## Independent Auditor's Report

To the Plan Administrator of  
Vetter Senior Living Employees' 401(k) Plan  
Elkhorn, Nebraska:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Vetter Senior Living Employees' 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters

### 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 (Schedule 1), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Seim Johnson, LLP, who joined Eide Bailly LLP on July 25, 2022. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 13, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Vetter Senior Living Employees' 401(k) Plan

### Notes to Financial Statements December 31, 2021 and 2020

---

#### (1) Description of Plan

The following description of the Vetter Senior Living Employees' 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### A. General

The Plan is a defined contribution plan covering substantially all employees of Vetter Senior Living and its related employer Vetter Holding, Inc. (collectively, the Employer). Highly compensated employees of the Employer are excluded from participation in the Plan. Employees become eligible to contribute to the Plan upon date of hire. Participants are eligible to receive Employer matching contributions if they have completed one year of service (defined as at least 936 hours worked) and are at least eighteen years of age. Effective January 1, 2021, the Plan was amended to change the eligibility requirements for Employer matching contributions to 12 months of service without regard to hours worked and at least eighteen years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors of the Employer is responsible for oversight of the Plan as well as determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

##### B. Contributions

Each year participants may contribute a percentage of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code (IRC) limitations. The Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

Effective September 1, 2021, the Plan was amended to allow post-tax contributions.

The Employer makes matching contributions equal to the participant's deferral percentage up to specified percentages in accordance with the following schedule:

| <u>Months of Employment</u> | <u>Percentage of Compensation</u> |
|-----------------------------|-----------------------------------|
| 13 - 36                     | 3.0%                              |
| 37 - 72                     | 3.5                               |
| 73 - 108                    | 4.0                               |
| 109 or more                 | 5.0                               |

Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment options at any time.

##### C. Participant Accounts

Each participant's account is credited with the participant's contribution (including rollovers), the Employer's matching contribution, and allocations of (a) Plan earnings (losses) and (b) Plan expenses. Allocations are based on participant earnings (losses), account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## Vetter Senior Living Employees' 401(k) Plan

### Notes to Financial Statements December 31, 2021 and 2020

---

#### *D. Vesting*

Participants are vested immediately in their contributions (including rollovers) plus actual earnings or losses thereon. Vesting in the Employer's matching contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service, the attainment of age 62, early retirement, or in the event the Employer sells a nursing facility or discontinues leasing a nursing facility where a participant is employed.

#### *E. Payment of Benefits*

Upon termination of service due to death, disability, retirement, or for other reasons, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If a participant's benefit does not exceed \$5,000, then the benefit will be distributed in a single lump-sum payment as soon as administratively feasible. If the benefit exceeds \$1,000 but does not exceed \$5,000, and the participant does not elect otherwise, the distribution will be rolled over to an individual retirement account. Hardship withdrawals for qualifying expenses are permitted by the Plan. Amounts attributable to rollovers may be withdrawn at any time.

During 2020, the Plan adopted distribution provisions under the Coronavirus Aid, Relief, and Economic Security (CARES) Act allowing qualified individuals to receive coronavirus-related distributions in an aggregate amount up to \$100,000 from the participant's account in the Plan. Coronavirus-related distributions could be taken up to December 31, 2020 and may be repaid within three years of the date of distribution. The amendment also temporarily waived required minimum distributions for distributions for the 2020 calendar year.

#### *F. Forfeited Amounts*

Forfeited amounts are used to reduce future Employer matching contributions. At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$4,983 and \$5,363, respectively. The Employer's contributions were reduced by \$288,273 from forfeited non-vested accounts in 2021.

## (2) Summary of Significant Accounting Policies

#### *A. Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### *B. Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

#### *C. Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Directors of the Employer determines the Plan's valuation policies utilizing information provided by the custodian.

The fair value of pooled separate accounts is determined by the net asset value of the funds underlying investments held at year end adjusted for any dividends or distribution received by American United Life Insurance Company (AUL) and the daily equivalent of any fee charged by AUL pursuant to the contract. There have been no changes in the methodology used at December 31, 2021 and 2020.

## Vetter Senior Living Employees' 401(k) Plan

### Notes to Financial Statements December 31, 2021 and 2020

---

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### *D. Payments of Benefits*

Benefits are recorded when paid.

#### *E. Administrative Fees*

Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Certain administrative expenses are paid directly by the Employer. Expenses paid by the Employer are excluded from these financial statements.

#### *F. Subsequent Events*

The Plan Administrator has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

### **(3) Information Certified by American United Life Insurance Company (Custodian)**

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following information.

The custodian certified to the completeness and accuracy of total investments as \$76,971,478 and \$66,529,555 as of December 31, 2021 and 2020, respectively; \$9,374,364 of net appreciation in fair value of investments (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year) and interest and dividend income of \$566,183 for the year ended December 31, 2021.

### **(4) Fair Value of Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent)**

The following table sets forth additional disclosures of Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2021 and 2020:

- (a) This category seeks highest level of total return consistent with its asset mix which consists of equity, fixed income and cash positions.
- (b) This category seeks long-term capital appreciation by investing in foreign market securities. These funds invest primarily in the common stock of companies in both developed and developing foreign markets.
- (c) This category includes funds that invest in a portfolio of primarily corporate and other investment-grade U.S. fixed-income securities.
- (d) This category seeks capital appreciation by investing primarily in large capitalization companies. Although it invests primarily in U.S. securities, investments in foreign companies may be made.
- (e) This category includes funds that are designed to seek a high total return relative to the participant's target retirement year. These funds invest in a mixture of stocks, bonds, and cash. Asset allocations become more conservative over time.
- (f) This category seeks long-term capital appreciation by investing in primarily mid-sized companies or smaller. Although it invests primarily in U.S. securities, investments in foreign companies may be made.
- (g) This category seeks capital appreciation by investing primarily in small capitalization companies. These funds generally invest in companies with growth characteristics or those believed to be undervalued.
- (h) This category seeks long-term growth of capital and has few geographical limitations. These funds invest primarily in common stocks of well-established companies located around the world. These funds may also invest in issuers in developing countries.
- (i) This category seeks to provide a high level of current income with a secondary investment objective of capital appreciation. These funds invest primarily in higher yielding and generally lower quality debt securities (rate Ba1 or below or BB+ or below).

#### (5) Investment Contract with Insurance Company

The Plan has entered into a traditional fully benefit-responsive investment contract with AUL. This contract meets the fully-benefit responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expense. The contract value of the investment contract at December 31, 2021 and 2020 was \$14,120,944 and \$14,433,684, respectively.

## Vetter Senior Living Employees' 401(k) Plan

### Notes to Financial Statements December 31, 2021 and 2020

---

AUL maintains the contributions from the contract in a general account. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The Plan's ability to receive amounts due in accordance with the fully-benefit responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rates are based on a formula agreement upon with the issuer, but may not be less than 4%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents; (2) changes to the Plan's prohibition on competing investment options; or (3) significant withdrawals from the Plan. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

#### **(6) Party-in-Interest Transactions**

The Plan invests in a traditional fully benefit-responsive investment contract managed by AUL. AUL is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Investment management service fees are paid by the Plan participants as part of investment purchase price pursuant to the AUL contract. Fees paid to AUL for administrative services totaled \$490 for the year ended December 31, 2021.

#### **(7) Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contributions.

#### **(8) Tax Status**

The Internal Revenue Service has determined and informed the Employer by letter dated August 18, 2015, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan Administrator and Plan's tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **(9) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

VETTER SENIOR LIVING EMPLOYEES 401K PLAN

001

47-1108168

December 31, 2021

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
