REPORT OF INDEPENDENT AUDITORS

To the Participants and the Plan Administrator
Mid America Mortgage, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Mid America Mortgage, Inc. 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements (collectively, the “2021 Financial Statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained the certification from Charles Schwab Bank as of December 31, 2021 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the 2021 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the 2021 Financial Statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a

material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the December 31, 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the December 31, 2020 financial statements, and (b) the form and content of the information included in the December 31, 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MID AMERICA MORTGAGE, INC. 401(K) PLAN

Notes to Financial Statements

Note 1 - Description of the Plan

The following description of Mid America Mortgage, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan available to qualifying employees of Mid America Mortgage, Inc. and its affiliates, Moncor Tax Advisors, Inc. and Mortgage Machine Services (collectively referred to as the Plan Sponsor or Company). The Plan is designed to comply with the Employee Retirement Income Security Act of 1974, as amended (ERISA), and the Internal Revenue Code (IRC). In addition, the financial statements have been prepared in compliance with ERISA. The Plan is administered by the Plan Sponsor and the Plan's assets are held in trust pursuant to a trust agreement with Charles Schwab Bank (Schwab), the Custodian. See Note 6.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act contained several provisions that temporarily impacted 401(k) plans, such as the waiver of required minimum distributions, a new hardship withdrawal option, and increased loan limits. The Company has incorporated these provisions into the Plan.

Eligibility

All non-excluded employees of the Company are eligible to participate in the Plan on the first day of each calendar quarter after they are hired and have completed four months of service, provided they have attained 21 years of age. Excluded employees consist of those who are covered under a collective bargaining agreement or non-resident aliens who do not receive any compensation from U.S. sources.

Contributions

Participants may elect to contribute up to one hundred percent (100%) of their eligible compensation, as defined in the Plan document, subject to the Internal Revenue Service (IRS) annual limitations. The Plan allows catch-up contributions (within the meaning of Section 414(v) of the IRC) for participants who have reached age 50 by the end of the plan year. The Plan also allows rollovers of distributions from other qualified plans.

The Company may make discretionary matching contributions equal to a uniform percentage of salary deferrals, with the percentage determined each year at the option of the Company's board of directors. For the year ended December 31, 2021, the Company matched 50% of a participant's contributions up to a maximum of 6% of the participant's eligible compensation.

MID AMERICA MORTGAGE, INC. 401(K) PLAN

Notes to Financial Statements

Note 1 - Description of the Plan – (Continued)

Contributions – continued

The Company may also make qualified non-elective contributions (QNEC) to satisfy certain compliance testing. There were \$577 of QNEC contributions made by the Company during 2021.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, and an allocation of (a) the Company's qualified non-elective contributions, if any, and (b) Plan earnings and losses. Earnings and losses are allocated to participants based on the participant's account balance.

Vesting

Participants are vested immediately in their elective contributions plus earnings or losses thereon. Participants vest in the Company's discretionary matching or other contributions according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of benefits

Upon termination of service due to death, disability, retirement, or separation, a participant is eligible to receive a distribution amount equal to the value of the participant's vested account balance. If a participant's total vested account balance exceeds \$5,000, the participant is eligible to receive either a single lump-sum distribution or installment payments. The cash out provision of the Plan allows the Plan, upon termination of employment, to distribute vested account balances of less than \$5,000 without the participant's consent as a lump-sum distribution. Participants that reach the age of 70 ½ are required to take a minimum distribution from their account. Additionally, under circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Notes to Financial Statements

Note 1 - Description of the Plan – (Continued)

Payment of benefits - continued

The Plan allowed eligible participants who were impacted by the COVID-19 pandemic to request penalty-free distribution of up to \$100,000 without penalty during 2020. The distributions are repayable to the Plan within three years. In addition, the required minimum distributions were waived for the 2020 calendar year and resumed for the 2021 calendar year.

Investment options

Participants may direct contributions into the Plan's investment options, which include mutual funds, a common collective trust fund, and a money market account.

Notes receivable from participants

Under provisions of the Plan, participants are allowed to borrow from their plan accounts. The maximum amount that a participant may borrow is the lesser of (i) 50% of their total vested account balance or (ii) \$50,000. The minimum amount that may be borrowed is \$1,000. Participants may have no more than one note outstanding at any one time. The notes are secured by the balance in the participant's account and bear interest at the prime rate plus 1%.

In accordance with the CARES Act, the Plan permitted qualifying participants to delay loan repayments that were due between March 27, 2020 and December 31, 2020.

Forfeitures

Forfeitures from non-vested participant accounts may first be used to pay any Plan administrative expenses and then to reduce employer matching contributions as defined in the Plan document. See Note 5.

Administrative expenses

Administrative expenses are generally paid by the Plan Sponsor. However, the Plan may pay transaction fees which are allocated to the specific participant initiating the transaction.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

MID AMERICA MORTGAGE, INC. 401(K) PLAN

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies – (Continued)

Use of estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Accordingly, actual results could differ from those estimates. See Note 4 for discussion of significant estimates used to measure the fair value of investments.

Investment valuation and income recognition

Investments held by the Plan are stated at fair value except for the Morley Stable Value Fund, which is stated at contract value. See Notes 3 and 4. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. An allowance for credit losses is not necessary as the notes are collateralized by the participants' account balances. Delinquent notes from participants are reclassified as distributions based upon provisions of the Plan document.

Distributions of benefits

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

Risks and uncertainties

The Plan and its participants invest in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances.

Subsequent events

Management of the Plan evaluated events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the notes to the financial statements. The accompanying financial statements consider events through October 13, 2022, the date which the financial statements were available to be issued.

Note 3 - Investment Contract with Collective Investment Trust

The Plan maintains a guaranteed investment contract related investment option, the Morley Stable Value Fund, which is a common collective trust fund. The underlying investment options of this contract are considered to be fully benefit-responsive as described in FASB ASC 946, Plan-Accounting-Defined Contribution Pension Plans, and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting.

The determination of credited interest rates, as determined by the service provider, reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of invested assets. A market value adjustment may apply to amounts withdrawn at the request of the contract holder.

The underlying contract has no restrictions on the use of Plan assets and there are no valuation reserves recorded to adjust contract amounts.

Notes to Financial Statements

Note 3 - Investment Contract with Collective Investment Trust – (Continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial plan termination or merger with another plan) (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; or (iii) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The Morley Stable Value Fund does not permit Charles Schwab Bank to terminate the agreement prior to the scheduled maturity date.

Note 4 - Fair Value Measurements

Fair value is defined as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

GAAP also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

An asset or liability's classification within the fair value hierarchy is based on the lowest level of significant input to its valuation.

Notes to Financial Statements

Note 4 - Fair Value Measurements – (Continued)

The following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: Valued at the closing price reported on the active market on which the fund is traded.

The valuation methods described above may produce a fair value measurement that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes the valuation method is appropriate and consistent with other market participants, the use of differing methodologies or assumptions to determine the fair value of the Plan's investments could result in different fair value measurements at the reporting dates.

The Plan's fair value hierarchy for those assets measured at fair value is as follows as of December 31:

Description	2021			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 25,690,098	\$ 25,690,098	\$ -	\$ -

Description	2020			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 17,624,118	\$ 17,624,118	\$ -	\$ -

Note 5 - Nonparticipant-Directed Investments

Information about the net assets and the significant components of the changes in net assets relating to nonparticipant-directed investments is as follows:

	December 31,	
	2021	2020
Net assets:		
Forfeiture account	\$ 50,141	\$ 43,230
	Year Ended	
	December 31, 2021	
Changes in net assets:		
Forfeitures relating to current year activities	\$	67,114
Forfeitures used to pay administrative expenses		(60,203)
	\$	6,911

Note 6 - Information Provided and Certified by the Custodian

The Custodian has certified that the following data included in the financial statements and supplemental schedule is complete and accurate at December 31:

	2021	2020
Mutual funds	25,690,098	17,624,118
Collective investment trusts	256,366	217,793
Notes receivable from participants	520,731	340,155
Cash	38,175	4,061

The Custodian also certified to the completeness and accuracy of \$2,413,845 of net appreciation in fair value of investments, \$814,705 of dividend and interest income, and \$22,013 of interest on notes receivable from participants for the year ended December 31, 2021.

MID AMERICA MORTGAGE, INC. 401(K) PLAN

Notes to Financial Statements

Note 7 - Income Tax Status

The prototype Plan received its latest determination letter dated March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not, would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The IRS generally has the ability to examine Plan activity for up to three years.

Note 8 - Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. As such, transactions conducted by the Custodian qualify as party-in-interest transactions.

Note 9 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.
