INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Richwood Industries, Inc. Retirement & 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Richwood Industries, Inc. Retirement & 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WWW.S-CO.COM

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Richwood Industries, Inc. Retirement & 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Richwood Industries, Inc. Retirement & 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Richwood Industries, Inc. Retirement & 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Richwood Industries, Inc. Retirement & 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Richwood Industries, Inc. Retirement & 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RICHWOOD INDUSTRIES, INC. RETIREMENT & 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

A. Description of plan:

The following description of the Richwood Industries, Inc. ("Company") Retirement & 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General:

The Plan is a defined contribution plan covering all employees of the Company and related company (Richwood Investment Casting, Inc.) who are age 21 or older except for union employees, leased employees, and nonresident aliens. Employees are immediately eligible for enrollment in the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The custodian oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

2. Contributions:

Each year, participants may defer the maximum amount of compensation allowed under current law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts as investment options for participants. Effective January 1, 2015 and April 1, 2015, the Company and related company, respectively, made a resolution to suspend employer matching contributions. Starting in 2019 the employer terminated this suspension and the Company and related company are now contributing 100% of the participants' elective deferrals up to the first 3% of compensation and 50% of the participants' elective deferrals from 4% up to 5% of compensation. Additional profit sharing amounts may be contributed at the option of the Company. Contributions are subject to certain statutory limitations.

3. Participant accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

RICHWOOD INDUSTRIES, INC. RETIREMENT & 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

A. Description of plan (Continued):

5. Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate equal to one percentage point above the prime rate. Principal and interest is paid ratably through periodic payroll deductions.

6. Payment of benefits:

On termination of service due to any reason other than death, if the vested amount of a participant's account does not exceed \$1,000, the vested account will be paid in a single lump sum. If the vested amount of a participant's account exceeds \$1,000, the participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or ad-hoc distributions.

On termination of service due to death, if a participant dies before distribution of his or her account begins, distribution of the participant's account must be completed by December 31 of the calendar year containing the fifth anniversary of the participant's death except that if the participant's spouse is the sole primary beneficiary, the spouse may elect to receive the distributions in accordance with other options permitted by the Plan. If a participant dies after distribution of his or her account has begun, the remaining portion of the participant's account will continue to be distributed under the method of distribution being used prior to the participant's death.

7. Forfeited accounts:

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$-0-. These accounts will be used to reduce future employer contributions. Any remaining forfeitures may be used to pay any administrative expenses of the Plan.

RICHWOOD INDUSTRIES, INC. RETIREMENT & 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

B. Summary of significant accounting policies:

1. Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

4. Operating expenses:

At the discretion of the Company, expenses of maintaining the Plan may be paid by the Company rather than the Plan.

5. Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

6. Payment of benefits:

Benefits are recorded when paid.

RICHWOOD INDUSTRIES, INC. RETIREMENT & 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

C. Information prepared and certified by custodian:

The following summary of information, as of and for the years ended December 31, 2021 and 2020, included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodian.

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Pooled separate accounts	<u>\$ 12,725,909</u>	<u>\$ 10,154,823</u>

The net investment income for the years ended December 31, 2021 and 2020, was as follows:

	<u>2021</u>	<u>2020</u>
Net appreciation in fair value of investments	<u>\$ 1,238,500</u>	<u>\$ 1,370,894</u>

D. Fair value measurements:

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

No Level 1 inputs were held by the Plan as of December 31, 2021 and 2020.

RICHWOOD INDUSTRIES, INC. RETIREMENT & 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

D. Fair value measurements (Continued):

Level 2 Fair Value Measurements

No Level 2 inputs were held by the Plan as of December 31, 2021 and 2020.

Level 3 Fair Value Measurements

No Level 3 inputs were held by the Plan as of December 31, 2021 and 2020.

The fair value of the Pooled Separate Accounts are not publicly quoted pricing inputs. The fair values of these investments are used in determining the Net Asset Value (NAV) of the Pooled Separate Accounts. Accounting Standards Codification (ASC) 820 allows NAV per share to serve as a practical expedient to estimate the fair value of Pooled Separate Accounts.

The following tables set forth the Plan's investments at fair value as of December 31, 2021 and 2020:

<u>December 31, 2021</u>	<u>Total</u>
Investments measured at net asset value: (a)	
Pooled separate accounts	
Target date retirement funds	\$11,105,200
Blended funds	569,083
Income funds	123,905
Growth funds	798,795
Value funds	<u>128,926</u>
Investments, at fair value	<u>\$12,725,909</u>

<u>December 31, 2020</u>	
Investments measured at net asset value: (a)	
Pooled separate accounts	
Target date retirement funds	\$ 8,667,834
Blended funds	358,533
Income funds	174,702
Growth funds	667,029
Value funds	<u>286,725</u>
Investments, at fair value	<u>\$10,154,823</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation for the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

RICHWOOD INDUSTRIES, INC. RETIREMENT & 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

D. Fair value measurements (Continued):

Gains and losses (realized and unrealized) included in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

E. Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100% vested in their employer contributions.

F. Tax status:

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 16, 2010, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. With few exceptions, as of December 31, 2021, the plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

G. Risks and uncertainties:

The Plan provides for participant directed investment options in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

RICHWOOD INDUSTRIES, INC. RETIREMENT & 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

H. Party-in-interest and related party transactions:

Certain Plan investments are units of pooled separate accounts managed by John Hancock Life Insurance Company (U.S.A.). John Hancock is the custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to \$2,319 and \$2,209 for the years ended December 31, 2021 and 2020, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

I. Subsequent events:

The Plan has evaluated subsequent events through October 14, 2022, which is the date the financial statements were available to be issued.
