INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
ICON Government and Public Health Solutions, Inc. 401(k) Salary Reduction Plan & Trust
Hinckley, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of ICON Government and Public Health Solutions, Inc. 401(k) Salary Reduction Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of ICON Government and Public Health Solutions, Inc. 401(k) Salary Reduction Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

REDUCTION PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the ICON Government and Public Health Solutions, Inc. 401(k) Salary Reduction Plan & Trust (the "Plan"), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and covers all eligible employees of ICON Government and Public Health Solutions, Inc. (the "Plan Sponsor"). An employee who has attained age 21 is eligible to participate immediately upon date of hire. Participants are eligible for Plan Sponsor matching contributions at the first entry date after one year of service is complete. The entry dates are January 1, April 1, July 1 and October 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective January 1, 2019, the Plan Sponsor appointed Transamerica as the Third Party Administrator and Recordkeeper for the Plan, State Street Bank and Trust Company as the Trustee, and the Plan was amended to rename the Plan to the ICON Government and Public Health Solutions, Inc. 401(k) Salary Reduction Plan & Trust.

The Coronavirus Aid Relief, and Economic Security Act (CARES Act) was signed on March 27, 2020. The CARES Act contained provisions related to benefit plans including, but not limited to, items such as (a) waiving required minimum required distributions during 2020, (b) allowing for delays for participant loan repayments, (c) increasing the limits of allowable participant loans, and (d) permitting eligible participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. The Plan adopted the provisions of the CARES Act for the year ended December 31, 2020.

Contributions

Participants may elect to contribute the lesser of up to 75% of their eligible compensation, or the maximum amount allowed by Internal Revenue Service ("IRS") regulations for the Plan year. In addition, the Plan Sponsor makes matching contributions equal to 50% of the participant's contributions that are 10% or less of the participant's compensation. In addition, the Plan contains a catch-up option for participants who have attained age 50 before the end of the Plan year, permitting them to make additional elective deferrals.

Rollovers

Rollover contributions consist of amounts rolled over by participants from another qualified plan as defined by the Internal Revenue Code ("IRC").

Allocation of Forfeitures

Forfeitures attributable to Plan Sponsor matching contributions are used to reduce the Plan Sponsor's contribution or to pay Plan expenses. There were accumulated forfeitures of \$58,050 and \$2,904 as of December 31, 2021 and 2020, respectively. Forfeitures totaling \$131,820 and \$137,609 were used to reduce the Plan Sponsor's contributions during the years ended December 31, 2021 and 2020, respectively.

ICON GOVERNMENT AND PUBLIC HEALTH SOLUTIONS, INC. 401(K) SALARY
REDUCTION PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Participant Accounts

Separate accounts are maintained by Transamerica (the "Recordkeeper") in the name of each participant. Participants direct their contributions and matching Plan Sponsor contributions to be invested in one or a combination of available investment accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may elect their allocation percentage among investment options with varying degree of risk. Participants may change their investment directive at any time during the year directly with the Recordkeeper.

Vesting

Plan participants acquire a 20% vested nonforfeitable interest in the Plan Sponsor's matching contributions after one year of service and then 20% per year until the participant attains 100% vested nonforfeitable interest after five years of service. However, if an active participant dies or becomes permanently disabled prior to attaining his normal retirement age, his vesting percentage shall be 100%. Participants are always 100% vested in their contributions to the Plan.

Participant Notes Receivable

The Plan allows for loans to participants from their individual account balances which are limited to the lesser of \$50,000 reduced by the repaid loan amount during the twelve months starting the day before the loan is made, or one-half the vested account balance reduced by the current outstanding loan balance. Loans are secured by the balance in the participant's account and bear interest at the Prime plus 2 percentage points at the times the loans were made. Principal and interest are paid through payroll deductions.

Notes are in default when payments are not made by the end of the calendar quarter following the quarter in which the payment was due, if there is still an outstanding balance on the note's maturity date, or employment with the Plan Sponsor is terminated. In the event of default, the entire outstanding note balance, consisting of the missed payments, remaining principal, and all accrued but unpaid interest, will be reported to the IRS as taxable income. If a note has not been fully repaid by the end of its term, the outstanding balance will be treated as a deemed distribution and will be reported to the IRS as taxable income.

Payment of Benefits

On termination of service, if a participant's account is less than \$1,000, the participant must receive a lump-sum amount equal to the value of his or her vested account balance. If the participant's account balance is between \$1,000 and \$5,000 and the method of distribution is not specified by the participant, an automatic rollover to an Individual Retirement Account is made. If the participant's account exceeds \$5,000, the terminated participant may elect to defer distribution until a later date (not later than their normal retirement date).

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Administrative Expenses

A portion of the administrative fees are paid by the Plan. Other administrative fees, including legal and professional fees, are paid by the Plan Sponsor.

Plan Termination

Although the Plan Sponsor has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participants shall be fully vested and shall receive a full distribution of the balances in their respective accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis.

Use of Estimates

In preparing the Plan's financial statements, the Plan Sponsor is required to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities and the reported increases and reductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Valuation of Investments and Investment Income

The Plan's investments are valued at fair value at December 31, 2021 and 2020.

Investment income consists of dividend income. The net appreciation (depreciation) in the fair value of investments consists of realized gains or losses and the unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Participant Notes Receivables

Income Taxes

Under the Income Taxes Topic of the Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC"), Plan management is required to identify potential uncertain tax positions taken, assess and quantify those positions and record reserves. As of December 31, 2021 and 2020 and for the years then ended, Plan management has identified no uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions.

Subsequent Events

The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

NOTE 3 – FINANCIAL DATA CERTIFIED BY THE CUSTODIAN AND TRUSTEE (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by the Trustee and Custodian, as of and for the years ended December 31, 2021 and 2020, and furnished to the Plan Sponsor. The Plan Sponsor has obtained certifications from the Trustee and Custodian as of and for the years ended December 31, 2021 and 2020, that such information is complete and accurate.

	<u>2021</u>	<u>2020</u>

Participant notes receivable	\$ 88,373	\$ 129,400

Interest on participant notes receivable	\$ 6,510	\$ 8,212
Dividends	\$ 126,392	\$ 72,257
Net appreciation of investments	\$ 3,935,535	\$ 3,826,148

NOTE 4 - INVESTMENTS

The Plan's investments are participant-directed accounts that are held by the Custodian.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

ICON GOVERNMENT AND PUBLIC HEALTH SOLUTIONS, INC. 401(K) SALARY
REDUCTION PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Investments that were measured at net asset value (“NAV”) per share are not classified in the fair value hierarchy. The fair value amounts presented in the below tables are intended to permit reconciliation of the fair value hierarchy to total investments at fair value. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Money market fund: Valued at the underlying investments traded on an active market.
- Mutual funds: Measured at fair value using quoted market prices
- Common Collective trusts: Valued at the net asset value of the units held by the Plan at year-end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan’s assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ -	\$ 59,799	\$ -	\$ 59,799

NOTE 5 - TAX STATUS

The Plan Sponsor adopted the Volume Submitter Profit Sharing Plan with CODA of the Trustee. The prototype plan obtained its latest determination letter on March 31, 2014, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Sponsor is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 - RELATED-PARTY TRANSACTIONS

A Plan investment in a money market account is managed by State Street Bank & Trust, defined by the Plan as the Trustee of Plan investments. Therefore, this transaction qualifies as a party-in-interest transaction. Fees paid by the Plan for the investment management services amounted to \$65,393 and \$58,304 for the years ended December 31, 2021 and 2020, respectively. There are also indirect fees deducted directly from investment earnings of the Plan.
