements. See Note 4 for further explanations of contract value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Subsequent Events

Subsequent events have been evaluated for potential recognition and/or disclosure through October 13, 2022. This represents the date the financial statements were available to be issued.

NOTE 3. CERTIFICATION OF ASSETS AND INCOME

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (Empower), the custodian of the Plan, as complete and accurate to the best of their knowledge, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedules.

a) Assets held and certified by Empower at December 31:

	2021	2020
Mutual funds, at fair value	\$ 1,505,537	\$ 655,821
Contract with insurance company, at contract value	116,486	18,156
Notes receivable from participants	14,364	9,911
	<u>\$ 1,636,387</u>	<u>\$ 683,888</u>

b) Income certified by Empower for the year ended December 31, 2021:

	Net Appreciation in Fair Value	Interest and dividend income
Mutual funds	\$ 41,607	\$ 104,974
Notes receivable from participants	-	669
	<u>\$ 41,607</u>	<u>\$ 105,643</u>

NOTE 4. CONTRACT WITH INSURANCE COMPANY

The Plan has a benefit-responsive investment contract with Empower. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. At December 31, 2021 and 2020, contract value equals the fair value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2021 and 2020 was \$116,486 and \$18,156, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than approximately .90% before fees and administrative expenses. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include but may not be limited to the following: (1) partial or complete Plan termination; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs.

ATLANTIC WASTE SERVICES, INC. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 4. CONTRACT WITH INSURANCE COMPANY, continued

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The following represents the disaggregation of the contract value types of investment contracts held by the Plan:

	<u>2021</u>	<u>2020</u>
Traditional investment contract	<u>\$ 116,486</u>	<u>\$ 18,156</u>

NOTE 5. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ATLANTIC WASTE SERVICES, INC. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 5. FAIR VALUE MEASUREMENTS, continued

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of:

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,505,537	\$ -	\$ -	\$ 1,505,537
Total assets at fair value	<u>\$ 1,505,537</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,505,537</u>

December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 655,821	\$ -	\$ -	\$ 655,821
Total assets at fair value	<u>\$ 655,821</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 655,821</u>

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting year.

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investment contract with an insurance company is also with Empower. Empower is the custodian of this investment and, therefore, this investment qualifies as a party-in-interest.

Administrative expenses paid directly from the Plan assets to the party-in-interest stated above or its related entities totaled \$8,150 for the year ending December 31, 2021.

Notes receivable from participants, totaled \$14,364 and \$9,911 at December 31, 2021 and 2020, respectively and qualify as party-in-interest transactions.

NOTE 7. PLAN TERMINATION

The Company anticipates and believes that the Plan will continue without interruption but has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the Plan assets would be distributed to participants on the basis of their prorated values at the termination date.

NOTE 8. TAX STATUS

The Company has adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement, which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

FASB ASC 740-10-5 requires the Plan Administrator to annually evaluate the Plan's tax positions, including accounting and measurement of uncertain tax positions. For the year ending December 31, 2021, the Plan Administrator concluded that no uncertain tax positions had been taken that would require adjustment to or disclosure in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state, or local tax authorities for years before 2018.

ATLANTIC WASTE SERVICES, INC. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In early 2020, COVID-19 surfaced in China, and subsequently spread to other countries, including the United States. In March 2020, the World Health Organization declared COVID-19 a global pandemic and the United States declared a National Public Health Emergency. The COVID-19 pandemic severely impacted domestic and global economic conditions, resulting in substantial volatility in domestic and global financial markets, increased unemployment, and operational challenges such as the temporary closures of businesses, sheltering-in-place directives and increased remote work protocols. Governments and central banks around the world reacted to the economic crisis caused by the pandemic by implementing stimulus and liquidity programs and cutting interest rates. In the fourth quarter of 2020, vaccines began to become available in the United States and as more people were vaccinated the spread of COVID-19 slowed. In most regions of the country, businesses returned to operating in a more normal capacity.

In 2021, two variants of the virus began to spread, Delta in June and Omicron in November. Other variants started to develop in 2022. While booster vaccine shots were also made available and proved effective in reducing the severity of the virus on individuals, COVID-19 began to spread again as a result of both variants, causing further disruption in domestic and global economic conditions, particularly in domestic and global supply chains. The disruption in the supply chains has led to extreme inflation rates. The spread of both variants has slowed as of the date of these financial statements; however, more variants could surface and if the vaccine proves to be less effective against new variants and the COVID-19 virus begins to spread again, the adverse impact on the domestic and the global economies could worsen, and the net assets of the Plan could be adversely affected.

The impact of COVID-19 on the Plan's net assets of the Plan remains dependent on future developments, including the continued effectiveness of the vaccine, coverage of people receiving the vaccine, and the spread of potential new variants.

NOTE 10. PROHIBITED TRANSCATIONS AND DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2021, the Company inadvertently failed to deposit \$169,355 of participant contributions within the required timeframe as stated by the United States Department of Labor regulations. To correct this failure for the year, the Company will deposit lost earnings subsequent to year end. The Company will also file Form 5330 and pay the applicable excise tax subsequent to year end. The excise tax payments will be paid from the Plan Sponsor's assets and not from the assets of the Plan.

During 2020, the Company inadvertently failed to deposit \$66,916 of participant contributions within the required timeframe as stated by the United States Department of Labor regulations. To correct this failure for the year, the Company deposited lost earnings in October 2021. The Company also filed Form 5330 and paid the applicable excise tax in October 2021. The excise tax payments were paid from the Plan Sponsor's assets and not from the assets of the Plan.
