**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditors' Report

To the Plan Sponsor and Participants of  
The Contractors Retirement Plan  
Sponsored by Taylor Creek, Inc.  
Darlington, Maryland

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of The Contractors Retirement Plan Sponsored by Taylor Creek, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-12 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to such asset information related to the Plan's investment in the Contractors Retirement Plan Master Trust, a trust meeting the requirements of 29 CFR 2520.103-12 (b) and (c) as a Direct Filing Entity (DFE) or 103-12 Investment Entity (103-12 IE) described in the instructions to Form 5500 Annual Return/Report.

Management has informed us that the 103-12 IE qualifies as a DFE under the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Act of 1974 for the year ended December 31, 2021.

## Independent Auditors' Report (continued)

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the Plan's investment in the 103-12 IE, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by the 103-12 IE meet the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of The Contractors Retirement Plan Sponsored by Taylor Creek, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Contractors Retirement Plan Sponsored by Taylor Creek, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Independent Auditors' Report (continued)

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Contractors Retirement Plan Sponsored by Taylor Creek, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Contractors Retirement Plan Sponsored by Taylor Creek, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the investment information associated with the 103-12 IE, except for obtaining and reading the Form 5500 of the 103-12 IE, comparing the 103-12 IE investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the 103-12 IE information to assess whether they are in accordance with the presentation and disclosure requirements accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Independent Auditors' Report (continued)

**Auditors' Responsibilities for the Audit of the Financial Statements (continued)**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the 103-12 IE information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the 103-12 IE information, we compared such information to the Form 5500 of the 103- 12 IE.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the 103-12 IE information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the 103-12 IE information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by the 103-12 IE meet the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements  
December 31, 2021 and 2020

1. Description of the Plan

The following description of The Contractors Retirement Plan Sponsored by Taylor Creek, Inc. (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The Plan sponsor is Taylor Creek, Inc. (the Company).

The Plan's investments are held in the Contractors and Employees Retirement Plan Master Trust (Master Trust), which reports as a 103-12 Investment Entity. The Company is a participating employer which has adopted the Contractors Retirement Plan (the Master Plan). The Plan is a single-employer plan which adopted the provisions of the Master Plan.

- A. General - The Plan is a defined contribution plan covering substantially all employees of the Company. For purposes of prevailing wage contributions, any government contract employee who is a non-highly compensated employee shall become a participant in the component of the Plan to which the prevailing wage contributions are allocated. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's management oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.
- B. Contributions - Participants direct the investment of their Company contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts, collective trusts and an insurance company general account (all of which are held inside the Master Trust) as investment options for participants. The Company may make discretionary matching or profit-sharing contributions to be determined each year by the Company. During the year ended December 31, 2021, the Company did not make a discretionary contribution. The Company is required to make prevailing wage contributions based on prevailing wage laws to satisfy the fringe benefit requirements of the law. For the year ended December 31, 2021, the prevailing wage contribution was \$254,077. Contributions are subject to certain statutory limitations.
- C. Participant Accounts - Each participant's account is credited with the allocations of a) Company's contributions, b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting - Participants are immediately vested in prevailing wage contributions plus actual earnings thereon. Vesting in the discretionary matching contributions and earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes to Financial Statements  
December 31, 2021 and 2020

1. Description of the Plan (continued)

- E. Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at rates that range from 3.25% to 5.50%, which are commensurate with local prevailing rates as determined by the Plan administrator at the initiation of the loan. Principal and interest is paid ratably through payroll deductions.
- F. Payment of Benefits - Participants or their beneficiaries are eligible for distributions upon retirement, disability, death or termination. Distributions will be made by lump-sum payment equal to the value of the participant's vested interest in his or her account, or in partial withdrawals. In-service distributions are permitted in some circumstances. A participant becomes fully vested in all contributions upon death, disability, or retirement.
- G. Forfeited Accounts - These accounts will be used to reduce future Company contributions. There were no forfeitures used during the year ended December 31, 2021. As of December 31, 2021 there were no amounts available to offset future contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting - The accompanying financial statements are presented on the accrual basis.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's management determines the Plan's valuation policies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes to Financial Statements  
December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in the loan balance. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in a default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Payment of Benefits - Benefits are recorded when paid.

Expenses – Substantially all expenses of maintaining the Plan are paid for by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the loan balance. Investment related expenses are included in net appreciation of fair value of investments. Loan initiation and compliance and reporting service fees are charged directly to the participant's account.

3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020. The investments are held inside the Master Trust (Note 4).

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were used when no Level 1 inputs were available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value.

Group Trust - 103-12 Investment Entity (IE): The investment is valued based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The Net Asset Value ("NAV") is based on the market value of the underlying investments. The NAV is not a publicly quoted price in an active market.

3. Fair Value Measurements (continued)

The following table summarizes the Plan's investments in the entity that calculates NAV per share as fair value measurement as of December 31, 2021 and 2020 by investment strategy:

|                          | Fair Value<br>12/31/2021 | Fair Value<br>12/31/2020 | Unfunded<br>Commitments | Redemption<br>Frequency | Redemption<br>Notice<br>Period |
|--------------------------|--------------------------|--------------------------|-------------------------|-------------------------|--------------------------------|
| 103-12 Investment Entity | \$ 1,007,388             | \$ 826,997               | \$ - 0 -                | Daily                   | Without notice                 |

The Plan's investment in 103-12 (IE)'s is comprised of an investment in a single entity – the Contractors Retirement Plan Master Trust, which reports as a Direct Filing Entity (DFE).

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no significant transfers between Level 1 and Level 2 and into or out of Level 3.

4. Interest in Contractors Retirement Plan Master Trust

The Plan invests in a group trust, The Contractors Retirement Plan Master Trust (the Trust), sponsored by Fringe Benefit Group, Inc. Under the terms of the plan document, all assets of the Plan are maintained in the Trust.

The Trust files a Form 5500 as a 103-12 Investment Entity.

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-12 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was not subjected to any auditing procedures performed by the Plan's independent auditor other than comparing such information provided by the Trust to information included in the Plan's financial statements and supplemental schedule:

- Investments, at fair value, as shown in the statement of net assets available for benefits as of December 31, 2021 and 2020.
- Total investment income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021.

4. Interest in Contractors Retirement Plan Master Trust (continued)

The Contractors Retirement Plan Master Trust does not meet the definition of a master trust as that term is most commonly used. The Plan's investment in the Trust represents the allocated net portion of the Trust that is attributable to The Contractors Retirement Plan Sponsored by Taylor Creek, Inc. and includes all the Plan's investments.

The Plan's share of the net assets of the Trust is based on the underlying participant account values including the effects of contributions, allocated net investment income, withdrawals, and allocated administrative expenses. Net investment income, gains and losses are allocated to participating plans on a daily basis based on participants' investment choices. At December 31, 2021 and 2020, the Plan's interest in the net assets of the Trust was less than 1%.

The following presents the fair value of investments of the Trust:

|                                   | December 31,            |                         |

Investment income for the Trust for the year ended December 31, 2021 is as follows:

|                                               |                       |

| <b>Investment Income</b>                      |                       |

|                                               | <u>\$ 160,341,709</u> |

The investments held in the Trust are stated at fair value. Investments are values based on unit values as reported to the Trust by insurance companies holding assets for the Trust. Certain agreements with insurance companies holding the Trust's assets include provisions for withdrawals/surrender fees of up to 5% for participants with less than three years of participation in the Trust. These fees were normally charged against the participant's account immediately prior to withdrawal.

5. Related Party Transactions

Plan investments are held in a Master Trust managed by The Contractors Retirement Plan. As described in Note 2, the Company pays certain Plan expenses. The Plan has a number of service providers. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

7. Tax Status

The prototype for this Plan obtained its latest opinion letter on November 11, 2016, in which the Internal Revenue Service stated that the prototype plan was in compliance with the applicable requirements of the Internal Revenue code (IRC). The Plan has been amended since the prototype received its opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

Subsequent events were evaluated through October 14, 2022, which is the date the financial statements were available to be issued.
