The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held At End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator  
Best Supply, Inc. 401(k) Retirement Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Notes to Financial Statements**

### **December 31, 2021 and 2020**

#### **Note 1: Description of Plan**

The following description of Best Supply, Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan’s provisions.

#### General

The Plan is a defined contribution and profit sharing plan covering all employees of Best Supply, Inc. (the “Company”) who have one month of service, except for collectively bargained employees, non-resident aliens, and leased employees, as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator, with the assistance from the Plan’s 401(k) Plan Committee and professional advisors, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

During the year ended December 31, 2020, amendments consistent with the relief provided pursuant to the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) were adopted.

#### Contributions

Each year, participants may contribute up to 100% of pretax or post tax (Roth) annual compensation, as defined in the plan agreement. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Effective January 24, 2019, the plan agreement was amended to decrease the automatic deferral percentage from 5% to 3% of eligible compensation for all new participants entering the Plan on or after March 1, 2019. Any participant who was previously auto enrolled in the Plan at 5% will continue to defer at 5%, unless the participant enters into a new salary deferral election. Effective April 1, 2020, active participants (who are not suspended from making deferral contribution and are without a deferral election on file) will be automatically enrolled in the Plan at an automatic deferral percentage of 3% of eligible compensation, as defined in the Plan. Also, effective March 1, 2019, an automatic deferral increase feature is added to the Plan whereby each Plan year the automatic deferral amount will increase by 1% of eligible compensation not to exceed 5% of eligible compensation. The Company makes discretionary contributions up to 10% of eligible compensation that an eligible participant contributes to the Plan. The Company may make additional discretionary contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

# **Best Supply, Inc. 401(k) Retirement Plan**

## **Notes to Financial Statements**

**December 31, 2021 and 2020**

### **Note 1: Description of Plan (continued)**

#### Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contributions, as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary and matching contribution portions of their accounts is based on years of continuous credited service. A participant is 100% vested after four years of service.

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 1% above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

During the year ended December 31, 2020, the Plan was amended to comply with the CARES Act to increase the maximum loan amount for qualified individuals taking loans between March 27, 2020 and September 23, 2020 to the lesser of 100% of the participant's vested account balance or \$100,000. Additionally, the Plan adopted the suspension of loan repayments under existing or new loans that were due on or after March 27, 2020 through December 31, 2020.

#### Payment of Benefits

On termination of service due to death, disability, retirement, or for other reasons, a participant may elect to receive either a lump sum equal to the value of the participant's vested interest in his or her account, equal installments over a specified period of time, or partial payments requested from time to time. For termination of service due to other reasons a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

During the year ended December 31, 2020, the Plan was amended to comply with the CARES Act to allow for the Coronavirus-Related Distribution until December 30, 2020, if a participant met the definition of a qualified individual.

## **Notes to Financial Statements**

**December 31, 2021 and 2020**

### **Note 1: Description of Plan (continued)**

#### Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$18,404 and \$11,888, respectively. These accounts will first be used to pay administrative expenses incurred by the Plan. Any remaining forfeited balances will then, at the discretion of the Company, be used to reduce future employer contributions. During the year ended December 31, 2021, no forfeited nonvested accounts were utilized.

### **Note 2: Summary of Significant Accounting Policies**

#### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### Basis of Presentation

The Plan follows authoritative guidance issued by the Financial Accounting Standards Board (FASB), which established the FASB Accounting Standards Codification (ASC) as the single source of authoritative accounting principles generally accepted in the United States of America.

#### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator, with the assistance from the Plan's 401(k) Committee, determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

# **Best Supply, Inc. 401(k) Retirement Plan**

## **Notes to Financial Statements**

**December 31, 2021 and 2020**

### **Note 2: Summary of Significant Accounting Policies (continued)**

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

#### Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 and 2020 excess contributions payable to participants in 2022 and 2021, respectively.

#### Payment of Benefits

Benefits are recorded when paid.

#### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

#### Subsequent Events

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

Effective September 16, 2022, the Plan was amended to increase the automatic deferral increase cap to 8% of eligible compensation.

### **Note 3: Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

## Notes to Financial Statements

December 31, 2021 and 2020

### Note 4: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Registered investment companies:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust:* Valued at the NAV of units of the units of the investment. The NAV, as provided by the investment's manager, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying assets held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported amount.

\*In accordance with the "Fair Value Measurement" topic of the FASB ASC, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes the investment measured at fair value based on NAV per share as a practical expedient as of December 31:

### Note 5: Related-Party Transactions and Party-in-Interest Transactions

Certain plan assets are invested in a registered investment company managed by the trustee of the Plan. The Plan pays administrative fees to third-party service providers. These transactions qualify as party-in-interest transactions.

### Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## **Notes to Financial Statements**

**December 31, 2021 and 2020**

### **Note 7: Tax Status**

The IRS has determined and informed Fidelity Management & Research Co. by letter dated March 31, 2014, that the Volume Submitter Profit Sharing Plan with CODA, which the Plan follows, is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **Note 8: Risks, Uncertainties, and Contingencies**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In early calendar 2020, the Plan began dealing with the effects of the Coronavirus pandemic (COVID-19). Disruptions to business operations, including government mandated actions and employee, supplier and customer related challenges have impacted many businesses. The financial markets have experienced high volatility. The effect of COVID-19 has continued subsequent year-end and management is unable to determine the impact it will have on the Plan.

Subsequent to year-end, management discovered that certain participant deferral elections were not being made as requested by the participants. Management is currently in the process of determining which participants were affected and to what extent. Any under withholdings of participant contributions that are required to be corrected will be remitted to the participants' accounts, including the Company matching contributions, as well as any lost earnings. An estimate of the under withholdings of participant contributions required to be corrected, as well as the Company match and any lost earnings cannot be determined by management until the analysis is completed.
