The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITOR'S REPORT

(Continued)

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

## INDEPENDENT AUDITOR'S REPORT

### ***Auditor's Responsibilities for the Audit of the Financial Statements (Continued)***

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets Held and the Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## **INDEPENDENT AUDITOR'S REPORT**

### **Other Matter - Supplemental Schedules Required by ERISA (Continued)**

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated September 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **FOODLINK, INC. 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020**

---

#### **1. DESCRIPTION OF THE PLAN**

The following brief description of the Foodlink, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. For a more complete description of the Plan's provisions, participants should refer to the Plan document.

##### **General**

The Plan is a defined contribution plan available to all employees of Foodlink, Inc. (Foodlink) who meet certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### **Administration**

The plan is administered by Foodlink. Great-West Trust Company, LLC (Great-West) is the custodian and trustee of the Plan's assets. First Great-West Life & Annuity Insurance Company (FGWL&A) is the recordkeeper of the Plan's assets.

##### **Eligibility**

All non-union employees of Foodlink who have attained the age of 18 are eligible to participate in the Plan. Non-union employees become eligible for employer contributions after one year of service in which the employee is credited with 1,000 hours of service, provided they are actively employed on the last day of the Plan year. Union employees and non-resident aliens are not eligible to participate in the Plan.

##### **Participant Contributions**

Active participants may make voluntary contributions in the form of salary reductions and any applicable rollovers from qualified plans, subject to certain limitations of the Plan and the Internal Revenue Code (the Code) under Section 401(k). Eligible participants, who attain the age of 50 by the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the Code.

Eligible participants are automatically enrolled with a deferral of 1% from the participant's compensation each payroll period unless the participant makes a contrary election.

##### **Employer Contributions**

Foodlink, at its discretion, may make employer contributions to participants of the Plan. In 2021 and 2020 Foodlink made a non-elective contribution at a rate of 2% of each participant's compensation per payroll period for participants who worked a minimum of 1,000 hours and one year of consecutive service.

Further, Foodlink also makes safe harbor contributions equal to 100% of participant's elective deferrals up to a maximum of 5% of the participant's compensation for participants who worked a minimum of 1,000 hours and one year of consecutive service.

##### **Participant Accounts**

Each participant's account is credited with the participant's contribution, Foodlink's employer contribution, if any, and allocation of the Plan earnings/losses on all contributions. Allocations of earnings/losses and administrative expenses are based on participant account balances according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## **1. DESCRIPTION OF THE PLAN (Continued)**

### **Vesting**

Participants are immediately vested in their account balance, which includes voluntary contributions, Foodlink's contributions, and actual earnings/losses thereon.

### **Payment of Benefits**

Vested funds are paid to participants upon either termination of employment, or the attainment of age 59 1/2. Benefits are paid in lump sum withdrawals or in periodic installments over a period that is not greater than or equal to the life expectancy of the participant. The plan administrator will make a mandatory distribution for participant account balances below \$5,000 following severance from employment.

### **Notes Receivable from Participants**

Participants may borrow up to the lesser of (1) 50% of their vested account balances or (2) \$50,000 reduced by the highest loan balance during the 12-month period ending on the day before the date on which the loan was made. A participant may borrow a minimum of \$1,000. Loans are repayable through payroll deductions over not more than five years, except in the case of a loan taken for the purpose of purchasing a primary residence. All loans bear interest at the prime rate plus 1%. Defaulted loans are deemed as distributions to the extent the law allows.

### **Hardship Withdrawals**

Hardship withdrawals from the Plan are permitted from a participant's account. All hardship withdrawals must comply with Internal Revenue Service rules relating to hardships, which are uniformly applicable to all participants.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

### **Investments and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Investment income recognized by the Plan includes earnings from investments, net gains (losses) realized from the sale of investments, and the net changes in the unrealized appreciation in fair value of investments.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### **Fair Value Measurement**

Accounting Standards Codification (ASC) 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 Inputs – Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

The Plan's investments in mutual funds are valued utilizing Level 1 inputs.

- Level 2 Inputs – Valuations are based on quote prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

The Plan's investments in variable and fixed annuities are valued utilizing Level 2 inputs.

- Level 3 Inputs – Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

*Mutual Funds:* These are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The mutual funds held by the Plan are deemed to be actively traded.

*Variable Annuities:* These are non-benefit responsive investments. The initial pricing input is the quoted price obtained for the underlying mutual fund which is then adjusted to apply the expense factor disclosed in the annuity contract. The formula-calculated unit value is then compared to an accounting-driven unit value the following morning. The accounting unit value is determined in a manner similar to a mutual fund NAV calculation: dividing the net assets by the number of units outstanding. Any discrepancies between the two-unit values are resolved to ensure the recordkeeping system reflects the accurate value for the day.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

### **Fair Value Measurement (Continued)**

*Fixed Annuities:* These are non-benefit responsive investments. The primary pricing input is the published interest crediting rate. The fixed annuity contract's methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

A description of where the Plan's investments fall within the fair value hierarchy is provided in Note 4. There were no changes in valuation methodologies used during 2021 and 2020.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, political, currency, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

The United States is presently in the midst of a national health emergency related to a virus, commonly known as Novel Coronavirus (COVID-19). The overall consequences of COVID-19 on a national, regional and local level are unknown, but it has a potential to result in a significant economic impact. The impact of this situation on the Plan and its future results and financial position is not presently determinable.

### **Payment of Benefits**

Benefit payments to participants are recorded when paid.

### **Administrative Expenses**

Certain administrative expenses associated with the Plan are paid by Plan participants by deduction from their accounts by a combination of percentage of assets and per participant charges.

### **Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### 3. CERTIFIED INVESTMENT INFORMATION

The Plan's trustee and custodian, Great-West, furnished certain financial information to the plan administrator and certified as to its completeness and accuracy.

The plan administrator assesses the fair value measurements used by the insurance companies and custodians. Annually, the plan administrator, together with the insurance companies and custodians, determines if the current valuation techniques used in the fair value measurements are still appropriate.

## **5. PARTY-IN-INTEREST TRANSACTIONS**

Great-West is the trustee and custodian of the Plan's assets and FGWL&A is the recordkeeper of the Plan's assets. As such, transactions between Great-West, FGWL&A, and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants qualify as party-in-interest transactions.

## **6. PLAN TERMINATION**

Although they have not expressed any intent to do so, Foodlink, Inc. has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan terminates, participants would remain 100% vested in their accounts.

## **7. INCOME TAX STATUS**
