Report of Independent Auditors

To the Participants and Plan Administrator of
Walters Corporation 401(k) Plan
Pikeville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Walters Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibility for the Audit of the 2021 Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Other Matters, continued

2021 Supplemental Schedule Required by ERISA, continued

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

WALTERS CORPORATION 401(K) PLAN

Notes to the Financial Statements

1. Description of Plan

The following description of the Walters Corporation 401(k) Plan (the Plan) provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), and became effective October 1, 1966 and was restated effective August 1, 2016. The Plan covers all eligible employees of Bruce Walters Ford Sales, Inc. (the Plan Sponsor). The investments are held in a trust, the custodian of which is Nationwide Financial Services, Inc. (Nationwide).

Eligibility

The Plan covers substantially all employees of the Plan Sponsor, excluding union employees, non-resident aliens and employees earning income subject to the Puerto Rican Tax Code. The employees become immediately eligible after reaching the age of 21. Employees are eligible to participate in the Plan on the earlier of the first day of the seventh month or the first day of the Plan year coinciding with or next following the date on which such requirements are satisfied.

Contributions

Participants may elect to contribute up to the maximum percentage allowable, not to exceed the limits of Internal Revenue Service (IRS) Code Sections 401(k), 402(g), 404 and 415, of their annual eligible compensation to their individual accounts on a pre-tax basis. The Plan Sponsor may, at its discretion, make a matching contribution each Plan year on behalf of eligible participants equal to a discretionary percentage of the participant's elective deferrals. The Plan Sponsor may also elect to contribute a discretionary profit sharing contribution, to be determined by the Plan Sponsor, not limited to current or accumulated net profits.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Plan Sponsor's matching contribution, an allocation of Plan earnings or losses and elective employer contributions. Allocations are based on participant earnings or account balances, as defined in the *Plan Document*. The benefit to which the participant is entitled is the benefit that can be provided from the participant's account.

1. Description of Plan, continued

Vesting

Participants become 20% vested in Plan Sponsor contributions and related earnings thereon after two years of service of 1,000 hours or more, and vest 20% each additional year of service up to 100% after six years. The participants are immediately vested in their contributions and related earnings. The nonvested portion of a participant's employer matching account is forfeited upon the distribution of the vested portion of the participant's account or the participant's incurrence of five consecutive breaks in service, as defined by the *Plan Document*.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may also elect to receive a hardship withdrawal for certain events detailed in the *Plan Document*.

Forfeited Accounts

As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$8,344 and \$21,294, respectively. In 2021, forfeited accounts totaling \$10,893 were used to reduce employer contributions. The remaining balance will be used to reduce future employer contributions.

Risk and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment and Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan adoption agreement. All other administrative expenses are paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which requires the Plan Administrator to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

WALTERS CORPORATION 401(K) PLAN

Notes to the Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of guaranteed return investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

The custodian did not break out interest and dividends from net appreciation. The Plan's management does not believe the impact of this departure from GAAP is material.

Contract value is the relevant measurement for guaranteed return investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through October 14, 2022, the date that the financial statements were available to be issued.

3. Information Certified and Provided by Custodian

The Plan's investment information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by Nationwide, the custodian of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that investment information provided to the Plan Administrator by the custodian related to the investment information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to investment information in this note and which appears throughout the financial statements and the supplemental schedule.

WALTERS CORPORATION 401(K) PLAN

Notes to the Financial Statements, continued

3. Information Certified and Provided by Custodian, continued

The following table presents the fair value of investments (except for guaranteed return investment contract, which is reported at contract value) in the Plan that were certified by Nationwide.

	<u>2021</u>	<u>2020</u>
Registered investment companies	\$ 6,539,685	\$ 5,676,585
Guaranteed return contract	2,509,440	2,052,259
Money market account	<u>8,344</u>	<u>21,344</u>
Total investments	\$ <u>9,057,469</u>	\$ <u>7,750,188</u>

Nationwide also certifies the completeness and accuracy of \$881,407 of net realized and unrealized appreciation in the fair value of investments for the year ended December 31, 2021.

4. Guaranteed Return Contract

The Nationwide Fixed Select investment is a guaranteed return contract with a quarterly interest guarantee that is based upon the three-month Treasury Note yield. This contract is fully benefit responsive and is reported at contract value.

The interest earned in this contract can be changed quarterly as calculated by Nationwide and credited to the Nationwide Fixed Select investment. The annualized effective interest rate does not include expenses including a contingent deferred sales charge, or any plan or participant fees, if applicable. There is an asset based plan administrative fee of 0.05%. Such fees and charges, if applicable and reflected, would lower the performance. A market value adjustment may apply under certain plan sponsor triggered events. The contract value, when withdrawn, may be increased or decreased by the market value adjustment. The market value adjustment is determined by Nationwide Life Insurance Company in accordance with uniform procedures applicable to all contracts in this class and as described in the contract.

5. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

WALTERS CORPORATION 401(K) PLAN

Notes to the Financial Statements, continued

5. Fair Value Measurements, continued

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Money market account: Valued at the net asset value per unit held by the Plan at year end.

Registered investment companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2021</u>				
Investments measured at fair value:				
Registered investment companies	\$ 6,539,685	\$ -	\$ -	\$ 6,539,685
Money market account	<u>-</u>	<u>8,344</u>	<u>-</u>	<u>8,344</u>
Total investments in fair value hierarchy	<u>\$ 6,539,685</u>	<u>\$ 8,344</u>	<u>\$ -</u>	<u>\$ 6,548,029</u>
<u>2020</u>				
Investments measured at fair value:				
Registered investment companies	\$ 5,676,585	\$ -	\$ -	\$ 5,676,585
Money market account	<u>-</u>	<u>21,344</u>	<u>-</u>	<u>21,344</u>
Total investments in fair value hierarchy	<u>\$ 5,676,585</u>	<u>\$ 21,344</u>	<u>\$ -</u>	<u>\$ 5,697,929</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

WALTERS CORPORATION 401(K) PLAN

Notes to the Financial Statements, continued

6. Exempt Party-in-Interest Transactions

Certain Plan investments are shares of registered investment companies managed by Nationwide. Nationwide is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest.

Additionally, indirect fees are paid to Nationwide based on investment account values. These fees range from 0.07% to 1.23% of the investment account value. The fees reduce net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

7. Tax Status

The Plan uses a prototype Plan document sponsored by Nationwide. Nationwide received an opinion letter from the IRS, dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

8. Priorities upon Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the rights of all affected participants to amounts contributed by them and the Plan Sponsor and related earnings thereon would become fully vested.

9. Excess Contributions Payable

Refund of excess contributions payable of \$12,478 and \$4,930, as of December 31, 2021 and 2020, respectively, represent payments due to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan.

10. Reconciliation of Financial Statements to Form 5500

A reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 is as follows:

Net assets available for benefits per financial statements	\$ 9,065,927
Refund of excess contributions and earnings liability	<u>12,478</u>
Net assets available per Form 5500	<u>\$ 9,078,405</u>
