EMPLOYEE SAVINGS PLAN FOR EVERGREEN PACKAGING
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Employee Savings Plan for Evergreen Packaging (the "Plan") provides only general information. Participants should refer to the plan document for more complete information regarding the Plan's provisions.

General: The Plan, established on February 29, 2008, is a defined contribution plan. Evergreen Packaging LLC (the "Company") is responsible for the general administration of the Plan effective January 1, 2020. Prior to January 1, 2020, GEC Packaging Technologies, LLC was responsible for the general administration of the Plan. The Plan's participants include non-union employees and certain union employees of the Company and certain affiliates who have adopted the Plan. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company is the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: All employees are eligible to participate in the Plan at the date of employment with the exception of non-resident aliens with no U.S. source income, independent contractors, leased employees, residents of Puerto Rico, and employees designated by the employer as a special project employee.

Contributions: Participants may make voluntary contributions to the Plan on a pretax and Roth basis, not to exceed 75% of compensation or the maximums prescribed by law.

The Plan allows for 6% automatic enrollment for participants not subject to a collective bargaining agreement who do not make a deferral election following the employment commencement date. The Plan allows for 4% automatic enrollment for participants subject to a collective bargaining agreement who do not make a deferral election following the employment commencement date. For participants that were automatically enrolled, the Plan automatically increases their pretax contributions by 1% each January 1 up to a maximum automatic deferral.

Non-bargaining employees are entitled to receive a matching contribution from their respective employer equal to the first 6% of eligible compensation contributed by the participant. Bargained employees are entitled to receive a matching contribution in accordance with the conditions outlined in their applicable collective bargaining agreement.

Participants employed on the last day of the Plan year may receive a Discretionary Employer Contribution. Bargained employees are entitled to receive the Discretionary Employer Contributions in accordance with the conditions outlined in their applicable collective bargaining agreement.

All contributions are subject to certain limitations of the Internal Revenue Code (the "Code").

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. If the participant does not provide any instructions, the trustee will automatically invest the participant balance in a target retirement fund based on the participant's date of birth, as defined by the Plan, until the participant changes their election. The Company's contributions are allocated in the same manner as that of the participant's elective contributions.

Participant Accounts: Each participant's account is credited with the participant's contribution, employer matching and Employer Retirement Income Contributions and allocations of plan earnings and expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting: Participants are always fully vested in their voluntary contributions. Vesting schedules for the participants' employer match and Employer Retirement Income Contributions are varied and depend on the participants' union status, location and years of services.

Payment of Benefits: Upon termination of service, a participant may elect to receive a lump sum amount equal to the value of the vested balance allocated to his account. The Plan will automatically roll over a participant's vested benefit between \$1,000 and \$5,000 to an IRA, unless otherwise directed, or pay the participant a lump-sum benefit if the participant's vested benefit is less than \$1,000 at the time of termination.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

If a participant dies after becoming eligible for retirement benefits, but before the payment of retirement benefits has commenced, the surviving spouse or beneficiary receives a lump-sum payment.

CARES Act: On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), became law in response to the coronavirus pandemic through December 31, 2020. The CARES Act provides relief in both distribution and loan provisions for qualified participants. Plan management has elected to implement these provisions.

Notes Receivable from Participants: Loans are permitted under the Plan and are subject to such conditions and limitations as the Pactiv Evergreen Employee Benefits Administration Committee deems necessary for administrative convenience and to preserve the tax-qualified status of the Plan.

Participants may borrow from their accounts in increments of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance of loans in the previous year; or the greater of one-half the participant's vested balance or \$10,000, reduced by any outstanding loan balance, subject to certain limitations. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate determined under the provisions of the Plan.

Forfeitures: Upon termination of employment, participants forfeit their nonvested balances. If a participant is rehired within a five-year period, the forfeited contributions are eligible for reinstatement. Forfeited balances of terminated participants' nonvested accounts are used first to pay for plan expenses and then to reduce the future employer contributions.

Expenses: The Plan's administrative expenses are paid by the Plan, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate.

Net Transfers to Other Plans: From time to time, changes in employee status require the transfer of funds between various defined contribution plans sponsored by affiliated companies. An employee becomes ineligible for his or her current plan and eligible for a different plan due to a transfer and the employee's account balance in that plan will follow him or her and transfer to the plan for which the employee is now eligible. This may result in a transfer to or from the Plan. Net transfers to other plans reflected in the Statement of Changes in Net Assets Available for Benefits resulted from these types of transfers.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as payments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payments of Benefits: Benefits are recorded when paid.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Risks and Uncertainties: The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks, as well as the risks associated with the on-going Coronavirus pandemic. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investment Valuation and Income Recognition: Investments held by the Plan are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. See Note 5 for further discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 3 - RIGHTS UPON PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

NOTE 4 - UNAUDITED INFORMATION – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income and interest earned on notes receivable from participants, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan. This information has not been audited by independent accountants.

NOTE 5 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Registered Investment Companies: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. All of the collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Pooled Separate Accounts: The fair values of participation units held in pooled separate accounts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. The pooled separate accounts are restricted to one redemption per 30-day period.

EMPLOYEE SAVINGS PLAN FOR EVERGREEN PACKAGING
NOTES TO FINANCIAL STATEMENTS
December 31, 2020 and 2019

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined by a letter dated May 12, 2012, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Plan management has applied for a new determination letter. A response from the Internal Revenue Service has not yet been received.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020 and 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company is the Plan's trustee, and therefore, the Plan's payment of trustee fees, investment management and administrative fees to the Plan's trustee, or affiliates of the Plan's trustee, qualify as party-in-interest transactions. Certain plan investments are pooled separate accounts managed by affiliates of the trustee of the Plan, and these investments qualify as party-in-interest investments. Notes receivable from participants also reflect party-in-interest transactions.

NOTE 8 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 11, 2021, which is the date the financial statements were available to be issued.
