INDEPENDENT AUDITORS' REPORT

To: The Plan Administrator of
DLC Group Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of DLC Group Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of DLC Group Savings Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

RSM Puerto Rico is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any Jurisdiction.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of DLC Group Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DLC Group Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DLC Group Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DLC Group Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of DLC Group Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1) Plan Description:

The following brief description of DLC Group Savings Plan (the Plan) is provided for general purposes only. Participants should refer to the Plan's Agreement for a complete description of the Plan's provisions.

A) General – The Plan was established on April 1, 2011 as a profit sharing plan with a qualified cash or deferred contribution arrangement to provide benefits upon retirement, disability or death to participating employees or beneficiaries of the following companies (together the Employer): (i) De La Cruz & Associates, Inc., (ii) Key Integrated Solutions, Inc., and (iii) Veintinueve de Febrero, Inc. The Plan covers all regular employees who are twenty-one (21) years or older provided they worked at least 3 months of service during such year. Employees should reside in Puerto Rico. Participants that are part of a collective bargaining agreement are not eligible to participate in the Plan. The Plan is administered by the Employer. The Plan qualifies under Section 1081 of the Puerto Rico Internal Revenue Code (the Code) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B) Contributions – Participants' pre-tax contributions are limited to \$15,000 as established by the Code. Total annual contributions made by the Employer and participants should not exceed the lesser of \$58,000, or the total compensation paid by the Employer to participant during the Plan year, as provided by the Code. Also, a participant who has attained age 50 by the end of a calendar year, may elect to make catch-up contributions up to a maximum of \$1,500.

The Employer may make matching contributions equal to a discretionary percentage, determined by the Employer, of the Participants' contributions. Employer matching contributions will be made with respect to catch-up contributions.

Transfers from qualified plans are allowed.

The Employer, in its sole discretion, may contribute a discretionary amount as a Profit Sharing Contribution. The participant will share in the profit sharing contribution after completion of at least 1,000 hours of service during the Plan Year. These allocation conditions are waived for participants who have terminated employment due to death, disability or normal retirement.

C) Vesting – Participants' contributions plus earnings are fully vested at all times. Vesting in the remainder of their accounts is based on years of continued service. The participant's right to the Employer's matching contribution is determined as follows:

Years of Service	Vested Percentage
Less than 1 year	0%
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

D) Investment options – Participants direct the investment of their contributions into various investment options offered by the Plan. Participants also may direct the profit sharing contributions made after March 1, 2021.

DLC GROUP SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

- E) Participant accounts – Individual accounts are maintained for the Plan's participants to reflect the participants' and Employer's contributions, as well as the participants' share of the Plan's income, withdrawals, and any related expenses. Allocations are based on the proportion that each participants' account balance bears to the total of all participants' account balances.
- F) Payments of benefits – On termination of service due to death, termination, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest or annual installments over a fixed period of time. Normal retirement age is 65 years, with an early retirement option at age of 55 after completing six (6) years of service.
- G) In-service withdrawals – As of any valuation date, the participant may elect to withdraw all or any portion of his/her after-tax contribution account and rollover contribution account. No withdrawal is allowed by a participant from his/her pre-tax contribution account, employer profit sharing contribution account and employer matching contribution account.
- H) Hardship withdrawals – Participants may elect to make withdrawals from his/her pre-tax contribution account in the event of a financial hardship. If a participant makes an in-service withdrawal of pre-tax contributions, such participant cannot make future pre-tax contributions and after-tax contributions for a period of 12 months following the in-service withdrawal. Participants over 59 ½ years will not be subject to this limitation.
- I) Forfeited accounts – These accounts will be first applied to pay for the Plan's administrative expenses and any remaining part to reduce future Employer matching contributions. As of December 31, 2021 and 2020, there was a balance of approximately \$5,800 and \$6,400, respectively, in forfeited non-vested accounts. During the year ended December 31, 2021, employer contributions were reduced by \$731 from forfeited non-vested accounts.
- J) Notes receivable from participants – Participants may borrow from fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of vested account balance. Notes receivable from participants' transactions are treated as a transfer to (from) the investment fund from (to) the participant notes receivable account. Notes receivable from participants are secured by the balance in the participant's account, bearing the prime rate (3.25% as of December 31, 2021 and 2020) and margin rate interests prevalent at the time the loans are approved. Margin rate is an additional percentage specified in the loan agreement.

2) Summary of Significant Accounting Policies:

The most significant accounting policies followed by the Plan are summarized below:

- A) Basis of accounting – The accompanying financial statements are prepared on the accrual basis of accounting.
- B) Use of estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C) Notes receivable from participants – Are measured at their unpaid principal balance plus any accrued but unpaid interest.
- D) Investment valuation and income recognition – Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

DLC GROUP SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

The net appreciation (depreciation) in fair value of investments includes realized gains or losses on sales and net change in unrealized gains or losses on investments held. Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

- E) Contributions – Employer and participants' contributions are recorded in the Plan year in which the Employer makes the payroll deductions.
- F) Benefits – Are recorded upon distribution.
- G) Administrative expenses – Certain administrative expenses of the Plan are paid by the Employer as provided in the Plan's Agreement. Those expenses are recorded when incurred.

3) Information Certified by BPAS Trust Company of Puerto Rico:

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, was prepared by or derived from information provided by BPAS Trust Company of Puerto Rico (the trustee) and furnished to the plan administrator.

The plan administrator has obtained a certification from the trustee that information provided to the plan administrator by the trustee related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and supplemental schedule related to the following assets:

Description	December 31,	
	2021	2020
Investments at fair value:		
Mutual funds	<u>\$ 7,749,728</u>	<u>\$ 7,886,088</u>
Fixed income bonds	<u>\$ 655,131</u>	<u>\$ 518,196</u>
Exchange traded funds	<u>\$ 207,437</u>	<u>\$ -</u>
Money market funds	<u>\$ 275,229</u>	<u>\$ -</u>
Notes receivable from participants	<u>\$ 76,870</u>	<u>\$ 74,631</u>

BPAS Trust Company of Puerto Rico also certified the completeness and accuracy of \$387,256 of net appreciation on investments stated at fair value, \$427,547 of interest and dividends related to the aforementioned assets, and \$329 of interest income on notes receivable from participants for the year ended December 31, 2021.

4) Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

DLC GROUP SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

- A) *Mutual funds and exchange traded funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- B) *Money market funds*: Represents highly liquid and very safe instruments whose fair value approximates cost.
- C) *Fixed income bonds*: Valued using pricing models maximizing the use of observable inputs for similar securities.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description	December 31, 2021			
	Level 1	Level 2	Level 3	Total

	<u>\$ 7,886,088</u>	<u>\$ 518,196</u>	<u>\$ -</u>	<u>\$ 8,404,284</u>

5) Tax Status:

The Plan is intended to be a tax qualified arrangement that complies with the provisions of the Employee Retirement Income Security Act of 1974, as amended, and with the Puerto Rico Internal Revenue Code (PRIRC) of 2011, as amended. The latest determination letter received from the Puerto Rico Treasury Department is dated April 17, 2017. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the PRIRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The plan administrator evaluated the tax positions taken by the Plan and concluded that as of December 31, 2021 and 2020, the Plan had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustment or disclosures to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

6) Risk and Uncertainties:

The Plan's investments are exposed to various risks, such as interest rate fluctuations, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Plan's account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Recent market conditions have resulted in an unusually high degree of volatility and increased the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

The COVID-19 and the actions taken to mitigate the spread of it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries.

Additionally, a prolonged widespread epidemic could adversely impact global economies and financial markets resulting in an economic downturn that may disrupt the demand for a Plan sponsors goods and/or services. Such disruptions could adversely affect Plan sponsor profitability, cash flows, financial results, and the ability to make required Plan contributions.

7) Party-in-Interest Transactions:

De La Cruz & Associates, Inc., Key Integrated Solutions, Inc., and Veintinueve de Febrero, Inc., are parties-in-interest, as defined by ERISA. In addition, the Plan invests in money market funds that pertains to UBS, who is the Trustee as defined by the Plan. There were no prohibited party-in-interest transactions during the year ended December 31, 2021.

8) Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

Description	2021	2020
Net assets available for benefits per the financial statements	\$ 8,964,395	\$ 8,478,938
Less: Notes receivable from participants that have been deemed distributed	(66,319)	(65,727)
Net assets available for benefits per Form 5500	<u>\$ 8,898,076</u>	<u>\$ 8,413,211</u>

The following is a reconciliation of changes in net assets available for benefits for the year ended December 31, 2020 to Form 5500:

Description	Amount
Net increase in net assets available for benefits per the financial statements	\$ 485,457
Less: Interest income from notes receivable from participants that have been deemed distributed	(592)
Net increase in net assets available for benefits per Form 5500	<u>\$ 484,865</u>

9) Plan Termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested and non-forfeitable in their accounts.

10) Subsequent Events:

The plan administrator is not aware of any subsequent events, which would require recognition and/or disclosure in the financial statements. The plan administrator has evaluated subsequent events through October 12, 2022, the date on which the financial statements were available to be issued.
