INDEPENDENT AUDITORS' REPORT

To the Officers and Directors of Siskin Hospital for Physical Rehabilitation Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Siskin Hospital for Physical Rehabilitation Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Siskin Hospital for Physical Rehabilitation Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Siskin Hospital for Physical Rehabilitation Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Siskin Hospital for Physical Rehabilitation Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Siskin Hospital for Physical Rehabilitation Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements in accordance with the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i – schedule of assets (held at end of year) and Schedule H, line 4a – schedule of delinquent participant contributions, as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Siskin Hospital for Physical Rehabilitation Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**SISKIN HOSPITAL FOR PHYSICAL REHABILITATION
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

(1) DESCRIPTION OF PLAN

The following description of the Siskin Hospital for Physical Rehabilitation Retirement Savings Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Siskin Hospital for Physical Rehabilitation (the Hospital). Employees may make elective deferrals upon employment. After one year of service and attainment of age 21 participants may be eligible for employer matching contributions depending on hours worked. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Hospital makes discretionary contributions of eligible participant's compensation. For the years 2021 and 2020, the Hospital matches 50% of employee salary reduction contributions up to 10% of participant's compensation. Contributions are subject to certain limitations. Participants may also contribute amounts from other 403(b) plans, i.e., rollovers, without the benefit of Hospital matching contributions.

Participant accounts

Each participant's account is credited with the participant's contribution and allocation of the Hospital's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Hospital contributions. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their employee contribution account plus actual earnings thereon. Vesting in the employer contribution account is based on years of continuous service. Participants vest in 20% of their employer contribution account beginning in year two and each year thereafter until 100% vested after six years of credited service.

Investment options

Participant contributions have been invested in the Variable Annuity Life Insurance Company Separate Account A or General Account. Upon enrollment in the Plan, a participant may direct employee contributions as desired into any of 60 investment options. Employer contributions are initially invested in the fixed account and can be reallocated by participants. Participants may change their investment options periodically.

Payment of benefits

Upon termination, retirement, disability, or death, a participant may elect to receive a lump sum amount equal to the value of the participant's account if consented to by the plan administrator, or an annuity payout.

**SISKIN HOSPITAL FOR PHYSICAL REHABILITATION
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

(1) DESCRIPTION OF PLAN (continued)

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$33,029 and \$10,686, respectively. These accounts will be used to reduce future employer matching contributions. Also, in 2021 and 2020, employer contributions were reduced by \$0 and \$41,424, respectively from forfeited nonvested accounts.

Policy loans

Participants may borrow amounts directly from the plan custodian. Policy loans may be requested by a participant, using their account balance as collateral for the policy loan. A policy loan is not withdrawn from the participant's balance and is maintained in the loan collateral and loan escrow account. A participant may apply for a policy loan to be made from his or her vested account balance in the Plan not to exceed the lesser of (i) \$50,000 or (ii) 50% of the participant's vested account balance in the Plan. Policy loans may be further limited by the funding vehicles.

When a policy loans goes in default, but cannot be distributed because no distributable even has occurred, the participant receives a 1099R for the outstanding principle and interest at time of default. When this happens, the loan collateral (collateral and escrow accounts) must remain in the participant account as part of the plan assets. See Note 7 for reconciliation of the collateral and escrow accounts to the active policy loans reported on the statements of net assets available for benefits – modified cash basis.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the modified cash basis as allowed by the Internal Revenue Service and Department of Labor. This basis differs from accounting principles generally accepted in the United States of America primarily because the Plan has not recognized any receivables or liabilities and their related effects on earnings.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are maintained by Variable Annuity Life Insurance Company, and are stated at contract value or at the fair value of the underlying assets. The change in the difference between current value and the cost or prior year market value of the investments is reported as appreciation or depreciation of the investments. Purchases and sales are recorded on a trade date basis. Shares in mutual funds are valued at the net asset value of shares held by the Plan at year end.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by Siskin Hospital for Physical Rehabilitation and are therefore excluded from these financial statements. Participant transaction fees are charged to the Plan.

(3) CERTIFIED INVESTMENTS AND INVESTMENT INCOME

The plan has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Variable Annuity Life Insurance Company has certified that the following information, as well as investment information in the notes to the financial statements and information included in the Schedule of Assets (Held at End of Year) as of and for the years ended December 31, 2021 and 2020, is complete and accurate.

	<u>2021</u>	<u>2020</u>
Investments at fair value	\$ 22,410,008	\$ 19,826,133
Investments at contract value	\$ 12,609,181	\$ 13,642,479
Active policy loans	\$ 202,150	\$ 269,612
Interest on policy loans	\$ 5,529	\$ 8,395
Net appreciation of investments	\$ 3,352,378	\$ 3,639,192
Interest on investments	\$ 336,293	\$ 370,270

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

	<u>2021</u>	<u>2020</u>
Net Assets		
Fixed Account Plus	\$ 8,139,426	\$ 8,541,404
Short-Term Fixed Account	\$ 38,570	\$ 31,009
Changes in net assets		
Contributions	\$ 206,050	\$ 247,381
Interest	214,095	227,149
Benefits paid to participants	(892,800)	(587,066)
Administrative expenses - participant	(9,287)	(7,895)
Transfers to participant-directed investments	<u>87,525</u>	<u>(2,681)</u>
	<u>\$ (394,417)</u>	<u>\$ (123,112)</u>

(5) FAIR VALUE

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

**SISKIN HOSPITAL FOR PHYSICAL REHABILITATION
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

(5) FAIR VALUE (continued)

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 assets are valued using quoted prices in active markets for identical investments. Level 2 assets are valued using inputs other than quoted prices. Level 2 inputs are observable, either directly or indirectly for the asset or liability through correlation with market data at the measurement date and for the duration of the instrument's anticipated life. Level 3 inputs are unobservable for the investment, indicating that the inputs reflect the entity's own assumption used in pricing an investment based on the best information available. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The Plan uses the following methods and assumptions in estimating the fair values of the Plan's financial instruments:

Mutual Funds

The fair value of mutual funds is based on the net asset values (NAV) of shares held by the plan at year end. The NAV is based on the value of the underlying assets owned by the fund minus its liabilities, divided by the number of shares outstanding. The NAV is a quoted price in an active market and is classified at Level 1.

The categorization of fair value measurements of the Plan's assets, by input level, at December 31, 2021 and 2020, is as follows:

	<u>Assets at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 22,410,008	\$ -	\$ -	\$ 22,410,008

	<u>Assets at Fair Value as of December 31, 2020</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 19,826,133	\$ -	\$ -	\$ 19,826,133

Gains and losses included in changes in net assets available for benefits – modified cash basis for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no transfers between levels.

(6) INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan has two fully benefit-responsive investment contracts with VALIC. VALIC maintains both the Fixed Account Plus and Short-Term Fixed Account in its general account. Both accounts are credited with interest rates set by VALIC and charged for participant withdrawals and administrative expenses. VALIC is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

VALIC bears the investment risk for both fixed accounts in the Plan. Funds may be transferred between fixed and variable account options without a charge. Transfers exceeding \$500 from the Fixed Account Plus option which are transferred back to the Fixed Account Plus option within 90 days may receive a different rate than any new contributions. Funds transferred into the Short-Term Fixed Account must remain in the account for 90 days to be eligible for transfer out of the Short-Term Fixed Account.

Because the investment contracts are fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. The investment contracts are presented on the face of the statement of net assets available for benefits – modified cash basis at contract value. Contract value, as reported to the Plan by VALIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020, was \$12,609,181 and \$13,372,867, respectively. The crediting interest rate is based on a formula outlined by VALIC in the fund prospectus, but it may not be less than a guaranteed minimum rate dependent upon the date the participant established the account. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with VALIC. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

(7) POLICY LOANS

See below the reconciliation of the collateral and escrow accounts to the active policy loans reported on the statements of net assets available for benefits – modified cash basis:

	<u>2021</u>	<u>2020</u>
Escrow loan funds	\$ 25,745	\$ 24,538
Loan collateral funds	452,595	501,720
Loans deemed distributions in a prior year	<u>(276,190)</u>	<u>(256,646)</u>
Total active policy loans, net	<u>\$ 202,150</u>	<u>\$ 269,612</u>

(8) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

(9) INCOME TAX STATUS

Currently, 403(b) plans are not required to submit plans to the Internal Revenue Service for determination. However, the plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

(10) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**SISKIN HOSPITAL FOR PHYSICAL REHABILITATION
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

(10) RISKS AND UNCERTAINTIES (continued)

During March 2020, a pandemic was declared related to the rapidly growing outbreak of a novel strain of coronavirus (COVID-19). The pandemic has significantly impacted the economic conditions across the nation as federal, state, and local governments react to the public health crisis, creating significant uncertainties in the economy. This situation is rapidly changing, and additional impacts may arise. While the disruption is currently expected to be temporary, there is uncertainty around its duration. The ultimate future impact, if any, of the pandemic on results of operations of the Plan Sponsor or investment securities held in the Plan cannot be reasonably estimated at this time.

(11) SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 11, 2022, the date which the financial statements were available to be issued.

SUPPLEMENTAL DATA
