Independent Auditor's Report

Investment Committee
Interstate and Istate 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Interstate and Istate 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Principal Trust Company, the current trustee, as of December 31, 2021, and for the period June 18, 2021, through December 31, 2021, and from Wells Fargo Bank, N.A., the former trustee, for the period from January 1, 2021, through June 18, 2021, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by a qualified institution and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of schedule h line 4i—schedule of assets (held at end of year) as of December 31, 2021, is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Interstate and Istate 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following brief description of the Interstate and Istate 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General: The Plan was established for the benefit of all salaried, clerical, parts and service employees not covered by a collective bargaining contract of GDG Holdings, Inc. and Subsidiaries (the Company). Employees of the Company who have completed 30 days of service and are age 18 or older are eligible to participate in the Plan. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Board of Trustees is responsible for oversight of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Trustees.

The Company has appointed Principal Trust Company as the trustee of the Plan. The trustee is responsible for maintaining custody of the Plan's assets, processing contributions and distributions, and executing transactions to appropriate investment options. Effective June 18, 2021, the Plan's trustee changed from Wells Fargo Bank, N.A. to Principal Trust Company.

Contributions: Eligible participants may make salary deferral contributions up to the maximum amount permitted by law. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. The Company may elect on a quarterly or annual basis to make discretionary matching contributions on behalf of all participants employed on the last day of the specific period equal to a percentage of the salary deferral reduction elected by the participants. Quarterly discretionary matching contributions totaling \$1,319,322, net of forfeitures, were made to the Plan during 2021. The Company may also make a discretionary profit sharing contribution each quarter or year to be allocated based on the percentage of participants' compensation to all eligible participants compensation who are employed on the last day of the specific period. No discretionary profit sharing contributions were made to the Plan during 2021. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, if any, (b) Plan investment results and (c) an allocation of administrative expenses. Allocations are based on the participant's deferral or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: Participants are allowed to invest in a variety of investment choices, as more fully described in the Plan's literature. All choices vary in type of investments, rates of return, and investment risk. Participants may elect to have all or part of their account balances and future contributions transferred from one fund to another or in any combination. A participant, at their discretion, may develop their own investment portfolio for which Principal Trust Company provides brokerage services.

Vesting: Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting of Company contributions plus actual earnings thereon is based on years of continuous service. A participant is vested ratably and is 100% vested after six years of accredited service or upon retirement after achieving the Company's minimum retirement age, permanent disability or death.

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Notes receivable from participants: The Plan Administrator may make notes to participants and beneficiaries. The repayment period may not exceed five years, unless it is for a principal residence, in which case the note term can be for a reasonable period of time, as determined by the Plan Administrator. Notes are secured by the balance in the participant's account and bear interest at a reasonable rate determined at the origination date. Notes must exceed a minimum amount of \$1,000 and may not exceed 50% of the participant's vested account balance or \$50,000, whichever is less. At December 31, 2021, interest rates ranged from 4.25% to 10.25%. Principal and interest are paid ratably through payroll deductions.

Forfeited accounts: As of December 31, 2021 and 2020, forfeited nonvested accounts totaled approximately \$196,000 and \$171,000, respectively. These accounts will be used to fund future employer contributions. During 2021, employer contributions were funded by approximately \$140,000 from forfeited nonvested accounts.

Benefits paid to participants: Benefit distributions may be made any time after a participant reaches age 59½. Withdrawals before age 59½ can only be made in the instance of termination, death, permanent disability or financial hardship, as defined by the Plan. Participants with an account balance less than \$5,000 may only receive a lump-sum distribution. Participants with an account balance greater than \$5,000 may elect to receive distributions in a lump-sum payment or installment payments.

Note 2. Significant Accounting Policies

Basis of accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, schedule h, line 4i—schedule of assets (held at end of year).

Payment of benefits: Benefits are recorded when paid.

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included as an offset to net appreciation in fair value of investments.

Subsequent events: On October 3, 2022, the Company acquired Lodi Truck and Equipment. Effective December 1, 2022 participants are eligible to participate in the Plan.

The Plan Administrator has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by the Plan Trustees

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, that was prepared or derived from information provided by the trustees and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustees that the information provided to the Plan Administrator by the trustees related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and the ERISA-required supplemental schedule related to the following assets:

	2021	2020
Investments, at fair value:		
Registered investment companies	\$ 75,837,257	\$ 66,204,717
Collective trust	5,081,831	5,240,975
Self-directed brokerage accounts	614,074	802,580
Notes receivable from participants	1,272,570	1,457,815
	<u>\$ 82,805,732</u>	<u>\$ 73,706,087</u>

Principal Trust Company, the current trustee, also certified as to the completeness and accuracy of \$2,957,709 of net appreciation in fair value of investments, \$961,586 of dividends and interest related to the aforementioned investments and \$39,130 of interest income on notes receivable from participants for the period from June 18, 2021 through December 31, 2021.

Wells Fargo Bank, N.A, the former trustee, also certified as to the completeness and accuracy of \$5,873,961 of net appreciation in fair value of investments, \$75,517 of interest and dividends related to the aforementioned investments and \$36,399 of interest income on notes receivable from participants for the period from January 1, 2021 through June 17, 2021.

Notes to Financial Statements

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Registered investment companies and self-directed brokerage accounts: Investments in registered investment companies and in self-directed brokerage accounts are valued at the closing price reported in the active markets in which the individual security is traded.

Collective trust: The collective trust is valued at net asset value (NAV) of shares or units held by the Plan based on the quoted market value of underlying assets. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the trust will sell its investments for amounts different than the reported NAV.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Registered investment companies	\$ 75,837,257	\$ -	\$ -	\$ 75,837,257
Self-directed brokerage accounts	614,074	-	-	614,074
	<u>\$ 76,451,331</u>	<u>\$ -</u>	<u>\$ -</u>	<u>76,451,331</u>
Investments measured at net asset value:				
Collective trust (a)				5,081,831
Total investments at fair value				<u>\$ 81,533,162</u>

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Investments, at fair value:				
Registered investment companies	\$ 66,204,717	\$ -	\$ -	\$ 66,204,717
Self-directed brokerage accounts	802,580	-	-	802,580
	<u>\$ 67,007,297</u>	<u>\$ -</u>	<u>\$ -</u>	<u>67,007,297</u>
Investments measured at net asset value:				
Collective trust (a)				5,240,975
Total investments at fair value				<u>\$ 72,248,272</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV or its equivalent have not been classified in the fair value hierarchy. The fair value amounts in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

Investment	2021	2020	Redemption Frequency	Notice Period
Wells Fargo Stable Return Fund N	\$ 5,081,831	\$ 5,240,975	Daily	None

There are no unfunded commitments as of December 31, 2021 and 2020.

Note 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for benefits.

Interstate and Istate 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. Participants become fully vested upon Plan termination. In such event, the trustee shall be directed to distribute all assets in the Plan to participants as soon as practical.

Note 7. Income Tax Status—Prototype Plan

Effective January 1, 1987, the Plan adopted a volume submitter plan sponsored by Wells Fargo. The IRS has determined and informed Wells Fargo by an advisory letter dated March 31, 2014, from the IRS, as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan has been amended subsequent to the version covered by the volume submitter's advisory letter. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Related-Party Transactions and Party-in-Interest Transactions

The Plan has an investment in units in a collective trust managed by Wells Fargo. Wells Fargo is the former trustee, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included as an offset to net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.
