We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2021 and schedule of delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator and Participants
Catholic Charities New Hampshire 401(k) Retirement Plan

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CATHOLIC CHARITIES NEW HAMPSHIRE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Plan Description

The following description of the Catholic Charities New Hampshire 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and covers substantially all employees of New Hampshire Catholic Charities (CCNH) who have attained age 18 and completed one year of service, as defined. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Effective July 1, 2020, the Plan was amended and restated to adopt a volume submitter plan sponsored by Sentinel Benefit Group, Inc. (Sentinel). There were no significant modifications made to the Plan as a result other than the name of the Plan was changed from the New Hampshire Catholic Charities 401(k) Retirement Plan to Catholic Charities New Hampshire 401(k) Retirement Plan.

The Plan was amended January 1, 2020 to exclude employees of St. Jacinta Healthcare Staffing from participation in the Plan.

Contributions

Eligible employees may contribute to the Plan, through salary deferrals on a pre-tax and post-tax basis. Participating employees are allowed to contribute any amount up to the maximum dollar amount as prescribed by law. In addition, an automatic enrollment provision applies, whereby 1% of the eligible employee's compensation will be deferred into the Plan unless otherwise elected by the employee.

The Plan is a safe harbor plan. As a safe harbor plan, CCNH shall make a nonelective contribution of 3% of each eligible participant's compensation, as defined. CCNH may also make additional discretionary contributions. No discretionary contributions were made for 2021.

Rollover contributions are subject to conditions stated in the Plan and in the appropriate sections of the Internal Revenue Code (IRC).

Participant Accounts

Each participant's account is credited with the contributions of the participant and CCNH and an allocation of earnings or losses and administrative expenses of each fund based on the participant's relative account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions and CCNH's contributions, plus actual earnings or losses thereon.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. **Plan Description (Continued)**

Payment of Benefits

Benefits may be distributed to participants upon termination of employment by reason of separation, layoff, retirement, or death. Distributions may be made in lump sums or installments. No annuities are allowed under the Plan. The Plan also provides for withdrawal upon attainment of age 59 1/2 and in the event of hardship or disability, as defined.

Terminated participant accounts with balances less than \$5,000 may be automatically distributed to an IRA on the participant's behalf unless the participant elects otherwise.

Investment Options

All contributions to the Plan are invested in the various investment options offered by the Plan at the election of the participants. Each participant selects the fund(s) to which contributions will be allocated.

Notes Receivable From Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are repayable generally over five years unless the loan is for the purchase of a principal residence. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate of interest as determined by the Plan. Interest rates range from 5.25% – 7.50% at December 31, 2021 with various maturities through April 2032.

Administrative Expenses

CCNH pays certain expenses incurred in the administration of the Plan.

Plan Termination

Although it has not expressed any intention to do so, CCNH has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. Upon termination of the Plan, the trustee, once notified by CCNH of the termination date, will distribute to each participant his or her account balance on that date in accordance with the terms of the Plan.

2. **Summary of Significant Accounting Policies**

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results may differ from those estimates.

CATHOLIC CHARITIES NEW HAMPSHIRE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Risks and Uncertainties

The Plan invests in various investment options which are exposed to various risks, such as interest rate, market, liquidity and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemics or international conflict. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. See Note 3 for further discussion and disclosures related to fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Contributions

Participant contributions are recorded in the period in which payroll deductions are made. CCNH safe harbor contributions are determined for each payroll period, and are recorded in the period in which related payroll deductions are made.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants are carried at the unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Interest income on notes receivable from participants is recorded when it is earned on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Subsequent Events

Events occurring after the statement of net assets available for benefits date are evaluated by management to determine whether such events should be recognized or disclosed in the financial statements. Management has evaluated subsequent events through October 5, 2022, which is the date the financial statements were available to be issued.

CATHOLIC CHARITIES NEW HAMPSHIRE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. **Summary of Significant Accounting Policies (Continued)**

The Plan was restated effective July 1, 2022 in order to comply with the Internal Revenue Service (IRS) Cycle 3 restatement. There were no significant changes to Plan operations as a result of this restatement.

Subsequent to year end, the Plan entered into a letter of intent to change recordkeeper to Fidelity Investments. The transition and finalized agreements are expected to occur by the end of the 2022 Plan year.

3. **Fair Value Measurements**

Fair value is the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity.

The fair value hierarchy for valuation inputs prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels which is determined by the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation method include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds and money market funds: Valued at the net asset value (NAV) of shares held (based on quoted market prices) by the Plan at year end, which shares are traded in an active market.

CATHOLIC CHARITIES NEW HAMPSHIRE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. Fair Value Measurements (Continued)

Collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units in the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require twelve months' notification.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
2021:				
Money market funds	\$ 26,347	\$ —	\$ —	\$ 26,347
Mutual funds	<u>21,641,465</u>	<u>—</u>	<u>—</u>	<u>21,641,465</u>
	<u>\$21,667,812</u>	<u>\$ —</u>	<u>\$ —</u>	21,667,812
Collective trust fund measured at NAV*				<u>2,434,971</u>
				<u>\$24,102,783</u>
2020:				
Money market funds	\$ 5,967	\$ —	\$ —	\$ 5,967
Mutual funds	<u>19,344,229</u>	<u>—</u>	<u>—</u>	<u>19,344,229</u>
	<u>\$19,350,196</u>	<u>\$ —</u>	<u>\$ —</u>	19,350,196
Collective trust fund measured at NAV*				<u>2,113,968</u>
				<u>\$21,464,164</u>

* In accordance with current Accounting Standards Update 2015-07, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

CATHOLIC CHARITIES NEW HAMPSHIRE 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. **Fair Value Measurements (Continued)**

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions on these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
2021:				
Collective trust fund	\$2,434,971	N/A	Daily	12 Months
2020:				
Collective trust fund	\$2,113,968	N/A	Daily	12 Months

4. **Tax Status**

As previously discussed, the Plan adopted a volume submitter plan sponsored by Sentinel effective July 1, 2020. The IRS has issued an opinion letter on the volume submitter plan dated March 31, 2014. The prototype opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The nonstandardized preapproved plan restated effective July 1, 2022, as discussed in note 2, received an opinion letter from the IRS dated November 30, 2020 as to the Plan's qualified status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

5. **Transactions With Parties-in-Interest**

Certain plan investments are managed by Fidelity Investments, the custodian of the Plan. Administrative expenses charged to the Plan for the year ending December 31, 2021 were \$48,748 and include amounts paid for investment management and recordkeeping fees. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rule under ERISA. In addition, notes receivable from participants qualify as party-in-interest transactions.
