Independent Auditors' Report

To the members of the Investment Committee and the
administrator of the Nice-Pak Products, Inc.
401(k) Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements (Modified Cash Basis) of the Nice-Pak Products, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprises the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained a certification from a Qualified Institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting.
- The information in the financial statements referred to above related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial

Independent Auditors' Report

likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is the basis of accounting other than accounting principles generally accepted in the United States of America. Our basis of opinion is not modified with respect to this matter.

Independent Auditors' Report

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a Qualified Institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Savings Plan:

Report on the Financial Statements

We were engaged to audit the financial statements (Modified Cash Basis) of Nice-Pak Products, Inc. 401(k) Savings Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the 2020 financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by the Great-West Trust Company, LLC, the investment Custodian of the Plan (the "Investment Custodian"), except for comparing such information with the related information included in the financial statements. We have been informed by the Plan's administrator that the Investment Custodian hold the Plan's investment assets and execute investment transactions. The Plan's administrator has obtained certifications from the Investment Custodian as of December 31, 2020, that the information provided to the Plan's administrator by the Investment Custodian is complete and accurate.

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the Trustee, have been audited by us in accordance with GAAS and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

1. **Description of the Plan**

The following is a brief description of the Nice-Pak Products, Inc. 401(k) Savings Plan (the “Plan”) is provided for general purposes only. The Plan document, related adoption agreement and individual statements provided to each Plan participant should be referred to for more complete information.

General

The Plan is a qualified defined contribution pension plan covering eligible employees who are members of a qualified controlled group which includes Nice-Pak Products, Inc. and affiliates (the “Company”). The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). First Great-West Life & Annuity (“FGW”) is the Plan’s record-keeper. The investment custodian of the Plan’s investments is the Great-West Trust Company, LLC (“Great-West” or the “Investment Custodian”). FGW and the Investment Custodian are all affiliated. The Investment Custodians are qualified institutions in accordance with 29 CFR 2520.103-5 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. The Plan administrator is responsible for overseeing and ensuring compliance with the Plan document. FGW, the Investment Custodian, and the Plan administrator are all appointed by the Company.

Eligibility

Employees are eligible to participate in the Plan on their date of hire. Non-resident aliens, leased employees, and those covered by a collective bargaining agreement are excluded.

Participant Contributions

The employees make voluntary contributions, on a before-tax or after-tax basis, up to the maximum contributions allowed under the Internal Revenue Service Code (“IRC”), as discussed below, to be placed into a trust fund for their benefit. Participants who do not affirmatively elect to have a specified amount contributed to the Plan automatically have 6% of their compensation deferred, which occurs about 30 days after their employment start date. The Plan document prescribes default investment selection options for those automatically enrolled employees that fail to select how their assets will be directed. Compensation per the Plan document means wages, tips and other compensation on Form W-2. Compensation is adjusted to exclude fringe benefits, expense reimbursements, deferred compensation, and welfare benefits.

NICE-PAK PRODUCTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan

Participant Contributions

The maximum amount of compensation that may be considered for deferral purposes by participants and employer contributions is \$290,000 for 2021. Total participant contributions are limited to a maximum of \$19,500 for 2021.

Participant Contributions

Additionally, individuals who are at least 50 years of age can make a “catch-up” contribution not to exceed \$6,500 for 2021. The maximum annual addition for 2021 that may be contributed or allocated to a participant’s account under the Plan shall not exceed the lesser of 100% of a participant’s compensation or \$58,000.

Employer Contributions

The Company may elect, at its sole discretion, to match a percentage of the participants’ contributions. For the year ended December 31, 2021, the Company contributed 50% of each qualified employee’s contribution, up to a maximum of 6% of the employee’s compensation. The Company’s matching contributions are only credited to those participants that have completed 500 hours of service within the 6-month time period following their date of hire. The 2021 employer matching contribution before forfeitures amounted to \$3,146,721.

The Company may elect, at its sole discretion, to make an additional contribution to the Plan termed as an employer profit-sharing contribution. The profit-sharing contribution is calculated based upon a percentage applied to a two-step compensation formula which includes the integration of the social security wage base (“Compensation Base”), as defined. The Company’s profit-sharing contribution is only credited to those participants that have completed 1,000 hours of service and are employed at the end of the Plan year. The profit-sharing contribution is allocated to each eligible participant’s account based upon the ratio that each participant’s compensation bears to total compensation for the Plan year.

Since the Plan is on the modified cash basis of accounting, the 2020 profit-sharing contribution is included in the 2021 Statement of Changes in Net Assets Available for Benefits. The Company elected to make a 2020 profit-sharing contribution equal to 1.77% of the Compensation Base which, before the application of forfeitures, amounted to \$2,168,709. During 2021, the Company elected to make a 2021 profit-sharing contribution equal to 1.78% of the Compensation Base which before the application of forfeitures amounted to \$2,137,807, which was paid in 2022.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan

Rollover Contributions

A Plan participant may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as a rollover, with certain restrictions.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting

Participants are vested immediately in their contributions, rollover contributions and earnings thereon. Participants vest in the employer matching contributions as follows:

Years of Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participants become fully vested in the Company's profit-sharing contributions made after 3 years of service.

Participant Accounts

The Plan administrator establishes and maintains a separate account for each participant, which is credited for rollover and voluntary contributions the participants make, employer matching and profit-sharing contributions, and Plan earnings. Income earned and net appreciation or depreciation on Plan investments, for a given investment, are allocated in proportion to the participant's account balances in that fund. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

NICE-PAK PRODUCTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of the Plan

Notes Receivable from Participants

Each participant may borrow up to the lesser of: (1) 50% of the present value of the participant's vested interest in the account or (2) \$50,000. The notes are secured by the vested balance in the participant's account. No note shall be less than \$1,000 and no more than one note at a time is allowed. The notes bear a reasonable rate of interest as determined by the Plan administrator. The interest rate on notes outstanding at December 31, 2021, ranged from 3.25% to 8.25% per annum.

Notes Receivable from Participants

Any such borrowings are to be repaid within five years, unless the note is for the purchase of a principal residence for which the repayment period may not extend beyond 10 years. Principal and interest are paid pro rata through payroll deductions. A note becomes immediately due and payable upon a participant's termination of employment, death or disability.

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. These accounts may be used to reduce future Company contributions or pay administrative expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totalled \$366,022 and \$192,031, respectively. These amounts will be used to reduce future employer contributions. During the year ended December 31, 2021, employer contributions and Plan expenses were reduced by \$188,772 from forfeited non-vested accounts.

Retirement

The normal retirement age as defined is when the participant reaches the age of 65. Early retirement is not permitted. At the normal retirement date, the participant is entitled to 100% of their account balance. The participant can elect late retirement after the age of 65; however, benefits must begin by age 72.

Distribution of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual instalments over a 10-year period, or partial withdrawals. For termination of services for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. Participant account balances less than \$5,000 will be automatically distributed as a lump sum distribution. Participants must begin receiving Required Minimum Distributions, under IRS guidelines, upon reaching the age of 72.

NICE-PAK PRODUCTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

1. **Description of the Plan**

Administrative Expenses

The Company pays for the cost of the Plan except for investment administration and record-keeping fees, which are deducted from the fair value of the investments. Administrative expenses that are to be paid from the Plan are paid from the Plan's trust funds and allocated to all participants on a pro rata basis. For the year ended December 31, 2021, the Company incurred certain administrative expenses relating to the Plan without charge to the Plan.

2. **Summary of Significant Accounting Policies**

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on a modified cash basis of accounting; a comprehensive basis of accounting other than generally accepted accounting principles in the United States of America. Under the modified cash basis of accounting, transactions are recorded on the basis of cash receipts and disbursements, except that:

- Investments are reported at fair value in the Statements of Net Assets Available for Benefits and changes in fair value of investments are shown as appreciation or depreciation in the Statement of Changes in Net Assets Available for Benefits,
- Interest income from notes receivables from participants is recorded on the accrual basis, and
- Purchases and sales of securities are recorded on a trade date basis.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make significant estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

NICE-PAK PRODUCTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

2. Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements. Purchases and sales of securities are reflected on a trade date basis. Interest and dividend income are reflected when received. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) of the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefit payments to participants or beneficiaries are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, including but not limited to, interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NICE-PAK PRODUCTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

2. Summary of Significant Accounting Policies

Income Tax Status

The Company adopted a non-standardized prototype plan that received an Internal Revenue Service (“IRS”) Opinion Letter dated March 31, 2014, in which the IRS stated that this prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. An employer adopting this prototype plan is considered to have a plan qualified under section 401(a) of the IRC. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan administrator and the Plan’s tax counsel believe that the Plan is being operated in conformity with the applicable requirement of the IRC and therefore believes the Plan is qualified and the trust established under the Plan is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and/or the Department of Labor (“DOL”). The Plan administrator has analysed the tax positions taken by the Plan and had concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and/or the DOL. There are currently no other audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 13, 2022 which is the date the financial statements were available to be issued.

NICE-PAK PRODUCTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested and their accounts become non-forfeitable.

4. Investments

For the year ended December 31, 2021, the Plan's net appreciation (including gains and losses on investments bought and sold, as well as held during the year) of the fair value on the investments was \$13,050,519.

5. Fair Value Measurements

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Section 820 are described as follows:

NICE-PAK PRODUCTS, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND
FOR THE YEAR ENDED DECEMBER 31, 2021

5. **Fair Value Measurements**

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below is a description of the valuation methodologies used for assets measured at fair value (there have been no changes in the methodologies used at December 31, 2021 and 2020):

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: The self-directed brokerage accounts contain interest-bearing cash, mutual funds and common stocks. The valuation of interest-bearing cash and mutual funds is discussed above.

5. **Fair Value Measurements**

Common collective trusts: Valued at the NAV of units of the respective trust company's common collective trust fund. The NAV, as provided by the trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. For the funds that are not direct filing entities the primary investment strategy of the common collective trusts, are to first grow and then later preserve principal. These common collective trusts contain a mix of U.S. and international common stocks and cash.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits (Modified Cash Basis).

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the year ended December 31, 2021, there were no purchases, issuances, transfers in or out of Level 3.
