TO THE PLAN ADMINISTRATOR OF RUSTON PAVING CO., INC. EMPLOYEES 401(k) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **RUSTON PAVING CO., INC. EMPLOYEES 401(k) PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Ruston Paving Co., Inc. Employees 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ruston Paving Co., Inc. Employees 401(k) Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Responsibilities of Management for the 2021 Financial Statements – Continued

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ruston Paving Co., Inc. Employees 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ruston Paving Co., Inc. Employees 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements – Continued

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2021 Supplemental Schedule Required by ERISA – Continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Ruston Paving Co., Inc. Employees 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Ruston Paving Co., Inc. Employees 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Ruston Paving Co., Inc. (the Plan Sponsor or the Company) who have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan. Plan Management determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions

Participants may contribute up to 86% of their eligible base compensation subject to the maximum allowable contributions under the Internal Revenue Code. Participants may change the amount of their salary reduction contributions effective with the payroll period following the date of change.

The Company will make safe harbor matching contributions equal to 100% of participant elective deferrals up to 4% of eligible compensation. In addition, the Plan allows additional employer matching contributions. In 2021 and 2020, there were employer matching contributions of \$452,065 and \$402,621, respectively.

Discretionary profit sharing contributions may be made at the option of the Plan Sponsor. These contributions are subject to certain limitations. There were no discretionary profit sharing contributions made in 2021 or 2020.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN – Continued

Participant Accounts

Each participant's account is credited with the participant's contribution and Company matching contributions and allocations of (a) the Company's profit sharing contribution and (b) Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions and safe harbor matching employer contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions is based on years of continuous service. Participants are vested based on qualifying years of service as follows:

Years of Service	Vesting Percentage
Less Than 2 Years	None
2 Years	20%
3 Years	40%
4 Years	60%
5 Years	80%
6 Years or More	100%

Notes Receivable from Participants

Active participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Terms of the notes may not exceed five years. The notes' interest rates are the prime rate plus 1%.

The notes are secured by the balance in the participant accounts. Participants may only have one loan outstanding at any given time. The interest rates remain fixed throughout the duration of the loans. Principal and interest are paid ratably through weekly payroll deductions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN – Continued

Payment of Benefits

Upon termination of service due to disability or retirement, if a participant's vested account balance exceeds \$5,000, the participant must consent to a distribution. Participants may elect to receive a distribution of their vested account balance in the form of a single lump-sum payment, installments, partial payments or rollover contribution to another qualified plan or IRA. That distribution would be equal to the value of the participant's vested account balance. If the balance is not greater than \$5,000, the participant's vested balance must be distributed directly to the participant in the form of a lump sum without the participant's consent.

Upon termination of service due to death, the participant's beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, annual installments or partial payments over a period of not more than the participant's or participants beneficiary's assumed life expectancy.

Hardship Withdrawals

Hardship withdrawals are permitted and subject to certain limitations imposed by the Internal Revenue Service and specified in the Plan Document.

Forfeitures

Upon termination, participant's non-vested account balances are forfeited. Forfeitures are retained in the Plan and may be used to reduce future employer contributions or to pay the Plan's administrative expenses. At December 31, 2021 and 2020, there were no forfeited non-vested account balances. During 2021 and 2020, no forfeiture balances were used to reduce employer contributions or to pay Plan expenses.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan Management determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. See Note 4 for discussion of fair value measurements.

Purchases or sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES – Continued

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. The expenses paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Certain administrative and record keeping functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Subsequent Events

Management has evaluated subsequent events through October 12, 2022, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 3 – CERTIFIED INVESTMENT INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from Ascensus Trust Company and Branch Banking and Trust Company (the “Trustees”) that all of the information provided by them is complete and accurate.

Branch Banking and Trust Company held the Plan’s investment assets and executed investment transactions from January 1, 2020 to February 28, 2021, and Ascensus Trust Company held the Plan’s investment assets and executed investment transactions from March 1, 2021 to December 31, 2021.

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified as complete and accurate by the Trustees as of December 31, 2021 and 2020.

	2021	2020
Investments, at Fair Value	<u>\$ 26,103,012</u>	<u>\$ 21,578,599</u>
Notes Receivable from Participants	<u>\$ 229,239</u>	<u>\$ 251,613</u>
Investment Income	<u>\$ 3,631,044</u>	<u>\$ 2,967,829</u>
Interest Income on Notes Receivable from Participants	<u>\$ 10,416</u>	<u>\$ 11,891</u>

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 4 – FAIR VALUE MEASUREMENTS – Continued

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust: Valued at the net asset value, based on the fair values of the underlying investments reported by the Trustees of the funds. Fair values for the underlying assets were based on either quoted prices in active markets or observable inputs or quotations from inactive markets.

Total Investments at Fair Value	<u>\$ 20,944,808</u>	<u>\$ 633,791</u>	<u>\$ 0</u>	<u>\$ 21,578,599</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

**NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST
TRANSACTIONS**

Ascensus Trust Company and Branch Banking and Trust Company were Trustees of the Plan's assets. Transactions involving participant notes receivable also qualify as party-in-interest transactions. As described in Note 2, the Company or the Plan paid certain expenses related to plan operation and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA and are exempt from prohibitive transaction rules.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

NOTE 7 – TAX STATUS

The Company adopted a new prototype plan agreement during the current year. The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

The prior plan agreement, received a determination letter dated March 31, 2014 which informed the Company that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan was amended since receiving the opinion letter. However, the Plan Administrator and Plan's tax counsel believe that the Plan is designed and is being operated in compliance with applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.
