INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Tax Deferred Annuity Plan of Connecticut Renaissance, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Tax Deferred Annuity Plan of Connecticut Renaissance, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Tax Deferred Annuity Plan of Connecticut Renaissance, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tax Deferred Annuity Plan of Connecticut Renaissance, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tax Deferred Annuity Plan of Connecticut Renaissance, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tax Deferred Annuity Plan of Connecticut Renaissance, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in

accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Tax Deferred Annuity Plan of Connecticut Renaissance, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TAX DEFERRED ANNUITY PLAN
OF CONNECTICUT RENAISSANCE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of the Tax Deferred Annuity Plan of Connecticut Renaissance, Inc. (the plan) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Connecticut Renaissance, Inc. (Company) who elect to be in the plan. Employees of Connecticut Renaissance, Inc. (Company) who have one year of service (effective May 1, 2014), have attained age twenty one or older, and have met the hours of service requirement under the plan are eligible for employer base contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA) as well as applicable sections of recent tax legislation. The Plan's assets are held by Mutual of America Investment Corporation and participant accounts are maintained by Mutual of America Retirement Services.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which included several temporary relief provisions available to tax qualified retirement plans and their participants. The Plan adopted certain measures included in the CARES Act. Under these provisions the Plan allowed for qualified participants to receive coronavirus-related distributions without penalty, increased the amount participants may take in Plan loans, and delayed repayments of any new or outstanding loans for up to one year. Additionally, required minimum distributions were delayed by one year, but could still be received at the request of a participant. Pursuant to the Setting Every Community Up for Retirement Enhancement Act ("the SECURE Act"), effective January 1, 2020, the age at which required minimum distributions must begin was increased from 70 ½ to 72. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Contributions:

Each year, participants may contribute up to the maximum allowable of pre-tax annual compensation not to exceed the limits of Code Section 402(g) (4), as defined in the Plan. Employer non-elective contributions may be made at the discretion of the Company and will be allocated in an amount determined by the employer. The Company has made no non-elective contributions to the plan for the years ended December 31, 2021 and 2020, respectively.

Participants Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan's earnings, and (c) forfeitures of terminated participant's nonvested accounts. Allocations are based on participant's earnings as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

OF CONNECTICUT RENAISSANCE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Vesting:

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's non-elective contribution portion of their accounts is based on years of continuous service and are vested as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Investment Options:

Upon enrollment in the Plan, a participant may direct employee contributions among investment choices in increments of one percent. Participants may change their investment options on any normal business day. The Plan currently offers one interest accumulation account and 40 mutual funds as investment options for participants.

Participants may change their investment options at their elections.

Participant Notes Receivable:

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through weekly payroll deductions.

Payment of Benefits:

Participants are eligible to receive benefits at normal retirement, age 59 ½. Participants may elect to receive a lump sum payment or substantially equal installments of their account balance over their remaining life and their beneficiary's life on termination of service due to death, disability or retirement. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts:

Total forfeited nonvested accounts amounted to \$25,119 and \$31,100 on December 31, 2021 and 2020, respectively. These accounts will be used to reduce future employer contributions. During 2021 and 2020, \$31,100 and \$8,936 of forfeited nonvested amounts under the Plan were reallocated as employer contributions, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements have been prepared on an accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Investment Valuation and Income Recognition:

Investments are reported at fair value, with the exception of the Plan's Interest Accumulation Account, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income from investments is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The Plan's net appreciation in the fair value of its investments consists of realized gains and losses and unrealized appreciation and depreciation on investments.

Notes Receivable From Participants:

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Payment of Benefits:

Benefits are recorded when paid.

Reclassifications:

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Valuations based on unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has ability to access.
- Level 2 Valuations based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.
- Level 3 Valuations based on unobservable inputs reflecting the Plan's own assumptions, consistent with reasonably available assumptions made by other market participants.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value for the years ended December 31, 2021 and 2020.

Mutual of America Interest Accumulation Account: Valued at contract value by discounting the related cash flows based on current years of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Pooled separate accounts: Valued at estimated fair value as provided by Mutual of America Life Insurance Company.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE CUSTODIAN

At December 31, 2021 and 2020 Mutual of America Investment Corporation held the Plan's investments. The following is a summary of the Plan's financial information that is included in the financial statements based on the information certified by the Trustee as complete and accurate in accordance with Section 2520.130-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The fair value of investments at December 31, 2021 and 2020 as reported by the Trustee is:

	<u>2021</u>	<u>2020</u>
Pooled Separate Accounts at Mutual of America	\$ 5,214,402	\$ 5,280,875
Guaranteed Interest Funds at Mutual of America	<u>398,566</u>	<u>850,166</u>
	<u>\$ 5,612,968</u>	<u>\$ 6,131,041</u>

The investment income reported on the statement of changes in net assets available for plan benefits was certified by Mutual of America Investment Corporation for investment income transactions as of December 31, 2021 and 2020.

The information included in supplementary Schedule of Assets (held at end of year) was certified by Mutual of America Life Insurance Company.

During 2021 and 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$782,486 and \$595,321, respectively.

5. ROLLOVERS

The Organization has elected to allow new employees to rollover their pension plan account balances from their former employer into the Plan upon being eligible to participate in the Plan.

6. ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

TAX DEFERRED ANNUITY PLAN
OF CONNECTICUT RENAISSANCE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Connecticut Renaissance, Inc., the plan's sponsor, paid the administrative costs related to maintaining the plan. The total amount paid or incurred by the plan sponsor was \$7,080 for the years ended December 31, 2021 and 2020.

7. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Accordingly, the contributions of the Employer are considered party-in-interest transactions. Certain Plan investments are shares of pooled separate accounts and an interest accumulation account managed by Mutual of America. Mutual of America Investment Corporation is the investment trustee as defined by the Plan and therefore these transactions qualify as party in interest transactions. Fees paid by the Plan for the administrative fees and services amounted to \$2,018 and \$2,206 for the years ended December 31, 2021 and 2020, respectively.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

9. TAX STATUS

The original effective date of the Plan was January 1, 1987. The Plan uses a prototype Plan document sponsored by Mutual of America. The document was amended effective on June 23, 2021 effective for plan years beginning January 1, 2021. The plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan Sponsor believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan's Annual Return/Report of Employee Benefit Plan (Form 5500) for the years ended December 31, 2019, 2020, and 2021 are subject to examination by the IRS.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities as directed by participants. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' self directed account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the global outbreak of COVID-19 a pandemic which has led to significant volatility in the investment markets. The specific impact of the COVID-19 global pandemic on the Plan's investment securities is not readily determinable as of the date of these financial statements.

11. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H FORM 5500

The following is a reconciliation of net assets available for benefits as reported in the Plan's financial statements at December 31, 2021 and 2020 to the Form 5500, respectively:

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Amounts allocated to deemed distributions of notes receivable from Participants are recorded as a receivable in the accompanying financial statements and recorded as an expense on form 5500.

A note receivable from Participants is deemed distributed during the plan year under the provisions of IRS section 72(p) and Treasury Regulation section 1.72(p) if the note receivable is treated as a note receivable solely of the Participant's individual account and the Participant has discontinued payment of the note receivable as of the end of the year. In accordance with GAAP, the note receivable balance is still considered as an outstanding note receivable until the note receivable obligation has been satisfied and is not treated as an actual distribution until such time the participant separates from employment and the participant's vested account balance is fully distributed.

12. SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued and has determined that there are no matters requiring disclosure in; or adjustment to these financial statements.
