Independent Auditors' Report

To the Participants and Plan Administrator of
Kramer Beverage Co., LLC Employees' Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Kramer Beverage Co., LLC Employees' Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Kramer Beverage Co., LLC Employees' Profit Sharing Plan

- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Kramer Beverage Co., LLC Employees' Profit Sharing Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of assets (held at end of year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

Kramer Beverage Co., LLC Employees' Profit Sharing Plan

financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

KRAMER BEVERAGE CO., LLC EMPLOYEES' PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. GENERAL DESCRIPTION OF THE PLAN

The following description of the Kramer Beverage Co., LLC Employees' Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan was established by Kramer Beverage Co., LLC. (the "Company" or the "Employer"). The Plan was originally adopted on January 1, 1979 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Effective January 29, 2016 the Plan was amended.

Eligible employees include those who have completed three months of service. Effective May 1, 2017 the Plan included employees who are members of Teamsters Local Union #125. Effective March 1, 2020 the Plan included employees who are members of Local Union No. 331. Per the terms of the Plan these employees were not eligible to make elective deferrals, or take loans, nor did they receive any employer match and profit sharing contributions. Effective June 1, 2020, union employees became eligible to make elective deferrals and take loans, but are still not eligible to receive any employer match or profit sharing contributions. Union employees receive employer contributions as defined in the collective bargaining agreement.

The Plan provides for automatic enrollment on behalf of employees hired or first eligible to participate in the Plan.

Contributions - Employees may elect to defer a dollar amount or percentage of their covered compensation subject to certain limitations. If no election is made, the plan administrator will automatically withhold 4% of the eligible employees' compensation from each payroll as the employee contribution amount with annual automatic increases of 1% of compensation each year up to a maximum of 10% of compensation. Additionally, eligible participants may make catch-up contributions in amounts pursuant to the Internal Revenue Code.

The Company may elect to make a safe harbor matching contribution to employees that are eligible, defined as equal to a certain percentage based on each participants deferral amount subject to certain limitations. Employer matching contributions approximated \$323,000 for the year ended December 31, 2021. Further, the Company may elect to make profit sharing contributions on behalf of participants who are eligible, as defined. Employer profit sharing contributions approximated \$683,000 for the year ended December 31, 2021.

The Company makes required monthly contributions to the Plan on behalf of all eligible union employees included in the collective bargaining agreement. Contributions are based on a specified rate per week on a month to month basis for members of Teamsters Local Union #125, and on a specific rate per hour on a month to month basis for members of Local Union No. 331, as determined by the collective bargaining agreements. Employer contributions to union members approximated \$1,059,000 for the year ended December 31, 2021.

KRAMER BEVERAGE CO., LLC EMPLOYEES' PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Participants may make rollover contributions, in cash, from an eligible retirement plan, as defined in the Plan.

Participant accounts - Each participant's funds are kept in their own separate accounts. Each participant's account is credited with the participant's contribution. The Company contributions, if any, are credited to the participant's Company contribution account. Participants direct the investment of their accounts in one or more of the available funds. Net investment income or loss in each fund is allocated to each participant's account in proportion to account balances, as defined. Forfeitures of terminated participants' nonvested Company contribution accounts are first used to pay Plan administrative expenses and then used to reduce the Company's contributions. In 2021, the Employer contribution was reduced by \$253,755. As of December 31, 2021 and 2020, forfeitures held in mutual funds totaled \$27,807 and \$228,341, respectively.

Investments - Each participant may elect to have his or her individual account invested as he or she so designates in one or more of the available investment funds. Participants may change their investment options at any time.

Vesting - Participants are immediately vested in their elective deferral contributions. Vesting in the Company's matching and profit sharing contributions in the participants' accounts is based on years of continuous service. Participants are not vested in the Company's safe harbor matching and profit sharing contributions until completing two and three years of credited service, respectively, at which point they become fully vested. Union participants are fully vested in monthly Employer contributions upon completing three years of credited service.

Payment of benefits - Participants are entitled to receive distributions of their vested interest in the Plan upon termination of employment, retirement, disability, financial hardship, or upon attaining the age of 59 1/2, as defined by the Plan. The beneficiary(s) of a participant are entitled to receive a distribution of a participant's interest in the Plan upon the death of such participant. Upon termination of employment, the participant may have all or any portion of their distribution either (1) rolled into an individual retirement account or another qualified retirement plan or (2) paid directly to them. If the distribution is made directly to the participant, the Plan will withhold from the participant 20% of the gross distribution, as required by the Internal Revenue Service.

Termination of plan - While the Company has not expressed any intent to discontinue its contributions or terminate the Plan, it is free to do so at any time. In the event of complete discontinuance of Company contributions or the termination of the Plan, each participant will become fully vested in all amounts credited to his or her individual participant accounts.

Notes receivable from participants - Eligible participants may borrow from their accounts. The loan must be at least \$1,000 and participants may only have one loan out at a time. Loans are secured by the balance in the participant's accounts and are required to bear a fixed rate of interest which is established by the Administrator in a nondiscriminatory manner, and be repaid through payroll deductions. As of December 31, 2021, interest rates on notes receivable from participants range from 4.25% to 6.5%.

KRAMER BEVERAGE CO., LLC EMPLOYEES' PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Plan updates - Effective January 1, 2020, the Plan adopted certain provisions of the Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act") that was signed into law on December 19, 2019. Accordingly, the Plan increased from age 70-1/2 to age 72 the date when terminated participants must begin receiving required minimum distributions from the Plan, and accelerated the time in which most non-spousal designated beneficiaries of deceased participants must receive their full benefits to no later than ten calendar years following the year of the participant's death.

Effective April 14, 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan, without penalty, beginning on or after January 1, 2020 and before December 31, 2020. In addition, effective March 27, 2020, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments through December 31, 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The accompanying financial statements of the Plan have been prepared on an accrual basis and present the net assets available for benefits and changes in those net assets.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Participant loans are classified as notes receivable from participants and are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are reported as investments on Form 5500. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of benefits - Benefits are recorded when paid.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

KRAMER BEVERAGE CO., LLC EMPLOYEES' PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Current economic conditions - The Plan's investments are subject to changes in value from the impact of social and natural catastrophic events that are beyond its control, such as health epidemics, natural disasters and other catastrophes, which may materially and adversely affect their respective values. The Plan is currently monitoring the global pandemic of the coronavirus disease known as COVID-19 and is assessing the impact that it could have on the values of its investments, including a potential decline in the fair value of investments due to the disruption of financial markets. Future developments with respect to COVID-19 remain highly uncertain and difficult to forecast. Accordingly, the Plan is unable to quantify the full impact of COVID-19 and it is at least reasonably possible that changes in the fair values of investments will materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits in the near term.

Subsequent events - The Plan has evaluated events and transactions for potential recognition or disclosure through October 12, 2022, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurement, establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are summarized as follows:

Level 1 - Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment. As of December 31, 2021 and 2020, Level 1 investments of the Plan consist of registered investment companies (mutual funds) which are valued at the net asset value (NAV) of shares held by the Plan at year end where NAV is publicly available.

Level 2 - Valuations based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active or inputs other than quoted prices that are observable, either directly or indirectly.

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement that reflect the assumptions that market participants would use.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined by the lowest level input that is significant to the fair value measurement. Although the degree of judgment exercised by the Plan in determining fair value is greatest for investments categorized in Level 3, the inputs or methodology used for valuing investments are not necessarily an indication of the risk associated with those investments.

4. INVESTMENTS

At December 31, 2021 and 2020, the Plan had investment programs with Vanguard Fiduciary Trust Company, the trustee of the Plan, providing participants with the ability to invest in various funds having different investment objectives.

The trustee has certified to the accuracy and completeness of the investments and notes receivable from participants, and related investment income, as reported in the accompanying financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021.

5. TAX STATUS

The plan administrator adopted a pre-approved volume submitter 401(k) plan, and relies on an Internal Revenue Service opinion letter issued to the Plan's trustee. The plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of ERISA and the Internal Revenue Code and therefore fulfills the criteria for exemption from federal and state income taxes.

KRAMER BEVERAGE CO., LLC EMPLOYEES' PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. PARTY-IN-INTEREST TRANSACTIONS AND ADMINISTRATIVE EXPENSES

Certain administrative expenses are paid by the Company and certain services are rendered to the Plan by the Company at no cost to the Plan. Certain Plan investments as of December 31, 2021 are managed by an affiliate of Vanguard Fiduciary Trust Company, the Plan's recordkeeper and trustee. Additionally, recordkeeping fees for the Plan are paid to Vanguard Fiduciary Trust Company directly from mutual fund companies whose investments are included in the Plan. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. The Plan's exposure to a concentration of risk is limited by the diversification of investments across multiple investment fund options. Additionally, the investments within each investment fund option are further diversified into varied financial instruments. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
