INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
CBS Television Distribution Production 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the CBS Television Distribution Production 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution, Fidelity Management Trust Company, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

MITCHELL TITUS

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
CBS Television Distribution Production 401(k) Plan

Report on the Financial Statement

We were engaged to audit the accompanying financial statement of the CBS Television Distribution Production 401(k) Plan (the Plan), which comprises the statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the 2020 financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the Plan administrator by the trustee is complete and accurate.

NOTE 1 - PLAN DESCRIPTION

The following is a brief description of the CBS Television Distribution Production 401(k) Plan (the "Plan") and is provided for general information only. Participants should refer to the Plan document for more complete information regarding the Plan.

Effective January 1, 2016 (the "Effective Date"), the CBS Television Distribution Production 401(k) Plan was established. Fidelity Management Trust Company ("Fidelity") is the trustee, custodian, and recordkeeper for the Plan.

The Plan is a defined contribution plan sponsored by KWP Studios, Inc. (the "Company"). Effective January 1, 2020, eligible employees of the Company, who were not covered by a collective bargaining arrangement and had reached the age of 21, could enroll in the Plan after completing six months of service working in productions of "Entertainment Tonight", "Hot Bench", "Rachael Ray", "The Late Show" and "The Late Late Show". The age and service requirements were waived if a person was employed full time by the Company as of the Effective Date. Effective April 1, 2021, "The Drew Barrymore Show" was added as a participating show in the Plan. Participants were automatically enrolled in the Plan on the first day of the month following the attainment of age and service requirements, unless they already voluntarily enrolled, or had elected not to participate. The Plan is subject to the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), and the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and is overseen by the Paramount Global Administrative Committee.

The Paramount Global Investments Committee serves as the Plan's named fiduciary responsible for the investment of the Plan's assets and appoints the Plan's investment managers.

Exempt Party-in-Interest Transactions
Certain Plan investments were shares of funds managed by Fidelity and therefore qualify as party-in-interest transactions. The fair value of these investments was $1,119,714 and $784,103 at December 31, 2021 and 2020, respectively. For the year ended December 31, 2021, these investments appreciated by $154,095 and earned interest and dividends of $27,881.

For 2021, the Plan incurred expenses of $18,802 for services provided by Fidelity.

Participant Accounts
Each Plan participant's account is credited with the participant's contributions, the participant's share of the investment income (loss) and any allocated realized or unrealized gains (losses) of the Plan's assets, net of certain Plan expenses. The benefit to which a participant is entitled is the participant's vested account balance.

Contributions
Participants may contribute up to 20% of pre-tax annual compensation, as defined in the Plan. Contributions are subject to certain limitations. Participants may also make rollover contributions from distributions made from certain other eligible retirement plans. There are no Company matching contributions. All contributions are made to participant directed investments in various registered investment companies (mutual funds) and common collective funds. Contributions for participants who do not make investment elections are defaulted into the Plan's Qualified Default Investment Alternative, which is the BlackRock LifePath Index Fund with a target date that most closely aligns with the year in which the employee turns 65. The Code limit for participant contributions on a before-tax basis was $19,500 for 2021. All participants who have attained age 50 before the close of the calendar year are eligible to make catch-up contributions. The Code limit for catch-up contributions was $6,500 in 2021.

Vesting
Participants in the Plan are immediately vested in their own contributions and earnings thereon.

Forfeitures
At December 31, 2021 the Plan had a forfeiture balance of $562 available to be used to pay Plan administrative expenses.

Notes Receivable from Participants
Eligible participants may request a loan for up to the lesser of $50,000 (reduced by the highest outstanding loan balance in the previous 12 months) or 50% of the participant's vested account balance. During 2021, the minimum loan available to a participant was $1,000 and only one loan could be outstanding at any time. Loan terms range from 0 to 60 months or over a longer period of time, as determined by the Plan administrator, for the acquisition of a principal residence.

The loans are collateralized by the balance in the participant's account. The interest rate on participant loans is one percentage point above the annual prime commercial rate. Principal and interest are collected ratably through regular payroll deductions.

As of December 31, 2021, loans outstanding carried interest rates between 4.25% and 6.50%.

Payment of Benefits
Payment of benefits can be made under a number of circumstances including, termination of service due to death, disability or retirement. A participant or beneficiary is entitled to receive benefits in the form of a lump-sum payment equal to the value of the participant's vested interest in his or her account or a non-recurring partial payment from the participant's vested interest based upon terms set forth in the Plan document. In general, participants must receive a required minimum distribution ("RMD") upon attainment of a certain age, unless they are still employed. For individuals who attained age 70½ on or before December 31, 2019, that age is 70½. For individuals who attain age 70½ on or after January 1, 2020, in accordance with the Setting Every Community Up for Retirement Enhancement Act of 2019, that age is 72.

Additionally, participants can, upon termination, roll over distributions into an Individual Retirement Account ("IRA") or another company sponsored plan. The Plan also allows for hardship withdrawals under certain circumstances.

Plan Expenses
During 2021, all recordkeeping and trustee fees for the administration of the Plan, including loan, distribution, and investment transaction fees, are paid from participant or forfeiture accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States ("GAAP").

Investment Valuation
Investments in registered investment companies are reported at fair value based on quoted market prices representing the net asset value of the shares held in the Plan. The fair value of the Plan's investment in a common collective fund is determined using the Net Asset Value ("NAV") provided by the administrator of the fund as a practical expedient. The NAV is determined by the fund's trustee based upon the fair value of the underlying assets owned by the fund, less liabilities, divided by the number of outstanding units. The common collective funds have daily redemptions and a trading term of one day for participant directed redemptions. Complete

liquidation of the Plan's investments may require up to twelve months' notice unless waived at the discretion of the investment manager. The common collective funds had no unfunded commitments at December 31, 2021 or 2020.

Security Transactions and Income Recognition

Purchases and sales of securities are recorded on the trade date. The historical average cost basis is used to determine gains or losses on security dispositions. Interest income is recorded on an accrual basis and dividend income is recorded on the ex-dividend date.

Net appreciation or depreciation in the fair value of investments, included in the Statement of Changes in Net Assets Available for Benefits, consists of the realized gains and losses and the unrealized appreciation and depreciation on those investments presented at fair value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Defaulted participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan to make estimates and assumptions, such as those regarding fair value of investments, that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Subsequent events and transactions have been evaluated through October 13, 2022, which is the date the financial statements were issued, and are incorporated herein as applicable.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks such as interest rate, market and credit risk. Market values of investments could decline for several reasons including, changes in prevailing market and interest rates, increases in defaults, and credit rating downgrades. In addition, the COVID-19 pandemic continues to impact the macroeconomic environment in the United States and globally. The magnitude of the impact of COVID-19 and its variants will depend on numerous evolving factors, including the duration and extent of the pandemic, the impact of federal, state, local and foreign governmental actions, consumer behavior in response to the pandemic and such governmental actions, and the economic and operating conditions in the aftermath of COVID-19. Due to the evolving and uncertain nature of the pandemic, as well as the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of such securities, it is at least reasonably possible that changes in investment values in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the related Statement of Changes in Net Assets Available for Benefits.

NOTE 4 - INFORMATION CERTIFIED BY THE TRUSTEE

As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the trustee has certified the information below for 2021 and 2020, which has not been subject to audit, to be accurate and complete.

BlackRock LifePath Index Retirement Fund O	165,508	245,231
	$ 5,344,881	$ 4,475,186

The net appreciation, which includes gains and losses on investments bought and sold, as well as held during the year, of $700,299 was attributable to the Plan's investments in registered investment companies and common collective funds for the year ended December 31, 2021. Dividend and interest income of $43,833 was attributable to the Plan's investments in registered investment companies and common collective funds for the year ended December 31, 2021.

NOTE 5 - FAIR VALUE MEASUREMENTS

The following tables set forth the Plan's financial assets measured at fair value on a recurring basis at December 31, 2021 and 2020. See Note 2 for the valuation methodology used to measure the fair value of these investments. There have been no changes to the methodologies used to measure the fair value of each asset from December 31, 2020 to 2021. These assets have been categorized according to the three-level fair value hierarchy established by the Financial Accounting Standards Board ("FASB"), which prioritizes the inputs used in measuring fair value. Level 1 is based on quoted prices for the asset in active markets. Level 2 is based on inputs that are observable other than quoted market prices in Level 1, such as quoted prices for the asset in inactive markets or quoted prices for similar assets. Level 3 is based on unobservable inputs reflecting the Plan's own assumptions about the assumptions that market participants would use in pricing the asset. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The Plan has no investments classified within Level 2 or 3 of the valuation hierarchy.

December 31, 2021	**Level 1**	**Total**
Registered investment companies [(a)]	$ 1,400,192	$ 1,400,192
Total assets in fair value hierarchy	$ 1,400,192	$ 1,400,192
Common collective funds, at net asset value [(b)]		$ 3,944,689

December 31, 2020	**Level 1**	**Total**
Registered investment companies [(a)]	$ 1,020,151	$ 1,020,151
Total assets in fair value hierarchy	$ 1,020,151	$ 1,020,151
Common collective fund, at net asset value [(b)]		3,455,035
Investments		$ 4,475,186

(a) Primarily invested in equities and fixed income securities.

(b) In accordance with FASB guidance, investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy.

NOTE 6 - INCOME TAX STATUS

On October 31, 2014, the IRS stated that the volume submitter adopted by the Plan qualified under Section 401(a) of the Code and that the Plan thereunder was exempt from federal income taxes under the provisions of Section 501(a) of the Code. Although the Plan has been amended since then, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Code. In addition, the Company has concluded that as of December 31, 2021, there were no uncertain tax positions taken or expected to be taken that require recognition of an asset or liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. There are no audits in progress for any tax year.

NOTE 7 - TERMINATION PRIORITIES

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan. In the event of Plan termination, participants become fully vested. Upon termination, the Plan provides that the net assets of the Plan would be distributed to participants based on their respective account balances.

INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
CBS Television Distribution Production 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the CBS Television Distribution Production 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution, Fidelity Management Trust Company, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
CBS Television Distribution Production 401(k) Plan

Report on the Financial Statement

We were engaged to audit the accompanying financial statement of the CBS Television Distribution Production 401(k) Plan (the Plan), which comprises the statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the 2020 financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the Plan administrator by the trustee is complete and accurate.

NOTE 1 - PLAN DESCRIPTION

The following is a brief description of the CBS Television Distribution Production 401(k) Plan (the "Plan") and is provided for general information only. Participants should refer to the Plan document for more complete information regarding the Plan.

Effective January 1, 2016 (the "Effective Date"), the CBS Television Distribution Production 401(k) Plan was established. Fidelity Management Trust Company ("Fidelity") is the trustee, custodian, and recordkeeper for the Plan.

The Plan is a defined contribution plan sponsored by KWP Studios, Inc. (the "Company"). Effective January 1, 2020, eligible employees of the Company, who were not covered by a collective bargaining arrangement and had reached the age of 21, could enroll in the Plan after completing six months of service working in productions of "Entertainment Tonight", "Hot Bench", "Rachael Ray", "The Late Show" and "The Late Late Show". The age and service requirements were waived if a person was employed full time by the Company as of the Effective Date. Effective April 1, 2021, "The Drew Barrymore Show" was added as a participating show in the Plan. Participants were automatically enrolled in the Plan on the first day of the month following the attainment of age and service requirements, unless they already voluntarily enrolled, or had elected not to participate. The Plan is subject to the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), and the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and is overseen by the Paramount Global Administrative Committee.

The Paramount Global Investments Committee serves as the Plan's named fiduciary responsible for the investment of the Plan's assets and appoints the Plan's investment managers.

Exempt Party-in-Interest Transactions
Certain Plan investments were shares of funds managed by Fidelity and therefore qualify as party-in-interest transactions. The fair value of these investments was $1,119,714 and $784,103 at December 31, 2021 and 2020, respectively. For the year ended December 31, 2021, these investments appreciated by $154,095 and earned interest and dividends of $27,881.

For 2021, the Plan incurred expenses of $18,802 for services provided by Fidelity.

Participant Accounts
Each Plan participant's account is credited with the participant's contributions, the participant's share of the investment income (loss) and any allocated realized or unrealized gains (losses) of the Plan's assets, net of certain Plan expenses. The benefit to which a participant is entitled is the participant's vested account balance.

Contributions
Participants may contribute up to 20% of pre-tax annual compensation, as defined in the Plan. Contributions are subject to certain limitations. Participants may also make rollover contributions from distributions made from certain other eligible retirement plans. There are no Company matching contributions. All contributions are made to participant directed investments in various registered investment companies (mutual funds) and common collective funds. Contributions for participants who do not make investment elections are defaulted into the Plan's Qualified Default Investment Alternative, which is the BlackRock LifePath Index Fund with a target date that most closely aligns with the year in which the employee turns 65. The Code limit for participant contributions on a before-tax basis was $19,500 for 2021. All participants who have attained age 50 before the close of the calendar year are eligible to make catch-up contributions. The Code limit for catch-up contributions was $6,500 in 2021.

Vesting
Participants in the Plan are immediately vested in their own contributions and earnings thereon.

Forfeitures
At December 31, 2021 the Plan had a forfeiture balance of $562 available to be used to pay Plan administrative expenses.

Notes Receivable from Participants
Eligible participants may request a loan for up to the lesser of $50,000 (reduced by the highest outstanding loan balance in the previous 12 months) or 50% of the participant's vested account balance. During 2021, the minimum loan available to a participant was $1,000 and only one loan could be outstanding at any time. Loan terms range from 0 to 60 months or over a longer period of time, as determined by the Plan administrator, for the acquisition of a principal residence.

The loans are collateralized by the balance in the participant's account. The interest rate on participant loans is one percentage point above the annual prime commercial rate. Principal and interest are collected ratably through regular payroll deductions.

As of December 31, 2021, loans outstanding carried interest rates between 4.25% and 6.50%.

Payment of Benefits
Payment of benefits can be made under a number of circumstances including, termination of service due to death, disability or retirement. A participant or beneficiary is entitled to receive benefits in the form of a lump-sum payment equal to the value of the participant's vested interest in his or her account or a non-recurring partial payment from the participant's vested interest based upon terms set forth in the Plan document. In general, participants must receive a required minimum distribution ("RMD") upon attainment of a certain age, unless they are still employed. For individuals who attained age 70½ on or before December 31, 2019, that age is 70½. For individuals who attain age 70½ on or after January 1, 2020, in accordance with the Setting Every Community Up for Retirement Enhancement Act of 2019, that age is 72.

Additionally, participants can, upon termination, roll over distributions into an Individual Retirement Account ("IRA") or another company sponsored plan. The Plan also allows for hardship withdrawals under certain circumstances.

Plan Expenses
During 2021, all recordkeeping and trustee fees for the administration of the Plan, including loan, distribution, and investment transaction fees, are paid from participant or forfeiture accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States ("GAAP").

Investment Valuation
Investments in registered investment companies are reported at fair value based on quoted market prices representing the net asset value of the shares held in the Plan. The fair value of the Plan's investment in a common collective fund is determined using the Net Asset Value ("NAV") provided by the administrator of the fund as a practical expedient. The NAV is determined by the fund's trustee based upon the fair value of the underlying assets owned by the fund, less liabilities, divided by the number of outstanding units. The common collective funds have daily redemptions and a trading term of one day for participant directed redemptions. Complete

liquidation of the Plan's investments may require up to twelve months' notice unless waived at the discretion of the investment manager. The common collective funds had no unfunded commitments at December 31, 2021 or 2020.

Security Transactions and Income Recognition

Purchases and sales of securities are recorded on the trade date. The historical average cost basis is used to determine gains or losses on security dispositions. Interest income is recorded on an accrual basis and dividend income is recorded on the ex-dividend date.

Net appreciation or depreciation in the fair value of investments, included in the Statement of Changes in Net Assets Available for Benefits, consists of the realized gains and losses and the unrealized appreciation and depreciation on those investments presented at fair value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Defaulted participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan to make estimates and assumptions, such as those regarding fair value of investments, that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Subsequent Events

Subsequent events and transactions have been evaluated through October 13, 2022, which is the date the financial statements were issued, and are incorporated herein as applicable.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks such as interest rate, market and credit risk. Market values of investments could decline for several reasons including, changes in prevailing market and interest rates, increases in defaults, and credit rating downgrades. In addition, the COVID-19 pandemic continues to impact the macroeconomic environment in the United States and globally. The magnitude of the impact of COVID-19 and its variants will depend on numerous evolving factors, including the duration and extent of the pandemic, the impact of federal, state, local and foreign governmental actions, consumer behavior in response to the pandemic and such governmental actions, and the economic and operating conditions in the aftermath of COVID-19. Due to the evolving and uncertain nature of the pandemic, as well as the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of such securities, it is at least reasonably possible that changes in investment values in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the related Statement of Changes in Net Assets Available for Benefits.

NOTE 4 - INFORMATION CERTIFIED BY THE TRUSTEE

As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the trustee has certified the information below for 2021 and 2020, which has not been subject to audit, to be accurate and complete.

BlackRock LifePath Index Retirement Fund O	165,508	245,231
	$ 5,344,881	$ 4,475,186

The net appreciation, which includes gains and losses on investments bought and sold, as well as held during the year, of $700,299 was attributable to the Plan's investments in registered investment companies and common collective funds for the year ended December 31, 2021. Dividend and interest income of $43,833 was attributable to the Plan's investments in registered investment companies and common collective funds for the year ended December 31, 2021.

NOTE 5 - FAIR VALUE MEASUREMENTS

The following tables set forth the Plan's financial assets measured at fair value on a recurring basis at December 31, 2021 and 2020. See Note 2 for the valuation methodology used to measure the fair value of these investments. There have been no changes to the methodologies used to measure the fair value of each asset from December 31, 2020 to 2021. These assets have been categorized according to the three-level fair value hierarchy established by the Financial Accounting Standards Board ("FASB"), which prioritizes the inputs used in measuring fair value. Level 1 is based on quoted prices for the asset in active markets. Level 2 is based on inputs that are observable other than quoted market prices in Level 1, such as quoted prices for the asset in inactive markets or quoted prices for similar assets. Level 3 is based on unobservable inputs reflecting the Plan's own assumptions about the assumptions that market participants would use in pricing the asset. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The Plan has no investments classified within Level 2 or 3 of the valuation hierarchy.

Common collective fund, at net asset value [(b)]		3,455,035
Investments		$ 4,475,186

(a) Primarily invested in equities and fixed income securities.

(b) In accordance with FASB guidance, investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy.

NOTE 6 - INCOME TAX STATUS

On October 31, 2014, the IRS stated that the volume submitter adopted by the Plan qualified under Section 401(a) of the Code and that the Plan thereunder was exempt from federal income taxes under the provisions of Section 501(a) of the Code. Although the Plan has been amended since then, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Code. In addition, the Company has concluded that as of December 31, 2021, there were no uncertain tax positions taken or expected to be taken that require recognition of an asset or liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. There are no audits in progress for any tax year.

NOTE 7 - TERMINATION PRIORITIES

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan. In the event of Plan termination, participants become fully vested. Upon termination, the Plan provides that the net assets of the Plan would be distributed to participants based on their respective account balances.
