## Independent Auditor's Report

To the Plan Administrator  
Noven Pharmaceuticals, Inc. 401(k) Plan  
Miami, Florida

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Noven Pharmaceuticals, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter –Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

### 1. Description Of Plan

The following description of the Noven Pharmaceuticals, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. Noven Pharmaceuticals, Inc. (“Noven” or the “Company”) is the Plan sponsor and Plan Administrator. The Plan record-keeper and Plan trustee are Empower Retirement (“Empower”) and Reliance Trust Company (“Reliance”), respectively. In January 2021, Empower acquired MassMutual’s retirement business and is the Plan’s new record-keeper.

#### *General*

The Plan was adopted on January 1, 1997, and is a defined contribution plan covering all eligible employees of the Company and participating employers (Noven Therapeutics, LLC and Hisamitsu America Inc.). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

During the 2021 and 2020 Plan years, the MassMutual Administrative Services Agreement was amended to reflect the following Plan modifications:

Effective March 16, 2020, changes were made to the Plan investment options to replace a fund. Two additional funds were discontinued and assets were mapped to existing funds.

Effective April 1, 2020, the hardship loan option was replaced with a general purpose loan option no longer requiring a hardship reason, and the hardship withdrawal option was discontinued.

Effective January 1, 2021, the Plan was amended to exclude “former Expatriate employees” from plan eligibility.

Effective January 1, 2021, the Plan was amended to allow all balances of \$5,000 and under to be rolled over to an IRA if no action is taken by the participant at termination. This change removes the automatic cash-out of balances under \$1,000.

Effective November 15, 2021, changes were made to the Plan investment options to replace a fund.

#### *Contributions*

As defined in the Plan, eligible employees may make 401(k) contributions of 1% or more of their eligible wages, subject to certain limitations under the Internal Revenue Code (the “Code”). Participants may also elect to designate all or any portion of their elective deferral as after-tax contributions to a Roth account. The contributions are deducted from participating employees’ pay and remitted to the Plan trustee at the end of each pay period. Participant contributions were subject to an overall annual limitation of \$19,500 in 2021. Participants age 50 or over were allowed to contribute an additional \$6,500 in 2021.

The Plan provides for the Company to make matching contributions on behalf of the participant. The matching contribution benefits all eligible employees making deferred salary contributions. For the year ended December 31, 2021, the Company matched 50% of participants’ contributions up to 6% of salary deferrals, not to exceed 3% of eligible wages.

### ***Investments***

Participants direct the investments of participant and Company contributions into various investment options offered by the Plan. The Plan's investment options available as of December 31, 2021 and 2020 included registered mutual funds, collective trust funds and a variety of additional investments available through a self-directed brokerage account. Each of the funds' prospectuses should be referred to for a complete description of the Plan's investment options. Participants may change their investment options and deferral percentage at any time.

### ***Participant Accounts and Vesting***

Individual accounts are maintained and provide a benefit to each Plan participant. Each participant's account is credited with the participant's contributions, Company match, and allocations of Plan earnings, including appreciation in fair value of investments. Allocations are based on participants' account balances. Each participant's account is reduced by any withdrawals, distributions, loans, and an allocation of investment losses, including depreciation in fair value of investments. The benefit to which participants are entitled is the vested portion of their accounts.

Participants are vested immediately in their contributions, plus any earnings thereon. Vesting in the Company's matching contributions, plus any earnings thereon, is based on continuous years of service, as follows:

| Years of Service | Vesting Percentage |
|------------------|--------------------|
| 0-1              | 0%                 |
| 1-2              | 33%                |
| 2-3              | 67%                |
| 3 or more        | 100%               |

### ***Benefit Payments and Forfeitures***

Upon termination of employment, participants are entitled to a distribution from the Plan. The availability and type of distribution depends on the amount of a participant's vested account balance.

Vested account balances in excess of \$5,000 may be kept in the Plan or taken as a lump sum, installment payments, annuity payments, or as a rollover to an individual retirement account or another qualified plan. Vested account balances of \$5,000 or less may be taken as a lump sum or as a rollover. If the participant fails to consent to a distribution of their account balance, the vested benefit will automatically be rolled over to an IRA selected by the Plan Administrator. Participants who are not fully vested upon termination will have the unvested portion of their balance transferred to the Plan forfeitures account. As of December 31, 2021 and 2020, non-vested account balances sourced from Plan forfeitures and other funds made available to the Plan totaled \$40,659 and \$41,766, respectively. These amounts are used to pay for future Plan administrative expenses and/or Company contributions.

In-service distributions may be taken by actively employed participants who are at least age 59 ½ or who have incurred a hardship and meet the requirements. Distributions are required to be taken when participants reach April 1 following the end of the calendar year in which age 70 ½ is attained or termination of employment is reached, whichever is later.

### ***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as transfers between the investment fund and the loan fund. Loans are repayable through payroll deductions over a period not to exceed five years, unless the loan proceeds are used to acquire a principal residence, in which case the maximum repayment period will be a reasonable number of years, not to exceed thirty years. The interest rate on all loans outstanding as of December 31, 2021 and 2020 ranged from 4.25% to 6.50%. Participant loans are secured by the balances in their accounts.

### ***Rollover Contributions***

Subject to certain approvals as defined in the Plan Document, a participant may contribute an amount from another qualified plan into the Plan as a rollover contribution.

## **2. Summary of Accounting Policies**

### ***Basis of Accounting***

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Company contributions receivable are recognized in the period in which the Company becomes obligated to make such contributions.

### ***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Benefit Payments***

Benefits are recorded when paid.

### ***Valuation of Investments and Income Recognition***

Interest income is recorded on the accrual basis.

Investments of the Plan are stated at fair value or net asset value ("NAV") as a practical expedient to measuring fair value. The fair value of a financial instrument is defined as the exit price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Registered mutual funds are carried at fair values based on quoted unit prices from active markets. Common/collective trust funds are carried at NAV per share. The underlying investments for self-directed brokerage accounts consist of a variety of investments, including stocks, bonds, exchange-traded funds and mutual funds, which are valued at the closing price reported on the open market. Purchases and sales of investments are recorded on the trade date. Investment income is recognized when earned. In the statement of changes in net assets available for benefits, the Plan presents the net appreciation or depreciation in fair value of

---

its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. The Plan does not have any investments with unfunded commitments or with any redemption restrictions. Management fees and operating expenses charged to the Plan's investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses of the investments are reflected as a reduction of the return for such investments.

### ***Expenses***

Plan administrative expenses are generally shared between the Plan and the Company. Expenses paid by the Company are excluded from these financial statements. Fees for administering participant loans and benefit distribution payments are paid by Plan participants. As of December 31, 2021 and 2020, the Plan had administrative fees payable totaling \$19,876 and \$7,555, respectively.

### ***Tax Status***

The Plan is an adoption of a volume submitter profit sharing 401(k) plan, which was restated in 2014 to comply with the Pension Protection Act of 2006 as required by the Internal Revenue Service (IRS). Prior to the restatement, the Plan received a favorable determination letter dated May 2, 2012, in which the IRS stated that the prototype document, as then designed, was in compliance with the applicable requirements of the Code. The Plan sponsor and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

The Plan Administrator is required under U.S. GAAP to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### ***Notes Receivable from Participants***

Participant loan balances are classified as notes receivable from participants and are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

## **3. Information Prepared and Certified by The Trustee**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, a qualified institution.

## Notes to Financial Statements

---

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

### 4. Fair Value Measurements

The FASB Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Registered investment companies:* Carried at fair values based on quoted unit prices from active markets.

*Common/collective Trusts:* Investments in common or collective trusts ("CCTs") are valued at fair value based on the NAV of units of the CCTs. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the CCTs less their liabilities. This practical expedient is not used when it is determined to be probable that the CCTs will sell the investments for an amount different than the reported NAV.

*Self-directed brokerage accounts:* Carried at fair value based on the closing prices of the underlying investments reported from active markets.

## Notes to Financial Statements

The preceding methods described may produce a fair value calculation that may not be reflective of future fair values. Accordingly, the value assigned to investments does not necessarily represent amounts that may ultimately be realized.

## 5. Risk and Uncertainties

The Plan provides for investments in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

## 6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants would become 100% vested in their accounts.

## **Schedule C Soft Dollar Compensation Eligible Indirect Compensation (“EIC”) Statement**

Mutual fund investments with a retirement plan (whether held directly or indirectly through a separate investment account) can have soft dollar arrangements pursuant to which the investment advisor or sub-advisor of the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services. The Securities and Exchange Act of 1934 contains guidance regarding the use of soft dollar arrangements.

For plans that invest directly or indirectly in the MassMutual Funds, soft dollar compensation is disclosed on the Schedule C and the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, a Schedule C Soft Dollar Compensation Disclosure Attachment is provided and should be filed along with the Form 5500.

For additional information regarding soft dollar compensation, refer to the respective mutual fund’s Statement of Additional Information (“SAI”) for details regarding brokerage allocation and other practices.
