INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
403(b) Thrift Plan of Nashoba Learning Group, Inc.
Bedford, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Nashoba Learning Group, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT **(continued)**

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT
(continued)

Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
403(b) Thrift Plan of Nashoba Learning Group, Inc.
Bedford, Massachusetts

We were engaged to audit the accompanying statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Massachusetts Mutual Life Insurance Company and Mutual of America Life Insurance Company, the custodians of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the custodians hold the Plan's investment assets and execute investment transactions. The Plan Administrator has obtained certifications from the custodians as of and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the custodians is complete and accurate.

INDEPENDENT AUDITOR'S REPORT
(continued)

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements
December 31, 2021 and 2020

1 – DESCRIPTION OF THE PLAN

General

403(b) Thrift Plan of Nashoba Learning Group, Inc. (the "Plan") is a defined contribution plan that was established on November 1, 2004 under Internal Revenue Code Section 403(b) for the benefit of employees of Nashoba Learning Group, Inc. (the "Organization"). The Plan is funded by contributions from its participants and the Organization and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

During 2021, one of the Plan's custodians, Massachusetts Mutual Life Insurance Company ("MassMutual"), was acquired by Empower Retirement ("Empower"). Empower has succeeded MassMutual as custodian of the Plan's investment contract previously maintained by MassMutual.

The following description of the Plan provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Eligibility for Participation

Employees are eligible to make voluntary deferral contributions beginning the month following their date of hire. An employee is eligible to receive employer discretionary contributions if they complete one year of service, at least 1,000 hours of service during the Plan year, and are employed by the Organization on the last day of the Plan year. Seasonal employees, defined as individuals hired to cover a temporary need and are employed for some portion of May 1 through September 1, are not eligible to receive employer discretionary contributions.

Employee Elective Deferred Contributions

Employees participating in the Plan may elect to defer a percentage of their annual earnings as their contribution to the Plan, subject to the limitations outlined in the Internal Revenue Code. Employee contributions in the form of rollovers and transfers from other qualified retirement plans are allowed as defined in the Plan document.

Employer Discretionary Contributions

The Organization may make discretionary contributions to the Plan equal to an amount approved by the Organization's Board of Directors. The Organization made employer discretionary contributions totaling \$201,775 and \$196,578 for the years ended December 31, 2021 and 2020, respectively.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants vest in employer discretionary contributions and actual earnings thereon as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

403(B) THRIFT PLAN OF NASHOBA LEARNING GROUP, INC.

Notes to Financial Statements
December 31, 2021 and 2020

1 – DESCRIPTION OF THE PLAN (continued)

Vesting (continued)

Notwithstanding the above, participants become 100% vested in their employer discretionary contributions if they are employed by the Organization at age 65 or upon death or becoming disabled.

Participant Accounts

Accounts are maintained for each participant. Accounts are increased for contributions, transfers, and for an allocation of investment income based on the relationship of each participant's account within each investment fund to the total fund. Accounts are decreased for withdrawals made by participants, administrative expenses, and for an allocation of investment losses based upon the relationship of each participant's account within each investment fund to the total fund.

Investment Options

Empower and Mutual of America Life Insurance Company ("Mutual of America") serve as the Plan's custodians. Upon enrollment into the Plan, a participant may direct contributions into a variety of investment options offered by Mutual of America. Participants are no longer permitted to direct contributions to Empower investment options.

Notes Receivable from Participants

Participants may borrow from their account up to 50% of their vested account balance. A participant may not have more than one loan outstanding at any time. Notes receivable from participants are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing lending interest rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Notes receivable amounts held at Mutual of America are not deducted from the participants' accounts but rather are made directly by Mutual of America to participants and, therefore, there are no notes receivable from participants to Mutual of America reported on the Statements of Net Assets Available for Benefits. Each note is secured by the participant's balance in the Mutual of America Interest Accumulation Account. Each participant's balance in this account must be at least 120% of the loan balance for the life of the note.

Notes receivable from participant balances held at Empower are made from participants' accounts.

The Plan has adopted the provisions of the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act"). The new provisions increased the limit of participant loans to \$100,000 or 100% of the participant's vested account balance for certain loans. The increased loan limit applies only to loans made between March 27, 2020 and September 23, 2020. In addition, scheduled loan repayments during this period can be delayed for up to one year for qualifying participants.

In-service Withdrawals

Participants may make withdrawals prior to termination of employment under the following circumstances:

- Hardship withdrawals as defined in the Plan document and Internal Revenue Code
- Coronavirus-related distributions as defined in the CARES Act
- Upon attainment of age 59½
- Withdrawal of rollover contributions

403(B) THRIFT PLAN OF NASHOBA LEARNING GROUP, INC.

Notes to Financial Statements
December 31, 2021 and 2020

1 – DESCRIPTION OF THE PLAN (continued)

Retirement Benefits

The normal retirement age under the Plan is age 65. A participant who becomes disabled, as defined in the Plan document, is eligible for disability retirement.

Payment of Benefits

Upon termination of service from the Organization, a participant may elect to receive the vested portion of their account in the form of a lump sum payment or any other form of settlement available under the Plan document.

Timing of Distributions

Distributions shall be made as soon as reasonably practicable following the date the participant's application for distribution is received by the custodians.

As of December 31, 2021 and 2020, there were no distributions payable to participants.

Administrative Expenses

Expenses incurred in the administration of the Plan are paid by the Organization unless the Organization directs that such expenses shall be paid by the Plan. Investment management and recordkeeping fees, if applicable, are paid by the Plan through the related investment fund.

Forfeited Accounts

Forfeitures may be used at the direction of the Plan Administrator to offset employer discretionary contributions or pay administrative expenses. Forfeitures totaled \$5,256 and \$1,679 at December 31, 2021 and 2020, respectively.

Participant-Directed Contributions, Withdrawals and Transfers

The election to allocate contributions between the investment options, and any decision to change such allocation, is made by each participant as permitted by the custodians. Withdrawals and transfers are recorded at the time such transactions take place.

2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared utilizing the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period, and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments

Investments are reported at fair value as described in Note 4. Security transactions are accounted for as of the date the securities are purchased or sold (trade date). Interest income is recorded as earned and, for money market instruments, includes amortization of discount and premium.

403(B) THRIFT PLAN OF NASHOBA LEARNING GROUP, INC.

Notes to Financial Statements
December 31, 2021 and 2020

2 – SUMMARY OF ACCOUNTING POLICIES (continued)

Investments (continued)

Dividend income is recorded on the ex-dividend date or, for certain foreign securities, as soon as the investment funds are informed of the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on investments bought and sold as well as held during the year.

Each participant's assets are jointly invested and the return on assets is allocated monthly among the participants and recorded as income or loss. The basis of allocation is the unit of participation method. Under this method, contributions and income result in an increase of units of participation while benefits paid and losses result in a decrease of units of participation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when processed and approved for payment.

Risks and Uncertainties

The Plan provides for various investment options in various accounts that are investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

On March 13, 2020, a national emergency was declared in the United States as a result of the COVID-19 pandemic. This ongoing public health crisis has had a significant and wide-ranging effect on the United States and local economies, including the financial markets. The longer-term impact of the pandemic on the Plan's financial statements cannot be reasonably determined at this time.

Subsequent Events

The Plan Administrator evaluated events that occurred after December 31, 2021, the date of the Statement of Net Assets Available for Benefits, but before the date the financial statements were available to be issued, September 22, 2022, for potential recognition or disclosure in the financial statements. Except as described in Note 4, the Plan Administrator did not identify any subsequent events that had a material effect on the accompanying financial statements.

3 – INFORMATION CERTIFIED BY CUSTODIANS

Unaudited information included in the Plan's financial statements and supplemental Schedule of Assets (Held at End of Year) was prepared by the Plan's custodians and furnished to the Plan Administrator and includes all Plan assets (except for the effects of participant and employer contributions receivables, if any) and all investment transactions. The Plan Administrator has obtained certifications from the custodians that such information is complete and accurate.

4 – FAIR VALUE MEASUREMENTS

The Plan applies the provisions of GAAP, which establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), a lower priority to significant other observable inputs (Level 2 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these provisions are described below:

Basis of Fair Value Measurement

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Separate Accounts

Separate Accounts invest assets in an underlying fund, and the name of the Separate Account reflects the name of the corresponding underlying fund. Separate Accounts are valued based on accumulation units. Accumulation unit values for the funds are determined as of the close of business on each valuation day. The dollar value of an accumulation unit for each fund of the Separate Account will vary based on changes in net asset values of the underlying funds and expenses of the underlying funds. Investments consist solely of investments in mutual funds registered with the U.S. Securities and Exchange Commission and are carried at the net asset value at which the mutual fund shares are actively traded.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Pooled Separate Accounts

The Pooled Separate Accounts invest in shares of various underlying mutual funds. The unit values of the underlying mutual funds are calculated daily based on the observable net asset value of the underlying investment. These funds are registered with the U.S. Securities and Exchange Commission and are required to publish their daily net asset value and transact at that price.

General Account (Interest Accumulation Account)

The General Account is credited with a contractual rate of return. The General Account assets are carried at amortized cost, or contract value, which is deemed to be fair value for an insurance company general account. The general account is valued at contract value (book value) basis. Funds that are transferred to another funding vehicle or investment may be subject to market value adjustment.

403(B) THRIFT PLAN OF NASHOBA LEARNING GROUP, INC.

Notes to Financial Statements
December 31, 2021 and 2020

4 – FAIR VALUE MEASUREMENTS (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value, as of December 31, 2021 and 2020:

Description	Total 2021	Level 1	Level 2	Level 3
Pooled separate accounts	\$ 199,963	\$ -	\$199,963	\$ -
Separate accounts	5,009,322	5,009,322	-	-
General account	330,365	-	330,365	-
Total	\$5,539,650	\$5,009,322	\$530,328	\$ -

Description	Total 2020	Level 1	Level 2	Level 3
Pooled separate accounts	\$ 180,006	\$ -	\$180,006	\$ -
Separate accounts	3,682,693	3,682,693	-	-
General account	199,754	-	199,754	-
Total	\$4,062,453	\$3,682,693	\$379,760	\$ -

As discussed in Note 2, the Plan's investments are subject to various risks. As of September 19, 2022, the fair value of the Plan's investments has declined from the fair value at December 31, 2021.

5 – NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants maintained at Empower at December 31 consisted of the following:

	Participants	Due Dates Through	Interest	Amount
2021	1	9/14/2022	6.25%	\$12,180
2020	1	9/14/2022	6.25%	\$11,592

403(B) THRIFT PLAN OF NASHOBA LEARNING GROUP, INC.

Notes to Financial Statements
December 31, 2021 and 2020

5 – NOTES RECEIVABLE FROM PARTICIPANTS (continued)

Notes receivable from participants maintained at Mutual of America at December 31 consisted of the following:

	Participants	Due Dates Through	Interest	Amount
2021	3	12/21/2023	4.00%	\$ 6,621
2020	4	8/31/2023	4.00%	\$10,543

The above notes receivable held at Mutual of America are not deducted from the participants' accounts and, therefore, are not included on the Statements of Net Assets Available for Benefits as notes receivable. Each note receivable is secured by the participant's balance in the Mutual of America Interest Accumulation Account, which must be at least 120% of the note receivable balance for the life of the note receivable.

Repayments, including principal and interest, are made directly by participants to Mutual of America. Each note receivable bears interest at a commercially reasonable rate established by the Plan Administrator or under the terms of the applicable funding vehicle.

6 – PLAN TERMINATION

Although it has not expressed intent to do so, the Organization has the right to terminate the Plan, subject to the provisions of ERISA. In the event of a termination of the Plan, all affected participants will become vested in their accounts.

7 – INCOME TAX STATUS

The Organization has adopted the Mutual of America Prototype 403(b) Thrift Plan Basic Plan Document No. 09 Adoption Agreement No. 001 for its Plan document. Mutual of America obtained an advisory letter from the Internal Revenue Service indicating this prototype plan document is acceptable under Internal Revenue Code Section 403(b).

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

8 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments include shares of various accounts and funds managed by Empower and Mutual of America. Effective January 4, 2021, as a result of the acquisition of MassMutual by Empower, the insurance products previously held with Talcott Resolution Life Insurance Company by MassMutual were reinsured by Great West-Life & Annuity Insurance Company ("GWL&A"). Empower and Mutual of America are the custodians of all the Plan's investments. Therefore, these transactions qualify as party-in-interest.

In addition, the Plan paid Empower and Mutual of America for administrative services during the years ended December 31, 2021 and 2020. The Organization provides certain administrative services at no cost to the Plan and the Organization also pays for certain administrative costs of the Plan.
