Independent Auditor's Report

Board of Trustees
Western Reserve Care Solutions Retirement Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Western Reserve Care Solutions Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Western Reserve Care Solutions Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Reserve Care Solutions Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Western Reserve Care Solutions Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Reserve Care Solutions Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule on page 14 as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Western Reserve Care Solutions Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WESTERN RESERVE CARE SOLUTIONS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of the Plan:

General:

Western Reserve Care Solutions Retirement Plan (the “Plan”) is a 401(k) profit sharing plan that covers all eligible employees of Western Reserve Care Solutions (WRCS) and affiliates (the “Company” and “Plan Sponsor”).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan year is January 1 through December 31. The Company’s Board of Trustees is responsible for oversight of the Plan. The Retirement Program Stewardship Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Board of Trustees.

There were law and operational changes impacting plans due to the passing of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). The Plan adopted the loan provision of the CARES Act that allows participants to delay payments of outstanding loans up to 1 year for qualified participants who requested new loans between March 27 and September 23, 2020. This optional feature from the recent law changes that were adopted by the Plan will require written amendments before December 31, 2025 in accordance with applicable law and Internal Revenue Service (IRS) guidance.

Effective July 1, 2021, the Plan changed trustees from Prudential Bank and Trust, F.S.B. and Prudential Retirement Insurance and Annuity Company (Prudential) to Voya Retirement Insurance and Annuity Company (Voya) and, therefore, adopted Voya’s non-standard deferred contribution pre-approved plan as of July 1, 2021.

Contributions:

Participants may elect to contribute a percentage of their compensation into the Plan on a pre-tax or post-tax (Roth contribution) basis. The amount participants can contribute on an annual basis is limited to the amount set by the Internal Revenue Service. The post-tax contributions by participants are Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby eligible employees are automatically enrolled in the Plan at 4% of eligible compensation unless they affirmatively elect not to participate in the Plan. These contributions are invested in respective targeted retirement funds until changed by the participant. Additionally, enrolled participants will have their deferrals automatically increased by 1% per year up to a maximum of 15% (10% through June 30, 2021) at the beginning of each subsequent plan year, unless the participant elects out of the annual increase.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of the Plan (continued):

Contributions (continued):

The Company may make discretionary employer matching contributions based on a percentage of participants' compensation. The Organization's Board of Directors approved a 50% matching contribution on a maximum of 4% of participant elective deferrals for period July 1, 2021 through December 31, 2021 and a 50% matching contribution on a maximum of 2% of participant elective deferrals for deferrals for period January 1, 2020 through June 30, 2021. Employees must be employed on the semiannual employer contribution dates (June 30 and December 31) in order to participate in the matching contribution unless the waiver of conditions are met of not being employed on last day of the Plan year, as described in the Plan. The discretionary employer matching contributions totaled \$512,281 (\$567,009 less forfeitures of \$54,728) in 2021 and \$416,415 (\$437,055 less forfeitures of \$20,640) in 2020. The discretionary employer matching contributions for the period July 1 through December 31 for each year were included as receivables at December 31, 2021 and 2020 and were received by the Plan in February 2022 and February 2021, respectively.

Additional employer nonelective discretionary contributions may be made at the discretion of the Company. These contributions would be allocated among the participants based upon annual compensation. The Company did not make any employer nonelective contributions during 2021 and 2020.

Forfeitures of nonvested accounts may be used to reduce the employers' matching contributions, the employers' nonelective contributions or pay Plan expenses. Forfeitures in the Plan totaled \$18,069 at December 31, 2021 and \$10,538 at December 31, 2020. A portion of the forfeiture balance at December 31, 2021 was used to reduce the employer discretionary matching contribution made in February 2022.

Participant accounts:

Each participant's account is credited with employer and participant contributions. Plan earnings and losses are allocated based upon account balances.

Vesting:

Participants are immediately vested in the value of their account attributable to the voluntary employee contributions. Participants vest in employer contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3 or more	100%

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of the Plan (continued):

Participant notes:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account, bear interest at prime (prior to May 31, 2014) or prime plus 2% (subsequent to May 31, 2014), are segregated from plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest. Interest rates on these notes were between 4.25% and 7.50% at December 31, 2021 and 3.25% and 7.50% at December 31, 2020.

Participant notes are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make payments and the plan administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Payment of benefits:

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59-1/2, they may also elect to withdraw from their account, any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement or death.

On termination of service, participants may elect to receive a lump sum distribution equal to the vested value of their account balance, a partial lump sum distribution not to exceed the vested value of their account balance, or in installments not to exceed the life of the participant.

Benefits are recorded when paid.

Investment income:

Participants may direct their contributions into a number of investment options. Income or losses are allocated to participants' accounts based on earnings or losses in the respective investment accounts.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared under the accrual method.

WESTERN RESERVE CARE SOLUTIONS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

2. Summary of significant accounting policies (continued):

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

Investment valuation and income recognition:

Investments in mutual funds are reported at fair value which is certified by Voya at December 31, 2021 and by Prudential at December 31, 2020 and are readily determinable on an established market. Investment in the guaranteed investment contract is valued at contract value (see Note 5) as provided by Prudential at December 31, 2020.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. These amounts were primarily provided by Voya and Prudential.

3. Investments:

The following table represents the value of investments at December 31, 2021 and 2020. All investments of the Plan are participant-directed.

	<u>2021</u>	<u>2020</u>
Investments as provided by Voya for 2021 and Prudential for 2020:		
Mutual funds (at fair value)	\$ 36,361,716	\$ 32,719,072
Collective trust (at fair value)	5,625,509	
Money market fund (at fair value)	14,630	
Guaranteed investment contract (at contract value)		<u>7,283,942</u>
	<u>\$ 42,001,855</u>	<u>\$ 40,003,014</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

WESTERN RESERVE CARE SOLUTIONS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

4. Fair value (continued):

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at net asset value or fair value on a recurring basis at December 31, 2021 and 2020 were as follows:

	2021		2020	
	Level 1	Total	Level 1	Total
Mutual funds	<u>\$ 36,361,716</u>	<u>\$ 36,361,716</u>	<u>\$ 32,719,072</u>	<u>\$ 32,719,072</u>

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The money market fund is maintained at a stable value of \$1.00 net asset value per share which estimates fair value.

In accordance with Subtopic 820-10, an investment that was measured at net asset value per share (or its equivalent) has not been classified in the fair value hierarchy. The following table presents the fair value, unfunded commitments, redemption frequency, and redemption notice period for the Plan investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021.

	Level 1	Total	Redemption Frequency	Redemption Notice Period
Collective trusts*:				
Putnam Stable Value Fund	<u>\$ 5,625,509</u>	<u>\$ 5,625,509</u>	Daily	None

* For the year presented, the Plan did not have unfunded commitments with the above investment.

The collective trust is valued using the net asset value (NAV) provided by Voya. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV is the basis for current transactions.

5. **Investment contract with insurance company:**

The Plan participated in a fully benefit-response investment contract with Prudential for period January 1, 2020 through June 30, 2021. The investment was an evergreen group annuity issued by Prudential which was collateralized by Prudential's general account. Prudential maintained the contributions in a separate account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value, as reported to the Plan by Prudential, represented contributions made under contract, plus earnings, less participant withdrawals and administrative expenses. Participants may have ordinarily directed the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed income fund issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The guaranteed interest rate was announced in advance and was guaranteed for a six-month period. The fund invested in a broadly diversified, fixed-income portfolio within Prudential's general accounts. The portfolio was primarily invested in public bonds, commercial mortgages and private placement bonds.

Because the investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate was based on a formula agreed upon with the issuer. Such interest rates were reviewed on a quarterly basis for resetting.

Certain events limited the Plan's ability to transact at contract value with Prudential. Such events included the following (a) amendments to the plan documents (including complete or partial termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under the ERISA. The plan administrator did not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with plan participants, was probable.

Generally, there were no events that limited the ability of the Plan to transact at contract value paid within 90 days or contract value paid over time. Additionally, there were not any events that allowed the issuer to terminate the contract and which required the Plan sponsor to settle at an amount different than contract value paid either within 90 days or over time.

The average interest rate credited to participants for the investment contract was 2.025% in 2020.

6. **Administrative expenses:**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of participant notes are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in the net increase in the value of investments. Certain administrative functions of the Plan are performed by employees of the Company. No such employee, nor the Company, receives compensation from the Plan for these functions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

7. Information certified by trustees:

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, and net increase in value of investments and interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Voya or Prudential (trustees of the Plan).

8. Income tax status:

The IRS has determined that the Voya's non-standard deferred contribution pre-approved plan under which the Plan is organized, is designed in accordance with applicable sections of the Internal Revenue Code (Code). Voya's plan received a determination letter from the IRS dated June 30, 2020. The Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

U.S. GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Party-in-interest transactions:

Certain Plan investments were managed by Voya (beginning July 1, 2021) and Prudential (through June 30, 2021). Voya (for period July 1, 2021 through December 31, 2021) and Prudential (for period January 1, 2020 through June 30, 2021) are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan issues notes to participants, which are secured by the vested balance in the participant's account and certain fees related to the administration of the Plan were paid by the Plan or the Plan Sponsor, which also qualify as party-in-interest.

10. Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, the individual accounts of the affected participants become nonforfeitable and fully vested.

11. Risks and uncertainties:

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

YEARS ENDED DECEMBER 31, 2021 AND 2020

11. Risks and uncertainties (continued):

As a result of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. No adjustments have been made to these financial statements as a result of this uncertainty.

12. Differences between financial statements and Form 5500:

Differences were noted between the accompanying financial statements and the amounts reported in the 2021 Form 5500. These differences are due to the timing of the receipt of the contribution receivable and when it is recorded for the Form 5500.

The following is a reconciliation of net assets per the financial statements to the Form 5500 for the year ended December 31, 2021:

Net assets per the financial statements	\$ 43,149,025
Less: Contribution receivable, employers	<u>(405,290)</u>
Net assets per Form 5500	<u>\$ 42,743,735</u>

The following is a reconciliation of total additions per the financial statements to the Form 5500 for the year ended December 31, 2021:

Additions per the financial statements	\$ 9,252,852
Less: Contributions, employers	<u>(405,290)</u>
Additions per Form 5500	<u>\$ 8,847,562</u>

13. Subsequent events:

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 7, 2022, the date the Plan's financial statements were available to be issued.
