Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit the accompanying financial statements of Economy Linen & Towel Service 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit net not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 of the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Economy Linen & Towel Service 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Economy Linen & Towel Service 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Economy Linen & Towel Service 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Economy Linen & Towel Service 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Economy Linen & Towel Service 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Financial Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of net assets and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Contributions Receivable

Due to the nature of the contribution receivable, management believes that all amounts will be collected; therefore, no allowance for doubtful accounts is considered necessary.

Administrative Fees

The Company and the plan share in the payment of administrative fees of the Plan.

Investment Valuation and Income Recognition

The Plan provides for employee salary deferrals within statutory limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company currently matches employee deferrals up to 2% of employee wages and matches 50% on the next 4% of employee wages. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service. The Company, upon approval of the Board of Directors, may also make additional contributions to the Plan subject to Internal Revenue Service limitations. Employer contributions are generally funded quarterly. The Company's matching and discretionary contribution for 2021 was \$125,299.

Participant Accounts

Matrix Trust Company is the trustee and custodian of Plan investments. The Plan is funded through investment options offered by Matrix Trust Company. The Plan maintains the self-directed investment accounts for each participant containing the participant's contributions, net earnings or losses, and distributions and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the participant contribution and employer contribution is to be invested.

Distributions

Upon termination of service by reason of retirement, death, and permanent disability, or otherwise, participants or designated beneficiaries may elect to receive their vested balance either in a lump-sum amount or payments, over a period of time, in cash installments or in a form agreeable to the Plan administrator. If the participant's account

balance is \$5,000 or less, the Plan administrator may elect to automatically distribute the participant's balance in a single-sum payment. In addition, participants may receive distributions of the employee deferral amount for qualified financial hardships.

Vesting

Participants are immediately vested in their voluntary contributions and corresponding earnings. All Company contributions are subject to the following vesting schedule:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 2	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6 or more	100 %

Participant Loans

Participant loans are stated at the amount the Plan Administration expects to collect from outstanding balances. Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loans bear interest at an agreed-upon percentage based on prevailing market rates, subject to applicable usury limits and are accrued monthly. Loan terms are for a period not exceeding five years. Loans are secured by the balance in the participants' accounts. Principal and interest is paid ratably through payroll deductions.

Loans are considered in default if any scheduled loan payments are not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. If a loan is considered to be in default, the Plan will record the defaulted amount as a taxable distribution.

Employee Contribution Funding

Participant contributions are remitted to the plan as soon as administratively possible following each payroll date.

3. PARTICIPANT DIRECT INVESTMENT

The Plan's investments (including bought, sold, and held during the year) appreciated in value in 2021 in the amount of \$330,312.

4. SUMMARY OF INFORMATION HELD BY PLAN TRUSTEE

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan's management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by Matrix Trust Company, except for comparing such information certified by the trustees with information included in the Plan's financial statements and supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year):

	<u>2021</u>	<u>2020</u>
<u>Investments</u>		
Money market funds	\$ 123,465	\$ 9,054
Equity security funds	3,887,361	3,612,034

Combined increases in the net assets available for benefits in the trusts for the year ending December 31, 2021 was \$330,312 in net investment gains from registered investment companies, \$424,398 of dividend income related to the aforementioned investments for the year ended December 31, 2021.

The investments held by Matrix Trust Company at December 31, 2021 are not federally insured and are subject to market risk.

5. TAX STATUS

The company adopted a Prototype Nonstandardized 401(k) Plan which received a favorable opinion letter from the Internal Revenue Service on November 27, 2001. This letter stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

7. INVESTMENTS

The investment in money markets and mutual funds held by Matrix Trust Company are not federally insured. The schedule on page 13 shows the detail of all investments held by the Plan at December 31, 2021.

The Fair Value Measurement and Disclosure Topic of FASB ASC establishes a fair value hierarchy that prioritizes the inputs used to measure the fair value of assets into three levels of input and expands disclosures regarding the fair value measurements. The FASB ASC Topic defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The disclosures that follow do not relate to what is known as investment risk, such as the risk of a permanent decline in the fair value of an investment, or an investment's custodial risk. The levels of input described below relate solely to the process of determining the fair value of each of the investments held by the Plan on the report date. The three levels of input are as follows:

- Level 1 Inputs are unadjusted quoted prices in active markets for identical assets, and the Plan has the ability to access that information on December 31.
- Level 2 Inputs are other than Level 1 quoted prices that are observable either directly or indirectly.
- Level 3 Valuations based on unobservable inputs such as when observable inputs are not available or inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The reported fair values of the Plan's investments in money market funds and mutual funds are based on quoted prices. The investments shown below are all Level 1 investments:

Cash account	\$ 53,776
Money market fund	69,689
Mutual funds	5,518,584
	<u>\$ 5,642,049</u>

The plan does not hold any Level 2 or Level 3 investments.
