REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Electrical Workers Pension Fund - Part "B"

Opinion

We have audited the financial statements of Electrical Workers Pension Fund - Part "B" (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Electrical Workers Pension Fund - Part "B" as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

6800 France Avenue So. I Suite 550 I Edina, MN 55435 I 952.841.3950 I 952.841.3951 Fax I www.legacycpas.com

Responsibilities of Management for the Financial Statements (continued)
Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

ELECTRICAL WORKERS PENSION FUND - PART "B"

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF THE PLAN

Electrical Workers Pension Fund - Part "B" (the Plan) was established June 1, 1978, as a result of a collective bargaining agreement between International Brotherhood of Electrical Workers, Local Union No. 242 (the Local) and the Twin Ports Arrowhead Chapter of National Electrical Contractors Association (the Contractors Association). The Plan is a multiemployer defined contribution retirement plan subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation. The Plan is administered by a joint board of trustees consisting of an equal number of representatives from the Local and the Contractors Association.

Individuals are eligible to participate in the Plan on the first day of employment for which contributions are made to the Plan by an employer pursuant to a collective bargaining or participation agreement.

An individual account is established for each participant. Each participant's account is credited with employer contributions made on the participant's behalf. Voluntary contributions from participants are not allowed under the Plan. The amounts contributed are invested by the Plan Trustees (or, at the participant's election, by the participant), and any gain or loss from Plan investments and any expenses of operation are allocated to the individual accounts of participants. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Each participant's account is fully vested and nonforfeitable at all times.

Participants are granted the option of directing the investment of contributions made on their behalf. Investments directed by participants, for purposes of explanation only, are designated as Part D. Participants determine what percentage, if any, to allocate to Part D. Participants are only allowed to choose from investment options approved by the Board of Trustees. Investments in Part B are invested in an investment portfolio selected by the Board of Trustees and are presented as nonparticipant-directed in the notes to the financial statements (Note 6). Participants may allocate their account balances between Part D and Part B at annual intervals provided that one month's written notice is submitted. In the absence of participant direction, contributions are invested in Part B.

Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance in the investments selected may cause vested balances to be lower than the amounts contributed to the Plan on the participant's behalf.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

An administrative fee is deducted from each participant's account. Fees charged per participant for Part B accounts are based on actual Plan expenses allocated equally among participants on a monthly basis. Fees charged for Part D accounts consist of the following: monthly Plan administration fees based on estimated Plan expenses allocated ratably among participants, an annual recordkeeping fee of $56,844 charged monthly and allocated ratably among participants, and an annual custodial fee of $125 plus 4 basis points charged quarterly to participant accounts.

The Plan's net assets available for benefits at December 31, 2021 and 2020 include unallocated amounts of $11,262 and $8,201 respectively, which are available to pay the Plan's administrative expenses.

The Plan provides benefits upon retirement, death, disability or termination of employment. The Plan also allows for distributions under the hardship withdrawal provisions of the Plan. Payment of benefits may be in the form of a lump sum or installments. The Plan also allows in-service withdrawals on or after a participant has attained age 59½.

The following Coronavirus Aid, Relief, and Economic Security Act (CARES Act) emergency resolutions were approved during the year ended December 31, 2020:

- A participant who was a qualified individual as defined under the CARES Act could take a distribution from their individual account before December 31, 2020, up to the maximum combined amount of $75,000 from the 401(k) and supplemental annuity plans; and
- As permitted under the CARES Act, the requirement to make minimum distributions for calendar year 2020 was waived.

Participants should refer to the summary plan description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Contributions Receivable - Employer contributions due and not paid at year end are recorded as contributions receivable. Contributions owed as a result of payroll compliance audits are recorded as income when collected. An allowance for uncollectible accounts is considered unnecessary and is not provided.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on wages earned in covered employment and the contribution rates currently in effect, as set forth in the collective bargaining agreements. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 1 within the electrical industry primarily located in northern Minnesota.

The Plan is signatory to reciprocity agreements with various affiliated multiemployer pension plans for its participants who perform work outside the geographic jurisdiction of the local union. Participants who are normally employed within the territory of one local union (home local union) may be temporarily employed within the territory of another local union (reciprocating local union). When a participant of a home local union works in the territory of a reciprocating local union, the latter is to make contributions to the former's benefit funds on the participant's behalf. Monies received by the Plan on behalf of persons from outside participating local unions are forwarded to their home local union benefit trust funds. The Plan uses the same recognition and measurement criteria for contributions received on behalf of its participants under the terms of reciprocity agreements, as for all other employer contribution revenue. Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. The Plan recognizes a liability upon receiving reciprocal contributions on behalf of non-participants working within the jurisdiction of the local union, and recognizes a decrease in that liability upon remitting those contributions to the appropriate plan.

Employer contributions included reciprocal contributions of $234,497 and $189,626 for the years ended December 31, 2021 and 2020, respectively, from various other pension plans under the terms of reciprocity agreements. The Plan remitted a total of $3,539,687 and $176,525 in reciprocal contributions to various other pension plans under the terms of reciprocity agreements for the years ended December 31, 2021 and 2020, respectively.

Revenue Sharing - Revenue sharing income represents the portion of investment management fees that the investment manager has agreed to reimburse to help offset the cost of administrative services provided. As described in Note 10, for Part B account balances, revenue sharing income is used to offset administrative expenses and is allocated to participants' accounts equally. For Part D account balances, revenue sharing income is allocated to those participants' accounts that generate the income. During the years ended December 31, 2021 and 2020, the Plan received $40,683 and $62,147 respectively, of revenue sharing income allocated to Part D accounts.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. Installment payments issued before the corresponding benefit month are recorded as prepaid benefits. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2021 or 2020.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses - Certain investment related expenses are included in net appreciation in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through October 13, 2022, which is the date the financial statements were available to be issued.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of participants and their beneficiaries except that provision may be used for payment of necessary expenses resulting from termination of the Plan.

In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan's latest determination letter is dated August 14, 2015, in which the Internal Revenue Service stated that the Plan and related trust were in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		Fair Value Measurements at 12/31/21 Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 91,273,275	$ 91,273,275	$ -	$ -
Invested cash	82,493	-	82,493	-
	91,355,768	$ 91,273,275	$ 82,493	$ -
Investments measured at net asset value:				
Common collective trusts	86,334,765			
Total	$ 177,690,533			

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

		Fair Value Measurements at 12/31/20 Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 77,383,087	$ 77,383,087	$ -	$ -
Invested cash	77,122	-	77,122	-
	77,460,209	$ 77,383,087	$ 77,122	$ -
Investments measured at net asset value:				
Common collective trusts	80,885,681			
Total	$ 158,345,890			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

Level 2 Measurements

Invested cash is valued at cost, which approximates fair value.

Measurements Using Net Asset Value as a Practical Expedient

The common collective trusts are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The common collective trusts are direct filing entities (DFEs) and file a Form 5500 annual report with the U. S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. Redemptions are available daily without notice.

Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6. NONPARTICIPANT-DIRECTED INVESTMENTS

The following tables present information about the net assets available for benefits and the significant components of the changes in net assets available for benefits relating to the nonparticipant-directed investments:

	2021	2020
Net assets available for benefits:		
Mutual funds	$ 37,493,083	$ 29,054,096
Common collective trusts	79,672,801	74,710,534
Cash	581,594	549,870
Prepaid benefits	29,319	23,496
Total	$ 117,776,797	$ 104,337,996
Changes in net assets available for benefits:		
Employer contributions	$ 4,352,086	$ 3,388,761
Dividends	2,454,429	570,466
Net appreciation in fair value of investments	8,845,164	14,809,616
Revenue sharing income	220,999	179,829
Benefits paid to participants	(2,501,097)	(4,305,612)
Net transfers from participant-directed investments	152,140	523,091
Investment fees	(44,338)	(47,599)
Administrative expenses	(40,582)	(27,877)
Net increase	$ 13,438,801	$ 15,090,675

NOTE 7. FUNDING POLICY

Participating employers contribute amounts as specified in the collective bargaining agreements. The contribution rate for the majority of participants covered under the Plan was 16% of gross wages during the years ended December 31, 2021 and 2020.

NOTE 8. MAJOR EMPLOYERS

Contributions from three employers accounted for approximately 59% and 56% of total employer contributions received for the years ended December 31, 2021 and 2020, respectively. In the event these employers were to suspend contributions, the Plan would retain the risk of meeting current fixed administrative expenses until the appropriate adjustments were made.

NOTE 9. RELATED ORGANIZATIONS

The Plan is related to a labor union and several benefit plans, all of which are tax-exempt.

The related benefit plans share a checking account. Contributions received by the Plan and related organizations are deposited into the account. Amounts owed are routinely transferred from the checking account into the respective organizations' cash accounts. No amounts were due from the account at either December 31, 2021 or 2020.

NOTE 10. PARTY-IN-INTEREST TRANSACTIONS

The Plan holds shares of common collective trusts managed by an affiliate of Transamerica Retirement Solutions (Transamerica), the Plan's investment custodian. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

The Plan has entered into revenue sharing agreements that provide for certain amounts from investment servicing fees to be returned to the Plan by Transamerica. During the years ended December 31, 2021 and 2020, the Plan received $220,999 and $179,829 respectively, of such revenue, which was allocated to Part B participants' accounts equally.

NOTE 11. IMPACT OF COVID-19 AND NEWLY ENACTED LEGISLATION

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which may negatively impact the Plan, though the potential impact and duration is unknown as of the date the financial statements were available to be issued.

Several major legislative relief packages were enacted in response to the coronavirus outbreak, which among other things, contain numerous tax, emergency funding and other regulatory provisions affecting retirement plans. As described in Note 1, the Plan was amended to provide temporary relief measures in response to the coronavirus pandemic. The Plan continues to evaluate the impact of newly enacted legislation on its provisions, operations and cash flows.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

To the Participants and Trustees of
Electrical Workers Pension Fund - Part "B"

We have audited the financial statements of Electrical Workers Pension Fund – Part "B" (the Plan) as of and for the years ended December 31, 2021 and 2020, and our report thereon dated October 13, 2022, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
