To the Board of Directors
Alpha Services Company of Rochester 401(k)
Rochester, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed audit of the financial statements of Alpha Services Company of Rochester 401(k) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Alpha Services Company of Rochester 401(k) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alpha Services Company of Rochester 401(k)'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors

Alpha Services Company of Rochester 401(k)

Rochester, Minnesota

Page 3

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Alpha Services Company of Rochester 401(k)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alpha Services Company of Rochester 401(k)'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year), and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

To the Board of Directors

Alpha Services Company of Rochester 401(k)

Rochester, Minnesota

Page 4

Other Matter — Supplemental Schedules Required by ERISA (Continued)

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Alpha Services Company of Rochester 401(k). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ALPHA SERVICES COMPANY OF ROCHESTER 401(K)

NOTES TO FINANCIAL STATEMENTS

1. Plan Description and Summary of Significant Accounting Policies

The following description of Alpha Services Company of Rochester 401(k) (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all eligible employees of Alpha Services Company of Rochester (the Company). The Plan became effective September 15, 2007 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Most recently, the Plan's operations for the 2020 plan year were amended to adopt the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act.

Administration – The Plan is administered by the Company and advised by an external third-party consultant. The Custodian of the Plan's assets is Principal Life Insurance Company (the Custodian). The Custodian executes transactions based upon direction from the Plan's administrator and the Plan's participants.

Participation – To be eligible for the Plan, employees must be age eighteen or older and have completed one thousand hours of service in a plan year. Entry dates begin on the first day of the first month and of the seventh month of the Plan year following the completion of the initial requirements.

Contributions – Contributions to the Plan include pre-tax salary reduction contributions, after-tax salary reduction (Roth) contributions, rollover contributions, catch-up contributions, and safe harbor matching contributions made by the Company.

Each participant may authorize the Company to contribute into the Plan salary reduction contributions up to the limits prescribed by law.

Participants must also be age eighteen or older and have completed one year of service to receive Company safe harbor matching contributions. The Company matches 100% of salary deferrals up to the first 3% of compensation and 50% on salary deferrals between 3% and 5% of compensation. Company safe harbor matching contributions were \$198,066 and \$199,408, respectively for the years ended December 31, 2021 and 2020.

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions, (b) plan earnings (losses), and (c) plan expenses, as applicable. The Plan uses a daily valuation system for each participant's individually directed account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ALPHA SERVICES COMPANY OF ROCHESTER 401(K)

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Participant Accounts (Continued) - The Plan provides for participants to direct the funds in which their account balances are invested. As of December 31, 2021, participants' funds are invested in various pooled separate accounts, common/collective trust funds, and mutual funds held by the Custodian.

Vesting – Participants are immediately vested in their elective contributions, catch-up contributions, and employer safe harbor matching contributions.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50 percent of their vested account balance or \$50,000. The CARES Act provision adopted by the Plan allows that from March 27, 2020 through December 31, 2020 participants may borrow from their fund accounts up to \$100,000 or 100% of their vested account balance if affected by the coronavirus. The loans are secured by the balance in the participant's account and bear interest at 1% over prime rate, determined on the first business day of the month before loan origination. Principal and interest is paid through payroll deductions. Participants may have two loans outstanding at one time.

Benefits – On termination of service, disability, death, retirement or reaching normal retirement age, participants are eligible to receive a distribution in an amount equal to their vested account balance. If the participants vested account balance is less than \$1,000, the Plan is allowed to distribute the vested account balance in a lump-sum payment without the participant's consent. If the participants' vested account balance exceeds \$1,000, the participant may elect to take a lump-sum distribution, distribute their account balance in substantially equal amounts, or to leave their vested account balance in the Plan.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will remain 100 percent vested in their accounts.

Basis of Accounting

The financial statements are prepared on the accrual basis from the financial records supplied by Principal Life Insurance Company, the Custodian.

1. Plan Description and Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions in accordance with the terms of the plan document.

Benefit Payment

Benefit payments are recorded upon distribution to participants.

Expenses

Expenses of maintaining the Plan are paid by the Company and the Plan. Administrative expenses paid by the Plan are included in the statement of changes in net assets available for benefits.

Forfeitures

Forfeited nonvested amounts are first used to pay any administrative expenses of the Plan. Any remaining forfeitures are used to reduce the employer safe harbor contribution into the Plan. There were no forfeitures for the years ended December 31, 2021 and 2020. There were no forfeitures used to reduce plan expenses during the years ended December 31, 2021 and 2020. There were no forfeited nonvested accounts at December 31, 2021 and 2020.

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Financial Information Certified by the Custodian

The Principal Life Insurance Company, the Custodian, has provided the Plan Administrator with certifications as to the completeness and accuracy of total investments and notes receivable from participants of the Plan held by the Custodian aggregating \$2,281,826 and \$1,889,136 as of December 31, 2021 and 2020, respectively, and the related investment income of \$275,368 and \$242,656 respectively, and interest on notes receivable from participants of \$6,421 and \$5,537, respectively, for the years then ended. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedules based upon certifications from the Custodian.

Under the terms of the custodial agreement, the Custodian manages investment funds on behalf of the Plan. The Custodian acts at the direction of the Plan Sponsor and plan participants when initiating purchases and sales of the investments of the investment funds.

3. Fair Value Measurements

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Observable market-based inputs or unobserved inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual Funds: The mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds: The collective trust funds are valued at the net asset value of units of a bank collective trust. The net asset value, as provided by the Custodian, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Guaranteed Portfolio Account: Fair value represents the value the Plan would receive if the various contracts were terminated, which is book value less any early withdrawal charges.

Pooled Separate Accounts: Pooled separate accounts are valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although not based upon quoted prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

The methods described above may produce fair values that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurements (Continued)

The following tables reflect the Plan's investments within the fair value hierarchy:

As of December 31, 2021				
	Assets Measured at Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Mutual funds	\$ 558,523	\$ 558,523	\$	\$
Pooled separate accounts	62,727	62,727		
Investments Measured at Net Asset Value *	1,440,340	\$ 621,250	\$	\$
Total Investments	<u>\$ 2,061,590</u>			

As of December 31, 2020				
	Assets Measured at Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Mutual funds	\$ 420,649	420,649		
Pooled separate accounts	22,974	22,974		
Investments Measured at Net Asset Value *	1,298,133	\$ 443,623	\$	\$
Total Investments	<u>\$ 1,741,756</u>			

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

3. Fair Value Measurements (Continued)

Financial Accounting Standards Board Update 2009-12, Fair Value Measurement and Disclosure (Topic 820): *Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent)* requires disclosures of certain attributes in entities that calculate a net asset value per share (or its equivalent) and do not have a readily determinable fair value. The following tables set forth the disclosure of the attributes at December 31, 2021 and 2020.

	2021			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust	\$ 1,440,340	\$	Daily **	Daily **

	2020			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trust	\$ 1,298,133	\$	Daily **	Daily **

** The investment options held by the common/collective trusts associated with this contract may restrict the amount or frequency of transfers or redemptions in order to protect fund shareholders or investors. In addition, withdrawals from and transfers among the common/collective trusts may be subject to postponement for any period during which trading on the New York Stock Exchange is restricted or any period during which an emergency exists, as determined by the Securities and Exchange Commission, as a result of which it is not reasonably practical to dispose of securities in the common/collective trusts or to fairly determine the value of the assets of the common/collective trusts.

4. Concentration Risk

Individual investments representing 20% or more of total investments subject the Plan to potential concentration risk. As of December 31, 2021 and 2020, investments over the 20% threshold were as follows:

	2021	2020
Principal Life Insurance Company:		
Common/Collective Trust		
Lifetime Hybrid 2025 Fund	N/A	\$ 361,160

N/A Investment did not exceed 20% of the total investments as of date shown

5. Party-in-Interest Transactions

Transactions resulting in Plan assets being transferred to or used by a related party are considered prohibited transactions under ERISA unless a specific exemption exists. Certain plan investments include mutual funds, common/collective trust funds, and pooled separate accounts that are managed by Principal Life Insurance Company, the Custodian; and therefore, these transactions qualify as party-in-interest transactions. However, the transactions are not considered prohibited transactions as ERISA regulations provide for a specific exemption for such transactions.

The Plan issues loans to participants, which are secured by the participant account balances. These qualify as party-in-interest transactions but are permitted under ERISA regulations. Additionally, certain employees of the Company provide certain accounting and administrative services to the Plan for which no fee is charged. These transactions are also permitted under ERISA regulations.

6. Tax Status

The prototype plan document utilized by the Plan obtained its latest IRS opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2021, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months.

The Plan's informational returns are subject to examination by the appropriate regulatory authorities as of December 31, 2021, and the Plan's federal informational returns generally remain open for three years.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

7. Risks and Uncertainties

The Plan offers a number of investment options to participants that are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect amounts reported in the statements of net assets available for benefits and participant accounts.

8. Other Matters

Delinquent Participant Contributions

In 2020, it was determined that \$370,924 of employee deferral contributions were not remitted to the Plan within the time period prescribed in the Code of Federal Regulations (CFR). The Plan has recorded a receivable of \$292 at December 31, 2020 from the Plan Sponsor representing the lost earnings on the late remitted contributions. During 2021, lost earnings were paid into the plan.

9. Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 12, 2022, the date the financial statements were available to be issued.
