Independent Auditors' Report

December 31, 2021

To the Trustee of
Heath Ceramics, Ltd. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Heath Ceramics, Ltd. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Heath Ceramics, Ltd. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report (continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Heath Ceramics, Ltd. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Heath Ceramics, Ltd. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Heath Ceramics, Ltd. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Heath Ceramics, Ltd. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE A -- Plan description

The following description of the Heath Ceramics, Ltd. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

Heath Ceramics, Ltd. (the Company) established the plan January 1, 2005. The Plan is a defined contribution profit-sharing plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee is responsible for oversight of the Plan. Reliance Trust Company (Reliance) serves as the Trustee of the Plan.

In October 2020, the Plan was amended with respect to how employer contributions will be calculated effective January 1, 2021. This amendment (a) eliminated Employer Qualified Safe Harbor Contributions (QACA) and changed the related vesting schedule, (b) converted automatic employee deferrals to Eligible Automatic Contribution Arrangement (EACA), (c) changed the profit-sharing contribution formula to tiered based on years of service and (d) changed the employer nonelective profit-sharing contributions to be immediately and fully vested when received.

Effective April 1, 2021, the Plan was amended with respect to how employer contributions will be determined, annual conditions for employer profit-sharing contributions, age requirements for normal and early retirement and union employees eligibility to participate in the Plan.

Effective May 24, 2021, the Plan was amended to merge the Supplemental Income 401(k) Plan (Heath Ceramics Union Employees) into the Plan.

CARES Act and hardship distributions

In April 2020, the Company elected to adopt the Coronavirus Aid, Relief, and Economic Security (CARES) Act provisions for distribution relief for Coronavirus-related distributions and loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100 percent of the participant's vested balance for Coronavirus-related loans. The Plan waived minimum distribution requirements for any distribution made in the year 2020.

The Plan implemented the amendments to the Internal Revenue Code Regulation § 1.401(k)-1(d) hardship regulations effective January 1, 2020, thereby removing the six-month prohibition on contributions after a hardship distribution under the safe harbor for distributions treated as made to satisfy a financial need and the safe harbor that deems a distribution to be made on account of an immediate and heavy financial need of the employee.

NOTE A -- Plan description (continued)

Eligibility

The Plan covers all employees of the company except for part-time, temporary and seasonal employees who have not met plan requirements and certain non-resident aliens. Participants who are not employed on the last working day of the plan year are generally not eligible for an allocation of Company contributions for such year.

Contributions

Participants may make voluntary elective deferral contributions subject to prescribed limitations as well as rollover contributions from a qualified plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may enter a salary deferral agreement at any time to select an alternative deferral amount or to elect not to defer in the Plan. The Plan includes an Eligible Automatic Contribution Arrangement (EACA). Under EACA, if an eligible participant does not complete a salary deferral agreement, the Company will automatically withhold 3% of compensation and contribute that amount to the Plan as a salary deferral increasing every year after two years of participation by 1% with a maximum deferral of 10%.

Each year the Company may also contribute discretionary amounts to the Plan as determined by the Board of Directors. These discretionary amounts may be comprised of an employer matching contribution (a designated percentage of a participant's elective contribution) and/or a discretionary employer profit sharing contribution based upon participant's years of service. An employee must have completed at least a year of service during the plan year and be employed with the Company on the last day of the year to be eligible for a discretionary employer matching and/or profit sharing contribution. The Company made discretionary employer profit sharing contributions in total of \$161,050 for the year ended December 31, 2021.

Participant accounts

Separate accounts are maintained for each participant (an elective deferral contribution account, an elective Roth deferral contribution account (if applicable), a matching contribution account, a discretionary employer contribution account and a rollover contribution account). Each participant's elective contribution accounts are credited with the participant's elective contributions and an allocation of plan earnings attributable to the elective accounts. Each participant's account is credited with the Company's discretionary contributions, along with an allocation of plan earnings attributable to the accounts. Investment direction for each participant's accounts is provided by the participant.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021

NOTE A -- Plan description (continued)

Vesting

Participants are fully and immediately vested in their elective deferral contribution accounts and rollover contribution accounts together with allocated plan earnings thereon. Discretionary employer profit sharing contributions are fully and immediately vested. Employer safe harbor QACA matching contributions and discretionary employer matching contributions are vested according to the following schedule:

<u>Participants' Years of Service</u>	<u>Employer Safe Harbor QACA Matching Vested Percentage</u>	<u>Discretionary Employer Matching Vested Percentage</u>
Less than 2 years	0%	0%
2 years	100%	20%
3 years	100%	40%
4 years	100%	60%
5 years	100%	80%
6 or more years	100%	100%

If employed on or after normal retirement age, death, or disability, participant's accounts become fully vested.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. The repayment term of the loans may not exceed five years (with the exception of a loan used to purchase a primary residence, whereby the term of the loan may exceed five years but no more than 10 years). The loans are secured by the participant's interests in the Plan's assets and bear interest at the prime rate at which the loan is issued. The Plan Administrator requires the participant receiving a loan from the Plan to enter into a payroll deduction agreement to repay the loan. No allowance for loan credit losses has been recorded as of December 31, 2021.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant is entitled to receive the participant's vested aggregate account balance and may choose to leave the assets invested in the Plan or take a lump-sum distribution. However, the Plan Administrator, without the consent of the participant, may distribute a participant's vested aggregate account balance in a lump sum any time after a participant terminates employment if the participant's account balance does not exceed \$5,000.

Forfeited accounts

Forfeited nonvested accounts can be used to reduce employer contributions or pay plan expenses. There were forfeitures of \$393 during 2021. These forfeitures were used to offset administrative expenses.

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021

NOTE A -- Plan description (continued)

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and the withholding of participants' voluntary salary reduction amounts at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become one hundred percent (100%) vested in all amounts credited to their accounts.

NOTE B -- Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statements of Net Assets Available for Benefits present the fair value of the investment contracts as well as an adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared using the contract value basis for fully benefit-responsive investment contracts.

Investment valuation and income recognition

Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year end. The fair value of the guaranteed investment contracts is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021

NOTE B -- Summary of accounting policies

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, distributions, terminated employees' accounts and certain fees related to maintaining the Plan are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE C -- Investments

The Plan's investments are held in various mutual funds and a guaranteed investment contract. Participants may direct their contributions to any of the available mutual funds and the guaranteed investment contract. The investments as of December 31, 2021 are noted in the supplemental schedule.

The following investments represent 5% or more of the Plan's net assets at December 31:

	<u>2021</u>	<u>2020</u>
T. Rowe Price Growth Stock Fund	\$ 450,192	\$ 394,160

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021

NOTE D -- Fair value measurements

In accordance with generally accepted accounting principles, the Plan has categorized all investment assets according to the fair value hierarchy as either: Level 1, observable inputs that are derived from quoted prices (unadjusted) for identical assets or liabilities in an active market; Level 2, quoted prices in non-active markets or in active markets for similar assets or liabilities, inputs other than quoted prices that are observable, and inputs that are not directly observable, but are corroborated by observable market data; or Level 3, unobservable inputs, which cannot be corroborated by external market data.

Level 1 fair value measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 fair value measurements

Guaranteed investment contract is valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

Level 3 fair value measurements

The Plan does not hold any Level 3 investment assets.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table summarizes the Level 1 and Level 2 investment assets held by the Plan at December 31:

	<u>2021</u>	<u>2020</u>
Level 1: Mutual funds		
Balanced funds	\$ 6,465,771	\$ 3,308,077
Value funds	1,451,395	1,113,743
Growth funds	882,751	727,091
Index funds	598,788	531,434
Fixed income funds	<u>426,801</u>	<u>440,234</u>
Total mutual funds	9,825,506	6,120,579
Level 2: Guaranteed investment contract with insurance company, at contract value	<u>401,834</u>	<u>324,571</u>

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021

NOTE E -- Tax status

The Plan's prototype received its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan's administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax-exempt as of the date of the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE F -- Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE G -- Information prepared and certified by a qualified institution

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Reliance Trust Company, a qualified institution, at December 31:

	<u>2021</u>	<u>2020</u>
Investments in mutual funds, at fair market value	\$ 9,825,506	\$ 6,120,579
Guaranteed investment contract with insurance company, at contract value	\$ 401,834	\$ 324,571
Dividends and interest	\$ 1,013,628	\$ 180,568
Interest on guaranteed investment contracts	\$ 8,301	\$ 3,939
Net appreciation in market value of investments	\$ 97,274	\$ 707,139

**HEATH CERAMICS, LTD.
401(k) PLAN**

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021

NOTE H -- Related party transaction

The guaranteed investment contract maintained in the Standard Stable Asset A (SSAA) is managed by The Standard Insurance Company (The Standard), which is a corporate affiliate of the third-party administrator of the Plan. Transactions in SSAA are considered to be party-in-interest investments. Fees paid to The Standard and affiliates for administrative and recordkeeping services were \$32,720 for the year ended December 31, 2021.

NOTE I -- Guaranteed investment contract with insurance company

The Plan maintains a fully benefit-responsive guaranteed investment contract with The Standard. The Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

As described in the basis of accounting disclosure, because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the Statements of Net Assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by The Standard, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The fair value of the guaranteed investment contract approximates contract value. The crediting interest rate is based on a formula agreed upon with the issuer, and it may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The average yields based on actual earnings as well as interest rate credited to participants were 2.21% and 2.42% for the years ended December 31, 2021 and 2020, respectively.

NOTE J -- Contingencies

Management became aware of delinquent participant contributions for the Plan years ended December 31, 2021 and 2020, respectively. Delinquent participant contributions are considered prohibited transactions under Internal Revenue Code (IRC) Section 4975(c)(1). The Internal Revenue Service may impose a nondeductible excise tax up to 15% under IRC Section 275(a)(6) on the amount involved with respect to each prohibited transaction that occurs in a year or part thereof. Additional taxes and penalties may be imposed if the transactions are not corrected within a specified period of time.

Management is in the process of resolving issues related to delinquent participant contributions and filing all the required forms. See Schedule of Delinquent Participant Contributions for amounts involved.

NOTE K -- Transfer of assets to the plan

During May 2021, the Plan sponsor merged the Supplemental Income 401(k) Plan (Heath Ceramics Union Employees) into the Plan. The Supplemental Income 401(k) Plan's assets for a total of \$2,095,838 were transferred into the Plan.

NOTE L -- Subsequent events

The date to which events occurring after December 31, 2021 have been evaluated for possible adjustments to the financial statements or disclosure is October 13, 2022, which is the date on which the financial statements were available to be issued.
