To the Participants and Administrator
of Accudyn Products, Inc. 401(k) Profit Sharing Plan

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Accudyn Products, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Accudyn Products, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Accudyn Products, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Accudyn Products, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Accudyn Products, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Accudyn Products, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of Accudyn Products, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and Eligibility:

The Plan is a defined contribution plan covering substantially all employees of Accudyn Products, Inc (the Plan Sponsor) who have attained eighteen years of age and have completed three months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions:

Each year, participants may contribute up to the legal limit of pre-tax annual compensation, as defined by the Plan, not to exceed the limits of Internal Revenue Code Section 401(k) of \$19,500 for 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of a maximum of \$6,500 in 2021. Participants may also contribute amounts representing distributions from other qualified retirement plans.

An eligible participant may elect to make both salary deferred savings and Roth 401(k) contributions to the Plan. Employees are auto-enrolled into the Plan at 3% of pre-tax compensation.

The Plan Sponsor may make contributions to the Plan on behalf of the participants under the following provisions:

Discretionary Matching Contribution – The Plan Sponsor may, at its sole discretion, make a matching contribution based on each participant's elective deferrals under the Plan or in an amount equal to a percentage of compensation. The Plan Sponsor matched 100% of each employee's contributions up to 3% of the employee's compensation for 2021 and 2020.

Discretionary Profit-Sharing Contribution – The Plan Sponsor may, at its sole discretion, make a profit-sharing contribution on each eligible participant's behalf. Such a contribution, if made, will be determined at the end of each plan year. A discretionary profit-sharing contribution was not made for the years ended December 31, 2021 and 2020.

Participants are eligible to receive the discretionary matching and profit-sharing contributions if they have completed at least 1,000 hours of credited service and were employed on the last day of the plan year.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts:

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, Plan Sponsor's contributions, an allocation of the change in market value of the underlying investment, which is based on units owned of the investment, and charged with an allocation of investment fees, which is based on a percentage of the value of the participant's assets.

Each day the investment income and the net realized and unrealized appreciation and depreciation on investments are allocated to participant accounts based on each participant's pro-rata share of the fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments:

Participants direct the investment of their contributions, including matching and profit sharing contributions, and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between funds daily, subject to certain restrictions on transfer frequency for certain investments.

Participant Notes Receivable:

Participants may borrow a minimum of \$500 from their fund accounts up to a maximum of 50% of their total vested account balance, not to exceed \$50,000. The notes are secured by the balance of the participant's account and bear interest at the prime rate plus 1%. The life of a note may not extend beyond five years, unless the note is used to acquire a principal residence, which must be repaid over a reasonable period of time, not to exceed thirty years. Principal and interest is paid ratably through weekly and semi-monthly payroll deductions.

Benefits:

The Plan provides for normal retirement benefits upon reaching age 65. Upon termination of service due to death, disability, retirement, or other reasons, a participant may receive a distribution equal to the vested value of the participant's account. Participants may take distributions from the Plan as rollovers to individual retirement accounts or to another employer plan, or as distributions paid in a single lump sum or in the form of installment payments. Vested account balances of former employees that are below \$5,000 will be distributed within a reasonable period of time. The Plan provides for in-service withdrawals upon reaching age 59 ½. Financial hardship withdrawals are permitted.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting:

Participants are immediately vested in their voluntary contributions and rollover contributions, plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary matching and profit-sharing contributions and earnings thereon is based on years of service, with participants vesting at 25% after the second year and an additional 25% each year thereafter, until fully vested after five years. In the event of death or disability, the full balance of the participant's account becomes immediately vested.

Forfeited Accounts:

Forfeitures are retained in the Plan and may be used to restore forfeitures, reduce Plan Sponsor contributions or to pay Plan expenses. Available forfeitures totaled \$14,247 and \$5,379 at December 31, 2021 and 2020, respectively.

Plan Termination:

Upon complete or partial termination of the Plan or upon complete discontinuance of contributions by the employer, the participants' interests under the Plan, as of the date of termination, become fully vested and nonforfeitable. The Plan Sponsor has not expressed any intent to terminate the Plan or to discontinue contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements have been prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

Pooled separate accounts held by the Plan are recorded at fair value in the accompanying financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in insurance contracts are carried at contract value as determined by the insurance company.

Net appreciation or depreciation in the fair value of investments is reflected in the statement of changes in net assets available for benefits and includes realized gains and losses on investments bought and sold as well as held and distributed and the change in appreciation from one period to the next. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits:

Benefit payments to participants are recorded when paid.

Administrative Expenses:

Administrative expenses of the Plan are paid by the Plan Sponsor or the Plan, as provided in the plan document.

Subsequent Events:

Management evaluated all activity of the Plan through October 11, 2022, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - TAX STATUS

The Plan was established using CCH Incorporated dba FTWILLIAM Com, Non-Standardized Pre-Approved Profit Sharing Plan With CODA Plan, which, according to an opinion letter dated June 30, 2020 from the Internal Revenue Service, may be relied upon by an employer to adopt and qualify as an approved plan under the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and is tax-exempt.

NOTE D - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from John Hancock Life Insurance Company and Lincoln National Life Insurance Company, the custodians of the Plan. We have been informed by the plan administrator that John Hancock Life Insurance Company held the Plan's investment assets and executed investment transactions from January 1, 2021 to December 28, 2021. Additionally, Lincoln National Life Insurance Company held the Plan's investment assets and executed investment transactions from December 29, 2021 to December 31, 2021. The plan administrator has obtained certifications from the custodians as of and for the years ended December 31, 2021 and 2020, that the information provided to the plan administrator by the custodians is complete and accurate. Information as to the value of the investments in the Plan, investment income (loss), and all information in the supplemental schedule is presented in reliance solely upon those certifications.

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

As of December 29, 2021, the Plan holds a group variable annuity contract. This contract meets the fully benefit-responsive investment contract criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

ACCUDYN PRODUCTS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

With group variable annuity contracts, the Plan owns only the contract itself. Group variable annuity contracts are designed to accrue interest based on credit rates established by the contract issuers. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The credit rating is based on a formula established by the contract issuer but may not be less than one percent. The credit rating is reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured breach of the Plan's investment guidelines
2. A violation of a material obligation under the contract
3. A material misrepresentation
4. A material amendment to the contract without the consent of the issuer.

NOTE F - FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described in the table below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used attempt to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts - This represents investments in participation units held in pooled separate accounts through sub-accounts of an insurance company. The fair value of pooled separate accounts is measured using the net asset value (NAV) per unit, based on the fair value of the underlying assets.

Included in the pooled separate accounts, is a stable value fund which represents participation units of a collective investment trust for which the net asset value is based on the market value of the underlying investments. The stable value fund is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the collective trust.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

NOTE F - FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31:

Assets at fair value at December 31, 2021				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts measured at net asset value (a)	\$ -	\$ -	\$ -	\$ -
Assets at fair value at December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts measured at net asset value (a)	\$ -	\$ -	\$ -	\$ 4,466,429

(a) In accordance with FASB ASC's *Fair Value Measurements and Disclosures* topic, certain investments that were measured at net asset value (NAV) per share (or its equivalent) practical expedients have not been classified in the fair value hierarchy. The net asset value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE G - NET ASSET VALUE (NAV) PER SHARE

The following table summarizes investments for which fair value is measured using net asset value per share as of December 31, 2021 and 2020:

Pooled Separate Accounts	<u>Fair Value at December 31,</u>		<u>Unfunded Commitments</u>	<u>Redemption</u>	
	<u>2021</u>	<u>2020</u>		<u>Frequency (b)</u>	<u>Notice Period & Restrictions</u>
Stable value fund, pooled separate account	\$ -	\$ 55,960	N/A	Daily	Up to 12 months (c)
Other pooled separate accounts	-	4,410,469	N/A	Daily	None
Total pooled separate accounts	<u>\$ -</u>	<u>\$4,466,429</u>			

(b) Participant transactions (purchases and sales) may occur daily subject to the short-term trading policies of the Plan Sponsor. Additional restrictions may be imposed at the request of the fund company of an underlying fund as outlined in their prospectus.

(c) Participant transactions (purchases and sales) may occur daily. However, participant withdrawals may be subject to a delay if it is determined, respectively, that such delay is necessary to maintain adequate liquidity for, or to avoid an adverse impact on, the underlying trust or investment vehicle. In addition, the fund's declaration of trust provides that withdrawals for purposes other than normal benefit payments or plan permitted investment option transfers are subject to either a market value adjustment or without a market value adjustment and effected no later than 12 months. These events may include, but are not limited to, the following: sale, merger, layoff, plan termination and implementation of early retirement incentive programs. Additional investment options are established that constitute a competing fund.

NOTE H - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of funds held and managed by John Hancock Life Insurance Company or Lincoln National Life Insurance Company. John Hancock Life Insurance Company and Lincoln National Life Insurance Company are the custodians and recordkeepers of the Plan. Therefore, these transactions qualify as party-in-interest transactions. These funds had a value of \$5,132,892 and \$4,466,429 at December 31, 2021 and 2020, respectively.

NOTE H - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

Administration fees are paid by the Plan to John Hancock Life Insurance Company and Lincoln National Life Insurance Company, the custodians and recordkeepers, and to Merrill Lynch, the investment advisor. The Plan paid administration fees of \$35,582 for the year ended December 31, 2021. These transactions qualify as party-in-interest transactions. Other costs of administering the Plan are paid by the Plan Sponsor.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization ("WHO") classified the COVID-19 outbreak a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
