## **INDEPENDENT AUDITOR'S REPORT**

To the Participants and Administrator of  
The Commission on Economic Opportunity for the  
Greater Capital Region, Inc. Profit Sharing Plan and Trust

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of The Commission on Economic Opportunity for the Greater Capital Region, Inc. Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule, as listed in the accompanying index as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the

certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **THE COMMISSION ON ECONOMIC OPPORTUNITY FOR THE GREATER CAPITAL REGION, INC. PROFIT SHARING PLAN AND TRUST**

## **Notes to Financial Statements**

**December 31, 2021 and 2020**

### **NOTE A--DESCRIPTION OF THE PLAN**

The following description of The Commission on Economic Opportunity for the Greater Capital Region, Inc. (the "Company") Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan document and adoption agreement for more complete details of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering all full-time and part-time employees of the Company who have one year of service, 1,000 hours in the year, and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Company Contributions

The contribution amount is discretionary and is determined by the Company's Board of Directors each year. The contributions are based on the participants' gross earnings for the twelve-month period ending each December 31. Participants are not allowed to contribute to the Plan. Contributions are subject to applicable Internal Revenue Code (IRC) limitations.

#### Participant Accounts

Each participant's account is credited with allocations of (a) the Company's contribution, (b) Plan earnings and (c) administrative expenses. Allocations are based on participant compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Vesting for employees occurs ratably over five years (years two through six) for all employees.

#### Investment Options

Upon enrollment in the Plan, a participant may direct company contributions to be invested in any of the investment choices available under the Plan. The investment fund choices include mutual funds, collective trust funds, and money market funds. Participants may change the mix of investments from one fund to another on a daily basis. All investments are participant directed.

#### Payment of Benefits

On termination of service for any reason (death, disability, termination or retirement), a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the account balance is greater than \$5,000, the participant may choose to defer receiving payments until age 70 ½. Benefits are recorded when paid.

## **THE COMMISSION ON ECONOMIC OPPORTUNITY FOR THE GREATER CAPITAL REGION, INC. PROFIT SHARING PLAN AND TRUST**

### **Notes to Financial Statements--Continued**

#### **NOTE A--DESCRIPTION OF THE PLAN--Continued**

##### Payment of Benefits--Continued

The Plan also provides for in-service distributions for participants who have attained age 59 ½ and are fully vested in their account.

##### Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their vested account balance. The loans are collateralized by the balance in the participant's account and bear interest at rates equal to the current prime rate plus two percentage points. The interest rates on outstanding loans ranged from 5.25% to 7.25% for the year ended December 31, 2020. Principal and interest is paid ratably through monthly payroll deductions.

##### Forfeited Accounts

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures will be allocated as an employer discretionary contribution each year to eligible participants. As of December 31, 2021 and 2020, the Plan had unallocated forfeitures of \$9,835 and \$13,625.

##### Administrative Expenses

The Plan's administrative expenses may be paid out of the Plan assets unless paid by the Company as provided for in the Plan document.

##### Subsequent Events

In accordance with U.S. GAAP, the Plan has evaluated for subsequent events between the statement of net assets available for benefits date of December 31, 2021 and October 11, 2022, the date the financial statements were available to be issued.

#### **NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

##### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein. Actual results may differ from those estimates.

## **THE COMMISSION ON ECONOMIC OPPORTUNITY FOR THE GREATER CAPITAL REGION, INC. PROFIT SHARING PLAN AND TRUST**

### **Notes to Financial Statements--Continued**

#### **NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued**

##### Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The Plan presents in the statements of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments which includes the realized gains or losses (computed using average cost) and the unrealized appreciation (depreciation) on those investments.

##### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document. Related fees are recorded as administrative expenses and are recorded when they are incurred.

#### **NOTE C--FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

**THE COMMISSION ON ECONOMIC OPPORTUNITY FOR THE GREATER CAPITAL REGION, INC. PROFIT SHARING PLAN AND TRUST**

**Notes to Financial Statements--Continued**

**NOTE C--FAIR VALUE MEASUREMENTS--Continued**

*Level 1 Fair Value Measurements*

The fair value of mutual funds and money market funds is based on the closing price reported in the active market where the individual securities are traded, when available.

*Level 2 Fair Value Measurements*

Level 2 investments are fair values primarily obtained from third party pricing services for identical or comparable assets. There were no Level 2 investments.

*Level 3 Fair Value Measurements*

The collective trust funds are not actively traded and significant other observable inputs are not available. Thus, the fair value of the collective trust funds is determined on the basis of the fair value of the underlying investments held by the fund less its liabilities. For those assets with a fair value measured using Level 3 inputs, policies and procedures are reassessed annually to determine if the current valuation techniques are appropriate. At that time, the unobservable inputs used in the fair value measurements are evaluated and adjusted, as necessary, based on current market conditions and other third-party information.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

|                          |                     | Fair Value<br>Measurements Using:                                                    |                                                                  |                                                           |

## **THE COMMISSION ON ECONOMIC OPPORTUNITY FOR THE GREATER CAPITAL REGION, INC. PROFIT SHARING PLAN AND TRUST**

### **Notes to Financial Statements--Continued**

#### **NOTE D--CERTIFIED INVESTMENTS**

Certain information related to investments disclosed in the financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation in fair value, dividends and interest for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Bank.

#### **NOTE E--PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### **NOTE F--TAX STATUS**

The Plan is designed from a prototype plan, the Volume Submitter Profit Sharing Plan. The Internal Revenue Service has determined and informed the Company by a letter dated July 1, 2014, that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the U.S. Department of Labor. The Plan is subject to routine audits by federal taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to tax examinations for years prior to 2018.

#### **NOTE G--RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
