## **INDEPENDENT AUDITOR'S REPORT**

Board of Directors and Plan Administrator  
403(b) Thrift Plan for Gulfside Healthcare Services, Inc.  
Land O' Lakes, Florida

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan for Gulfside Healthcare Services, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 7, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

#### **Contributions**

Immediately upon hire, substantially all employees of the Company may contribute a percentage of their pre-tax annual compensation, as defined in the Plan, up to the maximum allowed by the Internal Revenue Service (“IRS”) on an annual basis. Employees who attain the age of 50 before the close of the calendar year are permitted to make additional Catch-Up Contributions, as prescribed by the Internal Revenue Code (“IRC”). Contribution deferral percentages can be changed throughout the year.

The Company may, at its discretion, elect to make qualified matching contributions to the Plan. Employees who have completed one year of service, as defined by the Plan, and are age 18 or older, are eligible to receive Company matching contributions. The Company’s matching contribution was 100% of participant deferrals up to 4% of the participant's compensation for the year ended December 31, 2021. The Company may also make discretionary contributions to the Plan each year. There was no discretionary contribution made during 2021. The Plan also includes an Automatic Contribution Arrangement where 1% of eligible participant wages will automatically be deferred unless an affirmative election is made.

#### **Participant Accounts**

A separate account is maintained for each participant. Each participant’s account is credited with the participant’s contribution, the Company’s contribution, an allocation of Plan earnings, and may be charged for Plan administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**NOTE 1 - PLAN DESCRIPTION (Continued)****Vesting**

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service as follows:

| <u>Years of Service</u> | <u>Percentage Vested</u> |
|-------------------------|--------------------------|
| 1                       | 0%                       |
| 2                       | 25%                      |
| 3                       | 50%                      |
| 4                       | 75%                      |
| 5                       | 100%                     |

A participant is fully vested upon reaching early retirement age, death, or permanent disability.

**Forfeited Accounts**

Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. The unallocated forfeitures account, which consists of the unused balance of terminated participants' non-vested employer contributions, approximated \$23,000 and \$11,000 at December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, approximately \$3,400 of forfeited account balances were used to offset employer contributions to the Plan.

**Investment Options**

Participants may direct their account balance among any of the investment options offered by the Plan, including pooled separate accounts and fixed interest accounts. Participants may change their investment options at any time, with certain exceptions.

**Participant Loans with Plan Custodians**

The Plan provides for participants to obtain loans directly from Mutual of America Life Insurance Company ("Mutual of America") or Variable Annuity Life Insurance Company ("VALIC") (collectively, the "Plan Custodians"), as opposed to borrowing from their individual accounts; accordingly, such loans are not deemed to be Plan assets. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. Loan terms may not exceed five years, unless made to purchase a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at a rate based on Moody's Average Corporate Yield for VALIC loans and for Mutual of America loans at a rate 3% higher than the crediting rate for amounts in their general account. Loans must be repaid to the Plan Custodians by the participant in accordance with the repayment terms of the agreement. In the event of default, foreclosure on the participant's account balance will not occur until a distributable event occurs in the Plan. At December 31, 2021 and 2020, the amount collateralized for participant loans held by the Plan Custodians approximated \$165,000 and \$134,000, respectively.

## **NOTE 1 - PLAN DESCRIPTION *(Continued)***

### **Payment of Benefits**

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum payment equal to the value of the participant's vested interest in their account, or installments or annuity payments over a fixed period of time, not to exceed the life expectancy of the participant/designated beneficiary. The Plan allows for in-service distributions if a participant reaches age 59 1/2 and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator may authorize the benefit payment without the participant's consent.

## **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting.

### **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments in pooled separate accounts are reported at fair value and are valued using a market valuation basis at the reported closing net asset value ("NAV") of the funds on the last business day of the Plan year. NAV is based on the fair market value of the funds' underlying investments, less any unpaid expenses.

Purchases and sales of securities are recorded on a trade-date basis, and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation/depreciation in the fair value of the Plan's investments include the Plan's gains and losses on investments bought and sold, as well as the unrealized gains and losses on those investments that are held at the end of the year.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts. Contract value is deemed to be the relevant measurement attribute for those contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals, plus accrued interest. The Plan's investments in the VALIC Fixed Account Plus, the VALIC Short Term Fixed Account, and the Mutual of America Interest Accumulation Account are stated at contract value (see Note 5).

## **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)***

### **Investment Valuation and Income Recognition *(Continued)***

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### **Investment Risk**

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements, based on information provided by the Plan Custodians. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, changes in the values of investment securities will occur in the near term and it is reasonably possible that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **Payment of Benefits**

Benefits to participants are recorded when paid. As of December 31, 2021 and 2020, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

### **Administration and Investment Expenses**

Certain administrative expenses and professional fees are paid directly by the Company and will not be reimbursed by the Plan. Investment-related fees and commissions are recorded in net appreciation/depreciation in fair value of investments.

### **Subsequent Events**

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through October 13, 2022, the date the financial statements were available to be issued.

## **NOTE 3 - INFORMATION CERTIFIED BY THE PLAN CUSTODIANS**

The Plan Custodians hold the Plan's investments and execute all investment transactions. All investment information disclosed in the financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation in fair value of investments, and dividends and interest for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodians.

#### NOTE 4 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2021 and 2020:

|                          | December 31, 2021 |              |         |              |
|--------------------------|-------------------|--------------|---------|--------------|

| Pooled Separate Accounts | \$ -              | \$ 4,744,897 | \$ -    | \$ 4,744,897 |

#### NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

Investments held in unallocated insurance company contracts are invested in the VALIC Fixed Account Plus, the VALIC Short Term Fixed Account, and the Mutual of America Interest Accumulation Account. These funds are deemed to be fully benefit-responsive investment contracts and are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

**NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)**

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, withdrawals influenced by Company-initiated events, such as reallocation of investments, may result in a distribution at other than contract value, and are subject to certain restrictions. The Plan's ability to receive amounts due in accordance with fully benefit-responsive contracts is dependent on the contract issuer's ability to meet its financial obligations. There are no reserves against contract values for credit risk of the contract issuer or otherwise.

The VALIC Fixed Account Plus, the VALIC Short Term Fixed Account, and the Mutual of America Interest Accumulation Account contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. For the year ended December 31, 2021, the average yield for the VALIC fixed accounts and the Mutual of America Interest Accumulation Account approximated 2.0% and 0.9%, respectively.

**NOTE 6 - INCOME TAX STATUS**

The Plan is intended to be qualified under Section 403(b) of the IRC and is subject to the provisions of ERISA. The Plan document is a prototype plan prepared and maintained by Mutual of America. The prototype plan received a determination of qualification from the IRS. The Plan administrator believes that the Plan, as amended, is currently designed and being operated in compliance with the applicable requirements of the IRC and will remain exempt from federal income taxes.

**NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS**

During 2021, certain Plan investments were managed by the Plan Custodians and, therefore, these transactions qualify as party-in-interest transactions.

**NOTE 8 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

## **NOTE 9 - CARES ACT**

On March 27, 2020, congress signed into law Section 2202 of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act which provided plan sponsors the option of adopting, among other things, temporary provisions that would ease certain restrictions on taking of plan distributions.

As of March 30, 2020, the Plan operationally adopted modified distribution options in which qualified participants may withdraw up to \$100,000 from their vested balance. These distributions are not subject to the 10% early distribution penalty and the income tax associated with the distribution may be paid ratably over a three-year period.

These provisions are extended to any Plan participants regardless of age and employment status as long as they have been diagnosed with COVID-19 or have a spouse or dependent diagnosed with COVID-19, or have experienced adverse financial consequences as a result of being quarantined, furloughed, laid off, having to work reduced hours due to the virus, or being unable to work due to lack of childcare due to the virus or business closure. These special distribution provisions expired on December 31, 2020.

The Plan has until December 31, 2022, to formally amend the Plan and adopt these provisions of the CARES Act.
