Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Etnyre International Profit Sharing and Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Etnyre International Profit Sharing and Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Etnyre International Profit Sharing and Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Etnyre International Profit Sharing and Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Etnyre International Profit Sharing and Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Etnyre International Profit Sharing and Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator
Etnyre International Profit Sharing and Retirement Savings Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Etnyre International Profit Sharing and Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ETNYRE INTERNATIONAL PROFIT SHARING AND RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of the Etnyre International Profit Sharing and Retirement Savings Plan (the Plan) provides only general information. Participants and others should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective February 3, 1947, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has been amended throughout the years to comply with tax legislation and was most recently amended February 27, 2017. For the purpose of this Plan, a trust known as the Etnyre International Profit Sharing and Retirement Savings Plan has been created to receive all contributions and to pay all benefits under the Plan.

Participation

Participation in the Plan is extended to any individual, other than collectively bargained employees, leased employees, and employees of EDECO – Southwest Service Company, LLC, who is in the service and employ of Etnyre International, LTD, upon completion of three months of service with the Company. Upon becoming eligible, participants may enter the Plan on the first day of the Plan quarter coinciding with or next following the date such employee met the eligibility requirements.

Contributions

Participants' Contribution

The Plan permits voluntary contributions by participants up to the maximum amount as defined by certain Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Matching Contribution

The Company makes a matching contribution equal to a discretionary percentage not to exceed 6% of the participant's compensation. For the 2021 and 2020 Plan years, the Company contributed an amount equal to 25% of the participant's deferral, up to a maximum deferral percentage of 6%. Thus, the maximum matching percentage was 1.5% of total compensation. Matching contributions are invested in the same options as participant contributions, at the participant's discretion. During the 2021 and 2020 Plan years, the Company made matching contributions of \$363,371 and \$357,024, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

Discretionary Contribution

The Company also funds the Plan by a discretionary profit sharing contribution as declared by the Board of Directors. Participants must work 1,000 hours during the year and be employed on the last day of the Plan year or have retired at normal retirement age during the Plan year to be eligible for an allocation of the profit sharing contribution. Discretionary contributions are invested in the same options as participant contributions at the participant's discretion. During the 2021 and 2020 Plan years, the Company made discretionary contributions of \$2,071,175 and \$2,253,591, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, the Company's profit sharing contribution allocation, an allocation of Plan earnings and expenses, and reduced for certain fees. Allocations of earnings and expenses are based on participant account balances, while profit sharing allocations are based on period of service and compensation received from the Company by the participant for the Plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions and Company matching contributions, plus actual earnings thereon. Participants' interests in their share of the Company profit sharing contributions vest in accordance with the following schedule based on years of service (a 12 consecutive month period of at least 1,000 hours of service):

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 Years	0%
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years or More	100%

If an active participant dies prior to attaining normal retirement age, the participant's vesting percentage shall be 100%. Full vesting also occurs upon attainment of age 65 or termination of employment due to disability.

Forfeited Accounts

At December 31, 2021 and 2020, the balance of forfeited nonvested accounts totaled \$218,602 and \$200,149, respectively. Forfeitures from less than 100% vested accounts are allocated to participant accounts as an additional profit sharing contribution in accordance with the Plan document terms and based on period of service and compensation received from the Company by the participant for the Plan year. Forfeitures, including earnings on forfeited balances, reallocated as an additional profit sharing contribution were \$69,570 and \$64,942 for the years ended December 31, 2021 and 2020, respectively.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

Benefits are payable to the participant upon:

- (a) death or retirement from the service of Company on or after normal retirement date (age 65) or on account of disability; or
- (b) resignation or dismissal from the service of Company prior to normal retirement date.

If the benefits are payable in the event of (a) above, the amount of the benefits would be equal to the then balance in the participant's accounts. However, if (b) is applicable, the benefits payable would be the total of the participant's own contributions, and the Company matching and discretionary contributions, up to the amount of vested interest in the discretionary contributions. Benefits may be paid in either a lump-sum payment or substantially equal installments over a period of time not exceeding the participant's life expectancy or the joint life expectancy of the participant and the beneficiary. Payments may be made in cash or rollover to another qualified retirement plan. Each participant or former participant may, in writing, designate a beneficiary or beneficiaries to whom distributions of the participant's interest in the Trust shall be made in the event of the participant's death.

Upon reaching 59½ years of age, participants may elect to make a withdrawal of the entire balance of their account. Upon any distribution, the normal form of payment to a single participant is a lump sum and to a married participant is a joint and survivor annuity. Participants may elect installment payments over a period not to exceed the life expectancy of the participant and their designated beneficiary or a single sum. Married participants need spousal consent for the election of any option. Benefits of \$1,000 or less will always be paid in a single sum. The Plan also allows hardship distributions subject to Plan provisions.

Notes Receivable from Participants

A participant may borrow the lesser of \$50,000 reduced by the excess (if any) of the highest outstanding balance of loans from the Plan to the participant during the one-year period ending on the day before the date on which such loan was made, or 50% of his or her vested account balance. The loans are secured by the balance in the participant's account. Loans are repayable through payroll deductions over periods ranging up to 60 months or longer if for the purchase of a primary residence. The interest rate is determined by the Plan administrator based on prevailing market conditions and is fixed over the life of the note. At December 31, 2021 and 2020, interest rates on participant loans ranged from 3.25% to 6.50%.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America.

ETNYRE INTERNATIONAL PROFIT SHARING AND RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

The expenses of administering the Plan, including investment fees, are paid by the Plan and Plan Sponsor.

Subsequent Events

Subsequent to December 31, 2021 the Plan changed the Trustee from Ascensus Trust Company to Vanguard Fiduciary Trust Company.

Subsequent to December 31, 2021, the Bear Cat Mfg., Inc. Profit Sharing Saving Plan and the SMF Inc Retirement Plan and Trust merged into the Etnyre International Profit Sharing and Retirement Savings Plan.

The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Ascensus, as agent for Ascensus Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2021.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Fund: Valued daily at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 18,125	\$ -	\$ -	\$ 18,125
2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 71,204,329	\$ -	\$ -	\$ 71,204,329
Common Collective Fund	-	15,957,055	-	15,957,055
Total Assets at Fair Value	\$ 71,204,329	\$ 15,957,055	\$ -	\$ 87,161,384

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

ETNYRE INTERNATIONAL PROFIT SHARING AND RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 6 PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time, and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. In the event of termination, all participants would become fully vested.

NOTE 7 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2014 from the IRS indicating that the Plan is designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

The Company has separate custodians, recordkeepers, and investment advisors to ensure there are no party-in-interest transactions, regarding investments, as a result of performing these responsibilities. Fees are paid by the Plan and the Company, with the exception of participant loan and disbursement fees, investment management fees and administrative fees to the recordkeeper, which are charged directly to individual accounts. Fees paid by the Plan were \$126,573 and \$107,266 for the years ended December 31, 2021 and 2020, respectively.

Certain administrative functions are performed by officers or employees of the Company for which no compensation is received.
